Reincarnation in America Lee Irwin, 2017-07-31 Reincarnation in America An Esoteric History surveys the complex history of reincarnation theories across multiple fields of discourse in a pre American context ranging from early Greek traditions to Medieval Christian theories Renaissance esotericism and European Kabbalah all of which had adherents that brought those theories to America Rebirth theories are shown in all these groups to be highly complex and often disjunctive with mainstream religions even though members of conventional religions frequently affirm the possibility of rebirth As a history of an idea reincarnation theory is a current vital belief pattern that cuts across a wide spectrum of social cultural and scientific domains in a long complex history not reducible to any specific religious or theoretical explanation This book is cross disciplinary and multicultural linking religious studies perspectives with science based research it draws upon many distinct disciplines and avoids reduction of reincarnation to any specific theory The underlying thesis is to demonstrate the complexity of reincarnation theories what is unique is the historical overview and the gradual shift away from religious theories of rebirth to new theories that are therapeutic and trans traditional

Olukumi Kingdom George Benin Nkemnacho, 2024-02-28 In a world that is increasingly being aware in a political and cultural sense of issues surrounding marginalised communities this book gives a riveting account of the history culture and politics of the Olukumi people a marginalised Yoruba community unlike others that had hitherto been the subject of mainstream literature and debates The Olukumi people are a bilingual both Yoruba and Ibo and sophisticated Black African community who were the first humans to inhabit their indigenous homeland but continue to be marginalised and discriminated by the majority newly arrived neighbours The community practiced female to female marriages long before minority rights like the LGBTQIA rights came to be recognised even in so called advanced Western countries like America and in Europe It is because the Olukumis face appalling discrimination and deprivation at home that they continue to migrate Yet their culture of respect for minorities and tolerance for diverse opinions still survive This book is about war and diplomacy It is also about migration and settlement as well as a people s determination for survival and coexistence It is told from an exclusively Olukumi perspective and written by an Olukumi indigene

Awakening the Soul Bill Missett, 2008-05-21 Awakening The Soul The Trilogy includes ATS Book One Proof of Our Spiritual Nature which itemizes more than 80 characteristics of our spiritual nature many very familiar and explains 10 of them in depth ATS Book 2 Our Suppressed Spiritual Nature which explains why we are so out of touch with our spiritual nature primarily through suppression of those traits by religions primarily Christianity and ATS Book

3 Restoring Your Spiritual Nature contains detailed channeled instructions to restore immediate awareness of your spiritual nature which has proven highly successful in doing just that *The Big Blue Turtle* Matthew Coleridge, 2021-07-22 Why are we here To learn However this is a difficult task as much of the truly useful information is often hidden and one can have difficulty deciding where to start digging to find it Following the flow of a seemingly random freestyle writing exercise The Big Blue Turtle just starts digging With a humorous tone it explores the concepts of life and death drawing from multiple theories and developments in the human world Can we really survive death This book argues that we can and provides information on how to do just that It also discusses a myriad of other intertwining topics laid out with all the grace of a neighborhood yard sale upon the tables of which the reader may find something interesting or even useful Is it new Of course not It s a yard sale But if you dig a bit you might find something new to you something of immeasurable value something that might even shed light on our true purpose in this expansive universe **The Mystery-schools** Grace F. Knoche, 1943
