Cancer Sucks A True Story ,2015-03-31 If lightning doesn t strike the same place twice what are the odds that cancer would strike David Yates three times and he would survive David Yates survived serving military duty in Vietnam only to come home and find out that he had cancer malignant melanoma to be exact After surgery and recovery time he was finally getting back on his feet when the cancer returned less than two years later Surgery and treatment again followed and David was back into his life changed but still moving forward More than three decades later David found himself receiving the news of a cancer diagnosis for the third time Cancer Sucks A True Story is David s story From the moment of that third diagnosis this time for colon cancer David was determined to see this through to its completion He hadn t let cancer beat him in the past and it wouldn t beat him this time either If lightning doesn t strike the same place twice what are the odds that cancer would strike David Yates three times and he would survive David Yates survived serving military duty in Vietnam only to come home and find out that he had cancer malignant melanoma to be exact After surgery and recovery time he was finally getting back on his feet when the cancer returned less than two years later Surgery and treatment again followed and David was back into his life changed but still moving forward More than three decades later David found himself receiving the news of a cancer diagnosis for the third time Cancer Sucks A True Story is David s story From the moment of that third diagnosis this time for colon cancer David was determined to see this through to its completion He hadn t let cancer beat him in the past and it wouldn t beat him this time either Cancer Sucks is no woe is me story though This is a story of survival of making it through to the other side of illness and above all of helping others to do the same Filled not only with personal stories but also first hand accounts of what to expect when going through treatments David s story becomes a new kind of handbook for cancer patients With practical and frank advice David not only explains how he has made it through but he urges us all to pay more attention to our bodies and to take our health into our own hands Perhaps this is not just David s story after all but a cautionary tale for all of us Cancer Sucks is no woe is me story though This is a story of survival of making it through to the other side of illness and above all of helping others to do the same Filled not only with personal stories but also first hand accounts of what to expect when going through treatments

David's story becomes a new kind of handbook for cancer patients. With practical and frank advice, David not only explains how he has made it through but he urges us all to pay more attention to our bodies and to take our health into our own hands. Perhaps this is not just David's story after all but a cautionary tale for all of us.

Rx for Hope Nick Chen, David

Tabatsky,2018-10-16 In our current era of rapidly developing cancer drugs and therapies we also see improvement of cancer treatment outcomes stagnating when it comes to determining quality of life or long term survival This is because while new treatments are making small incremental progress in outcomes most cancer patients still depend on conventional methods that are both toxic and ineffective While new cancer drugs are becoming more precise or targeted less attention is being paid to the overall health and wellbeing of the patient which we propose is essential for long term cancer control and improving a patient s quality of life Rx for Hope backed by rigorous science and real life patient cases calls for an urgent reevaluation of the current conventional approach to cancer treatments and encourages a progressive treatment model combining metronomic low dose chemotherapy with complementary integrative medicine Along with new breakthrough immunotherapy drugs these treatments can potentially create a response powerful enough to not only eradicate the presence of cancer but also to prevent it from returning Because every 23 seconds someone in America is diagnosed with cancer the number of people affected is growing rapidly The American Cancer Society estimates that nearly two million new patients will need treatment in the coming year Judging by current trends and methods of treatment far too many of these people will be treated without the benefits of low dose chemotherapy and even less will enjoy the positive impact of immune supportive complementary integrative medicine Rx for Hope offers insight into a powerful way of treating cancer that patients and doctors can implement immediately for optimal results *The Diary of a Breast Cancer Survivor* Anita Poortenga,2011-09 This book will inspire you encourage you make you laugh and make you cry An honest real account of breast cancer survivor Anita Poortenga and her journey with God as her captain resulting in the transformation that took place to fulfill God s plan An inspirational heartwarming testimony that will touch the lives of anyone going through a trial or difficult situation giving hope that God will guide you through This book is for anyone looking for answers on how to triumph over life s difficulties using the power of faith prayer and God s promises Anita Poortenga and her husband Terry live on their farm in Florida They have five children and ten grandchildren Anita loves to trail ride camp read and spend time with family and friends
