PHILOSOPHY OF NOTHING

Adrian Gabriel Dumitru, The book *PHILOSOPHY OF NOTHING* is a collection of essays that are trying to send the message that in a relationship you can be happy even if you don't have a real relationship together in a classical way but also be unhappy when you have everything together Having everything but actually having nothing having nothing but actually having everything is an idea that we should meditate on it We live in a world of unhappy marriages that should be totally redefined but actually are dying little by little day by day with no change from any of the 2 partners Waiting for NOTHING for years doing NOTHING but expecting everything from the other side Love is not math and will never be Love is not a business and will never be *Philosophy of NOTHING* is trying to define the beautiful side but also the dark side of the love stories The book does not have any architecture and is just a collection of essays And maybe the only message of the book is quite simple to be happy you probably need NOTHING but enjoy the present moment with the person you are in the story

 Shubha Sagar, 2017-06-21 George Saunders once said When you read a short story you come out a little more aware and a little more in love with the world around you This quote captures the essence of this book Soul Stirring Stories is an anthology of short stories of thirteen incredibly strong women bringing to light their extraordinary spirit Whether it is Sudesh Vatsa's life story of grace and grit Neelam Kumar's cancer wrestling experience freedom fighter Shantabai's escape from the Nizam's tyranny Smitha Matai's transformation from a tomboy to a svelte corporate woman Oishika's teenage aspirations and achievements to other equally interesting tales each story is bound to inspire and ignite the human spirit Grab these scintillating stories to appreciate life and learn to live it well Women are extraordinary creations Silence them abort them punch them destroy them and they just rise up with redoubled strength This book is a celebration of that spirit Neelam Kumar founder and CEO of 9 to 5 Corporate Lounge and Author of To Cancer with Love My Journey of Joy Wong Kar-wai
 Silver Wai-ming Lee, Micky Lee, 2017-08-07 Fans and critics alike perceive Wong Kar wai b 1958 as an enigma His dark glasses his nonlinear narrations and his high expectations for actors all contribute to an assumption that he only makes art for a few high brow critics However Wong's interviews show this Hong Kong auteur is candid about the art of filmmaking even surprising his interlocutors by suggesting his films are commercial and made for a popular audience Wong's achievements nevertheless feel like art house cinema His third film Chungking Express introduced him to a global audience captivated by the quick and quirky editing style His Cannes award winning films Happy Together and In the Mood for Love confirmed an audience beyond the greater Chinese market His latest film The Grandmaster depicts the life of a kung fu master by breaking away from the martial arts genre In each of these films Wong Kar wai's signature style experimental emotive character driven and timeless remains apparent throughout This volume includes interviews that appear in English for the first time including some that appeared in Hong Kong magazines now out of print The interviews cover every feature film from Wong's debut As Tears Go By to his 2013 The Grandmaster **Elizabeth Bowen**
 Renee Carine Hoogland, 1994-06-01 Immensely popular during her lifetime the Anglo Irish writer Elizabeth Bowen 1899 1973 has since been treated as a peripheral figure on the literary map If only in view of her prolific outputten novels nearly eighty short stories and a substantial body of non fiction Bowen is a noteworthy novelist The radical quality of her work however renders her an exceptional one Surfacing in both subject matter and style her fictions harbor a subversive potential which has hitherto gone unnoticed Using a wide range of critical theories from semiotics to psychoanalysis from narratology to deconstruction this book presents a radical re reading of a selection of Bowen's novels from a lesbian feminist perspective Taking into account both cultural contexts and the author's non fictional writings the book's main focus is on configurations of gender and sexuality Bowen's fiction constitutes an exploration of the unstable and destabilizing effects of sexuality in the interdependent processes of subjectivity and what she herself referred to as so called reality **A Woman's Bible** Terance

DeJuan Wilson,2023-06-13 What better layer of designs is there than a dilettante in her youthful season one versed in the fine arts of theft It is the paradigm of her existence the moment that she falls in love and the redeeming hour in which she discovers why turning that so called initial encounter into something like a deep past But this is not a love story rather it is a fluid indictment of the conscience I live with a charmingly twisted romantic tale of love and of survival for seldomly the twain do harmonize It is the tale of two brothers natural rivals one born to the street and cruelly exposed and the other born to nobility and persecuted by fortune A wholesale dismantling of this hypocritical institution called religion it is the saga of those enduring moments in between that make time stand still Movements of divine interposition that are composed overtime These cerebral sensual intellectual and refined movements that make her existence exclusive Curatorial movements circumventing the broken past that she lives with The oaths avowed in the hypocritical midnight hour Promises more terrifying than the jealous night that knows her secrets Her constant fealties are perceived as a cruel and pervasive attack though they were once virtuous good and decent But she will only keep betraying him Can you sense it Do you feel it *The*
