Regula Monachorum:

The Divine Office in the Latin Middle Ages Margot E. Fassler, Rebecca A. Baltzer, 2000-08-17 The Divine Office the cycle of daily worship other than the Mass is the richest source of liturgical texts and music from the Latin Middle Ages However its richness the great diversity of its manuscripts and its many variations from community to community have made it difficult to study and it remains largely unexplored terrain This volume is a practical guide to the Divine Office for students and scholars throughout the field of medieval studies The book surveys the many questions related to the Office and presents the leading analytical tools and research methods now used in the field Beginning with the Office in the early Middle Ages the book covers manuscript sources and their contents regional developments and variations the relationship between the Office the Mass and other ceremonies and repertories and the deep links between the Office and medieval hagiography The book concludes with a discussion of recent technical advances for handling the enormous amounts of evidence on the Office and its performance in particular CANTUS the vast electronic database developed by Ruth Steiner of Catholic University for the analysis of chant repertories The Divine Office in the Latin Middle Ages is an essential resource for anyone studying medieval liturgy Its accessible style and broad coverage make it an important basic reference for a wide range of students and scholars in art history religious studies social history literature musicology and theology

The Regula Monachorum of Saint Columbanus, Abbot Saint Columban, 1942 *The Corrupter of Boys* Dyan Elliott, 2020-11-27 In the fourth century clerics began to distinguish themselves from members of the laity by virtue of their augmented claims to holiness Because clerical celibacy was key to this distinction religious authorities of all stripes patristic authors popes theologians canonists monastic founders and commentators became progressively sensitive to sexual scandals that involved the clergy and developed sophisticated tactics for concealing or dispelling embarrassing lapses According to Dyan Elliott the fear of scandal dictated certain lines of action and inaction the consequences of which are painfully apparent today In *The Corrupter of Boys* she demonstrates how in conjunction with the requirement of clerical celibacy scandal averse policies at every conceivable level of the ecclesiastical hierarchy have enabled the widespread sexual abuse of boys and male adolescents within the Church Elliott examines more than a millennium's worth of doctrine and practice to uncover the origins of a culture of secrecy and concealment of sin She charts the continuities and changes from late antiquity into the high Middle Ages in the use of boys as sexual objects before focusing on four specific milieus in which boys and adolescents would have been especially at risk in the high and later Middle Ages the monastery the choir the schools and the episcopal court *The Corrupter of Boys* is a work of stunning breadth and discomfiting resonance as Elliott concludes that the same clerical prerogatives and privileges that were formulated in late antiquity and the medieval era and the same strategies to cover up the abuses they enable remain very much in place

Columbanus Michael Lapidge,1997 Essays investigating the writings attributed to Columbanus influential founder of Luxeuil and Bobbio **Columbanus and the Peoples of Post-Roman Europe** Alexander O'Hara,2018 In this wonderful collection of essays the reader travels with Columbanus through the Christian West from Ireland to Brittany from Northern Gaul to the Rhine Bavaria Alamannia and Italy Through the great Irishman's encounters with secular and ecclesiastical elites with various religious cultures Roman traditions post Roman states and peoples this volume illuminates the profound changes that characterize the transition from the ancient to the medieval world *The Life of St. Columban (St. Columbanus of Bobbio)* Mrs. Thomas Concannon,1915 **Intercessory Prayer and the Monastic Ideal in the Time of the Carolingian Reforms** Renie S. Choy,2016-11-17 In early medieval Europe monasticism constituted a significant force in society because the prayers of the religious on behalf of others featured as powerful currency The study of this phenomenon is at once full of potential and peril rightly drawing attention to the wider social involvement of an otherwise exclusive group but also describing a religious community in terms of its service provision Previous scholarship has focused on the supply and demand of prayer within the medieval economy of power patronage and gift exchange *Intercessory Prayer and the Monastic Ideal in the Time of the Carolingian Reforms* is the first volume to explain how this transactional dimension of prayer factored into monastic spirituality Renie S Choy uncovers the relationship between the intercessory function of monasteries and the ascetic concern for moral conversion in the minds of prominent religious leaders active between c 750 820 Through sustained analysis of the devotional thought of Benedict of Aniane and contemporaneous religious reformers during the reigns of Charlemagne and Louis the Pious Choy examines key topics in the study of Carolingian monasticism liturgical organization and the intercessory performances of the Mass and the Divine Office monastic theology and relationships of prayer within monastic communities and with the world outside Arguing that monastic leaders showed new interest on the intersection between the interiority of prayer and the functional world of social relationships this study reveals the ascetic ideal undergirding the provision of intercessory prayer by monasteries The Brendan Legend Glyn S. Burgess,Clara Strijbosch,2006-08-01 *The Brendan Legend* Texts and Versions deals with the vast textual tradition relating to the Irish Saint Brendan known as The Navigator Stories about Brendan have been popular in the whole of Western Europe from the seventh to the twentieth century The themes of the book are the interrelated problems of the textual and literary embedding of Brendan texts For the first time researchers in Celtic German Latin and Romance languages and literatures have co operated on the Brendan tradition and they have mapped the changes in textual traditions according to different circumstances and audiences This book will be important to those studying the influence of Celtic literature on the European Continent and more generally to those interested in the versatility of textual traditions in Western Europe *The Visigoths in Gaul and*

palaeographers who provide for the first time a comprehensive assessment of the phenomenon of Irish peregrini in their continental context and the manner in which it is framed by modern scholarship as well as the popular imagination

Arnaldi de Villanova De esu carni Arnaldus (de Villanova),1981 *Medieval Monasticisms* Steven

Vanderputten,2020-03-23 From the deserts of Egypt to the emergence of the great monastic orders the story of late antique and medieval monasticism in the West used to be straightforward But today we see the story as far messier less linear less unified and more historicized In the first part of this book the reader is introduced to the astonishing variety of forms and experiences of the monastic life their continuous transformation and their embedding in physical socio economic and even personal settings The second part surveys and discusses the extensive international scholarship on which the first part is built The third part a research tool rounds off the volume with a carefully representative bibliography of literature and primary sources **Around the Monastic Table--RB 31-42** Aquinata Böckmann,2009 Saint Benedict devoted ten chapters

to the monastic table Sister Aquinata Bckmann offers a thorough study of these core chapters in Benedicts Rule Drawing on scholarship and personal experience of the monastic table she demonstrates in this commentary the relationship between Benedicts Rule and other rules including those of Basil Augustine and the Rule of the Master More than discipline what comes through here is the overall desire to meet the needs of the brothers and sisters sharing life together **Regula**
