Rekindling the Torch David J. Azrieli, Joe King, Gil Troy, 2008 Rekindling the Torch The Story of Canadian Zionism begins with the long and troubled history of the Jewish people that informed the nineteenth century idea of Zionism the search for a homeland After surviving anti Semitic laws and pogroms Jewish refugees faced not only the ultimate crime against humanity but also the shocking indifference of the West when they were turned back from safe havens Far from weakening the spirit these combined tragedies strengthened their collective will In Canada Jewish immigrants created communities pooled their resources and rose to become captains of industry among them the Bronfmans the Batshaws and the Hayes They organized and actively pursued the goals of nationhood in Palestine Richly illustrated and extensively researched Rekindling the Torch celebrates the struggle of the Canadian Jewish people and their contributions to the state of Israel Excerpt from Rekindling the Torch from the Preface by David J Azrieli br The

remarkable accomplishments of Canadian Zionism have left their marks across their length of the tiny land of Israel in the arts and sciences business and education on all seven university campuses in the forests lovingly planted in once barren hills Their extraordinary contributions to the Jewish State on an organizational and individual basis have inspired industrial development changed the way Israelis shopped and even lived More than a decade ago when I served as president of the Canadian Zionist Organization I promised myself that this exceptional story would be told that the most outstanding figures in Canadian Zionist history be identified and their accomplishments described With the great assistance of the Joe King and Gil Troy herewith is that story In researching and writing this book we have delved into dusty archives and jogged the memories of many of the principals to ensure that the tale was truly well told I believe that with the publications of this book we have recorded the unique and important role played by Canadians as momentous partners in the historic reappearance on the world scene of a Jewish State after an absence of twenty centuries What Happened to the Fire?
