Davenport Adams, 1885 Regina's Song David Eddings, Leigh Eddings, 2003-01-01 A story of murder and revenge Outstandingly well paced and tightly plotted the novel also stands out in its handling of various psychological themes Booklist Eerily attuned to one another twins Regina and Renata are so identical that even their mother can't tell them apart Then tragedy strikes a vicious attack leaves one twin dead and the other so traumatized that she turns totally inward incapable of telling anyone what happened or even who she is She remains lost to the world until the day Mark a family friend comes to visit and the young woman utters her first intelligible word As she recovers still with no memory of the past her nightmares grow steadily more frightful followed by wild fits of hysteria and dark mood swings Her strange outbursts seem to coincide with the grisly serial murders that have begun plaguing Seattle Could she be the killer Determined to dispel his suspicion Mark stakes out her home The unholy sight he witnesses one night will haunt his soul for the rest of his life Regina's Song Sharleen Cooper Cohen, 1981-09-01 "The Artist-Operas of Pfitzner, Krenek and Hindemith " Claire

Taylor-Jay, 2017-07-05 This is the first book length study of the genre of artist opera in which the work's central character is an artist who is uncomfortable with his place in the world It investigates how three such operas Pfitzner's *Palestrina* 1915 Krenek's *Jonny spielt auf* 1926 and Hindemith's *Mathis der Maler* 1935 contributed to the debate in early twentieth century Germany about the place of art and the artist in modern society and examines how far the artist character may be taken as functioning as a persona for the real composer of the work Because of their concern with the place of art within society the works are also engaged with inherently political questions and each opera is read in the light of the political context of its time conservatism circa World War I Americanism and democracy and the rise of National Socialism Repeat Performance Sharleen Cooper Cohen, 2003-09-02 Once Regina had no one nothing Overnight her star rose As lead singer of Majesty she won it all fame money power and love But love like Majesty self destructed Cord Cocker the man who possessed her soul refused to forgive or forget She married Mike made her place in the limelight She had everything until Majesty came back

together for the reunion concert that would rock the nation From New York to Las Vegas from idea to opening night swept up in the dazzle the pain the passion of stars who made music for a living and love for more reasons than pleasure Regina risked it all Suddenly she was back in Cord s arms and the music began all over again Sky Raiders Kenneth Stephenson,2015-07-25 Sky Raiders is a continuation of the Romantic fantasy adventure that began in Kens first book The Island of the seven Kings It is the story of adventure in a new land as they as they follow the decree of their God and depart their island to find new worlds It is the story of romance as one group of Gods chosen learn and develop new relationships between themselves and the inhabitants of this new world It is a story of struggle as a small band of former messengers develops into the dynamic fighting force becoming the Sky Raiders **Regina's Secret Spaces** University of Regina. consists of stories from all over Africa In this story Regina fails her audition for the lead role in the school play but her athletic talent wins her another prized role **Alone Yet Not Alone** Tracy Leininger Craven,2015-09-01 Autumn of 1755 bestowed to the Leiningers world not only its rich beauties but also a rewarding harvest On this particular day the whole valley seemed to rejoice in the fullness of the season but suddenly Barbara and Regina s peaceful frontier life is changed forever General Braddock and his army had been defeated and soon the Pennsylvania settlers would suffer the bloody effects of the French and Indian War On October 16 1755 a band of Indians led by Allegheny warriors stormed through Buffalo Valley burned the Leiningers log cabin and captured the sisters Few survived the Penn s Creek Massacre and even fewer lived to tell the story Regina makes a promise to her older sister just before they are unwillingly separated each to endure different fates Barbara is taken deep into the wilderness but holds on to the hope that she will find her little sister Though she is adopted into the Indian tribe there is a longing deep inside that cannot be denied She must escape but the penalty if caught is certain death No one expresses Barbara s apprehensions better than her own words written in 1759 If one could not believe that there is a God who helps and saves from death one had better let running away alone The extreme probability that the Indians would pursue and recapture us was two to one compared with the dim hope that perhaps we would get through even if we did escape the Indians how would we ever succeed in passing through the wilderness unacquainted with a single path or trail **Regina Mingotti: Diva and Impresario at the King's Theatre, London** Michael Burden,2017-07-05 Regina Mingotti was the first female impresario to run London s opera house Born in Naples in 1722 she was the daughter of an Austrian diplomat and had worked at Dresden under Hasse from 1747 Mingotti left Germany in 1752 and travelled to Madrid to sing at the Spanish court where the opera was directed by the great castrato Farinelli It is not known quite how Francesco Vanneschi the opera promoter came to hire Mingotti but in 1754 travelling to England via Paris she was announced as being engaged for the opera in London having been admired at Naples and other parts of Italy by all the Connoisseurs as much for the elegance of her voice as that of her features Michael Burden offers the first considered survey of Mingotti s London years including material on Mingotti s publication activities and the identification of the characters in the key satirical print The Idol Burden makes a significant contribution to the knowledge and understanding of eighteenth century singers careers and status and discusses the management the finance the choice of repertory and the pasticcio practice at The King s Theatre Haymarket during the middle of the eighteenth century Burden also argues that Mingotti s years with Farinelli influenced her understanding of drama fed her appreciation of Metastasio and were partly responsible for London labelling her a female Garrick The book includes the important publication of the complete texts of both of Mingotti s Appeals to the Publick accounts of the squabble between Mingotti and Vanneschi which shed light on the role a singer could play in the replacement of arias *Show Tunes* Steven Suskin,2000 This comprehensive musical theatre reference book chronicles the work of Broadway s great composers from 1904 to 1999 Nine

hundred shows and almost 9000 show tunes are included comprising the entire theatrical output of 36 important Broadway composers along with notable musicals by others **Cyclopaedia of Favorite Songs** ,1895 **A Brighter Discontent** Anna Kristina Schultz,2012-05-30 A brighter discontent I have on sunless days When the questions pile up And rainbows bathe in grays On a journey through memories dreams and wonderings Anna Kristina Schultz leaves a trail of poetic thought that celebrates and questions the existence of normalcy Using a variety of poetic styles and techniques her honest and unique perspective awakens you to see and not just look to hear and not just listen to know and not just assume In amassing dissonance I write from rhyme to rhyme As the poetry falls Through the cracks of time The Rainy Season Maggie Messitt,2015-04-01 Just across the northern border of a former apartheid era homeland sits a rural community in the midst of change caught between a traditional past and a western future a racially charged history and a pseudo democratic present The Rainy Season a work of engaging literary journalism introduces readers to the remote bushveld community of Rooiboklaagte and opens a window into the complicated reality of daily life in South Africa The Rainy Season tells the stories of three generations in the Rainbow Nation one decade after its first democratic elections This multi threaded narrative follows Regina a tapestry weaver in her sixties standing at the crossroads where her Catholic faith and the AIDS pandemic crash Thoko a middle aged sangoma traditional healer taking steps to turn her shebeen into a fully licensed tavern and Dankie a young man taking his matriculation exams coming of age as one of Mandela s Children the first academic class educated entirely under democratic governance Home to Shangaan Sotho and Mozambican Tsonga families Rooiboklaagte sits in a village where an outdoor butchery occupies an old petrol station and a funeral parlor sits in the attached garage It s a place where an AIDS education center sits across the street from a West African doctor selling cures for the pandemic It s where BMWs park outside of crumbling cement homes and the availability of water changes with the day of the week As the land shifts from dusty winter blond to lush summer green and back again the duration of northeastern South Africa s rainy season Regina Thoko and Dankie all face the challenges and possibilities of the new South Africa The Elenium David Eddings,2007-09-25 Now for the first time in one thrilling volume the three magical novels that make up David Eddings s epic fantasy The Elenium In an ancient kingdom the legacy of one royal family hangs in the balance and the fate of a queen and her empire lies on the shoulders of one knight Sparhawk Knight and Queen s Champion has returned to Elenia after ten years of exile only to find young Queen Ehlana trapped in a crystalline cocoon The enchantments of the sorceress Saphrenia have kept the queen alive but the spell is fading In the meantime Elenia is ruled by a prince regent the puppet of the tyrannical Annias who vows to seize power over all the land Now Sparhawk must find the legendary Bhelliom a sapphire that holds the key to Ehlana s cure Sparhawk and his companions will face monstrous foes and evil creatures on their journey but even greater dangers lie in wait for dark legions will stop at nothing to reach the radiant stone which may possess powers too deadly for any mortal to bear *Crystal Gorge* David Eddings,Leigh Eddings,2007-10-15 After two devastating defeats and

the utter annihilation of two armies the hideous Vlagh still vows to invade the land of Dhrall A voracious insectile overmind she can breed millions of soldiers in mere days and even evolve entire new species in just a week At first Dhrall s mortal defenders a motley bunch of mercenaries pirates horse lords and lone heroes like the archer Longbow are certain they ll prevail again Most are now battle hardened veterans and the natives of Dhrall are fierce bison hunters and bear slayers ready to fight But while the Vlagh s past servants were giant venomous and mindless bugs it has now created perfect spies new minions with a man s appearance and intelligence Corrupted by the agents of the Vlagh the human tribes are soon at one anothers throats Far far worse for mortals is the fact that the Gods can no longer be trusted For nearing the end of their 25 000 year cycle the Elder Gods are doddering toward senility and dementia And to add to mankind s plight a strange mysterious entity is manipulating the forces in the upcoming strife and neither gods nor mortals know its true intentions Now beset by astonishing dire challenges Longbow and his fellow mortals must wage a bitter war against a supernatural enemy one that has evolved in ways they could have never imagined

Guardians of the West David Eddings, 1987 Garion the King of Riva finds himself caught between the Dark Prophecy and the Prophecy of Light when he searches a previously obscure part of the Mrin Codex to identify someone or something called Zandramas
