 - ☐ Promoting good practice in regional development
 - ☐ Promoting good governance
 - ☐ Supporting/compensating for other EU policies

Regional Development And Policy

Benjamin Higgins

Regional Development And Policy:

OECD Multi-level Governance Studies Rethinking Regional Development Policy-making OECD,2018-04-06 This report takes stock of discussions between academics and country practitioners on opportunities to improve the design and delivery of regional development policies in a series of seminars organised during 2017 by the OECD and the European Commission What can governments do to enhance Regional Analysis and Regional Policy William H. Miernyk,1982

Regional Policy in a Changing World Niles Hansen,Benjamin Higgins,Donald J. Savoie,1990-01-31 Inspired by the realization that in most countries the commitment to regional development is determined by national ideological swings rather than the socio economic conditions in a particular region here meaning an area smaller than a country Surveys and evaluates the history of regional policy by the national governments of Canada France Great Britain the US Australia Malaysia and Brazil Annotation copyrighted by Book News Inc Portland OR *National Policy for Urban and Regional Development* Donald N. Rothblatt,1974 *Urban and Regional Development Planning* Dennis A. Rondinelli,1975 Monograph on urban planning and regional planning in the USA with particular reference to the theoretical and political aspects of decision making in public administration includes references and statistical tables **Local and Regional Development** Andy Pike,2016-07-15 Actors and institutions in localities and regions across the world are seeking prosperity and well being amidst tumultuous and disruptive shifts and transitions generated by an increasingly globalised knowledge intensive capitalism global financial instability volatility and crisis concerns about economic social and ecological sustainability climate change and resource shortages new multi actor and multi level systems of government and governance and a re ordering of the international political economy state austerity and retrenchment and new and reformed approaches to intervention policy and institutions for local and regional development Local and Regional Development provides an accessible critical and integrated examination of local and regional development theory institutions and policy in this changing context Amidst its rising importance the book addresses the fundamental issues of what kind of local and regional development and for whom its purposes principles and values frameworks of understanding approaches and interventions and integrated approaches to local and regional development throughout the world The approach provides a theoretically informed critical analysis of contemporary local and regional development in an international and multi disciplinary context grounded in concrete empirical analysis from experiences in the global North and South It concludes by identifying what might constitute holistic inclusive progressive and sustainable local and regional development and reflecting upon its limits and political renewal

Growth Pole Strategy and Regional Development Policy Fu-Chen Lo,Kamal Salih,2013-10-22 Growth Pole Strategy and Regional Development Policy Asian Experience and Alternative Approaches focuses on theoretical and practical issues in regional policy including analytical and strategic approaches to regional development and underdevelopment problems The selection first offers information on Asian case studies in decentralization policy and the growth pole approach including

trends in development planning in Japan and the case study of the Mizushima industrial complex Topics include the period of post war reconstruction plan formulation and implementation of Mizushima industrial complex development and interregional dispersion of development of national economy The text also examines the case study of the Ulsan industrial complex in Korea The book looks at decentralization policy growth pole approach and resource frontier development as well as regional structure and uneven economic development in Southeast Asia policy responses toward regional development in Southeast Asia and growth pole approach in Southeast Asia The text also focuses on growth strategies and human settlement in developing countries and growth poles and regional policy in open dualistic economies The selection is a vital reference for readers interested in the theoretical and practical approaches in regional development policy

Regional Development and Economic Growth Canada. Department of Regional Economic Expansion, N. G. Pillai, 1970

Local and Regional Development Andy Pike, Andrés Rodríguez-Pose, John Tomaney, Andrés Rodríguez-Pose, 2006-11-22 Local and regional development is an increasingly global issue For localities and regions the challenge of enhancing prosperity improving wellbeing and increasing living standards has become acute for localities and regions formerly considered discrete parts of the developed and developing worlds Amid concern over the definitions and sustainability of development a spectre has emerged of deepened unevenness and sharpened inequalities in the development prospects for particular social groups and territories Local and Regional Development engages and addresses the key questions what are the principles and values that shape definitions and strategies of local and regional development What are the conceptual and theoretical frameworks capable of understanding and interpreting local and regional development What are the main policy interventions and instruments How do localities and regions attempt to effect development in practice What kinds of local and regional development should we be pursuing This book addresses the fundamental issues of what kind of local and regional development and for whom frameworks of understanding and instruments and policies It outlines what a holistic progressive and sustainable local and regional development might constitute before reflecting on its limits and political renewal With the growing international importance of local and regional development this book is an essential student purchase illustrated throughout with maps figures and case studies from Asia Europe and Central and North America

Growth Policy in the Age of High Technology Jurgen Schmandt, 2020-02-08 Originally published in 1990 this book provides an authoritative and detailed account of the initiatives of US state governments with science and technology programs designed to foster economic growth Two key questions are posed Do state governments have policy instruments that are sufficiently powerful to affect the levels and growth rates of their regional economies and Are national and global economic forces so powerful that they render state action ineffective Several subsidiary themes are discussed in this context namely the most commonly used policy instruments the impacts on federalism

and on governance and how well the universities and other educational institutions serve the economic activities imposed on them

Regional Economic Development in the United States United States. Economic Development Administration. Office of Policy Coordination,1967

OECD Regional Development Studies Regional Development and Structural Policy in Mexico OECD,1997-12-12 Examines Mexico s regional development policy options for the coming decade

Handbook of Local and Regional Development Andy Pike,Andres Rodriguez-Pose,John Tomaney,2010-11-17 The Handbook of Local and Regional Development provides a comprehensive statement and reference point for local and regional development The scope of this Handbook s coverage and contributions engages with and reflects upon the politics and policy of how we think about and practise local and regional development encouraging dialogue across the disciplinary barriers between notions of local and regional development in the Global North and development studies in the Global South This Handbook is organized into seven inter related sections with an introductory chapter setting out the rationale aims and structure of the Handbook Section one situates local and regional development in its global context Section two establishes the key issues in understanding the principles and values that help us define what is meant by local and regional development Section three critically reviews the current diversity and variety of conceptual and theoretical approaches to local and regional development Section four address questions of government and governance Section five connects critically with the array of contemporary approaches to local and regional development policy Section six is an explicitly global review of perspectives on local and regional development from Africa Asia Pacific Europe Latin America and North America Section seven provides reflection and discussion of the futures for local and regional development in an international and multidisciplinary context With over forty contributions from leading international scholars in the field this Handbook provides critical reviews and appraisals of current state of the art conceptual and theoretical approaches and future developments in local and regional development

Regional Economic Development B. P. S. Bhadouria,1986

Regional Development Policy and Planning in Spain Harry W. Richardson,Harry Ward Richardson,1975

Regional Development and Settlement Policy David Dewar,Alison Todes,Vanessa Watson,2017-09-05 Originally published in 1986 This book focusses on a critical analysis of regional development strategy in South Africa and shifts over time in that strategy Regional development theory and thinking about settlement policy have developed largely independently of each other This book clarifies some of the resulting confusion and points towards a greater integration of the two areas of understanding The book provides an overview of shifts which occurred in national and regional development theory and the broader social economic and political factors which influenced these shifts It identifies the major policy implications of the various development approaches with particular emphasis placed on the role of settlement policy The differences between policy approaches and the debates surrounding them are identified and discussed

Regional Development Theories and Their Application Benjamin Higgins,2017-07-12 Throughout the world today former nation states as disparate as Yugoslavia Somalia and Canada have

either disintegrated or threaten to splinter into regions The conflicts are economic social ethnic linguistic religious political and cultural Higgins and Savoie analyze the reasons for these conflicts and show why attempts to eliminate regional disparities within nations have been largely unsuccessful This volume is a highly readable comprehensive survey of the literature and current debates in the fields of regional economics development policy and planning **Regional Policy** John Friedmann, William Alonso, 2003-02-01 Revised edition of *Regional Development and Planning A Reader* Since 1964 when *Regional Development and Planning A Reader* was first published the book has become established as perhaps the most useful collection of source material in its field and it has served as the basis of numerous courses in regional studies and economic development Encouraged by this reception its editors have prepared this revised edition meant to replace the earlier work The editors have searched the literature with care and selected those contributions that will give the student a firm understanding of the fundamentals and the recent developments of the subject broadly defined The first four parts of the book present readings on the concepts of space and development broken down into sections on location and spatial structure spatial systems in economic development and growth in subnational regions the role of cities in national development issues in regional planning Part V consists of a bibliographical essay detailing the progress of a decade in regional development planning *Regional Development Agencies in Europe* Henrik Halkier, Mike Danson, Charlotte Damborg, 1998 This volume seeks to bring together the experiences of Regional Development Agencies RDAs throughout Europe to provide material for a comparative study of regional planning accross the continent Using an analytical framework developed by the editors the contributors evaluate the long term potential and limitations of the RDAs in terms or promoting regional economic development Institutional and other preconditions for successful regional policies are identified and combined with a broad analytical and geographical coverage that includes Eastern Europe a clearer picture of the relevance of the RDAs emerges

Eventually, you will utterly discover a new experience and feat by spending more cash. yet when? get you acknowledge that you require to get those all needs in the same way as having significantly cash?
