Relatives Raising Children An Overview Of Kinship Care:

Relatives Raising Children Joseph Crumbley, Robert L. Little, 1997 The rapid growth of kinship foster care full time parenting of children by relatives or other adults who have a kinship bond with a child has caught many child welfare agencies off guard This monograph presents information needed by professionals agencies institutions communities and organizations to develop and provide services to kinship caregivers kinship families children and parents The monograph contains discussions of common clinical issues suggests intervention strategies examines kinship care s legal implications and offers policy and program recommendations Chapter 1 compares relative or kinship care to traditional family foster care and outlines the characteristics of kinship care that necessitate changes in outlook and practice Chapter 2 analyzes the clinical issues that must be considered in serving children parents and kinship caregivers Chapters 3 and 4 provide guidance on child welfare practice with kinship families Chapter 5 considers the effect of culturally based child rearing practices gender roles and hierarchy of authority on child welfare practice with kinship families as well as the impact of parental incarceration substance abuse and HIV AIDS Chapter 6 looks at the legal rights responsibilities and status of kinship families caregivers parents and children Chapter 7 discusses federal and state issues for program and policy development this chapter also examines the philosophy and values underlying provision of financial support to kinship families the emerging federal role state policy directions and permanency planning Contains 40 references KB *Working With Custodial Grandparents* Bert Hayslip, 2003 The 18 papers of this collection on grandparents who raise their grandchildren are grouped into the broad categories of theory practical applications and empirical studies Individual topics include case studies intervention research support groups cross discipline approaches to establishing caregiving guidelines the psychological adaptation of grandchildren building parenting skills and grandparent caregivers of children with developmental disabilities The contributors teach psychology social work child development and gerontology at universities in the US **Juvenile Justice**, 1997 *Kinship Care* Elaine Farmer, Sue Moyers, 2008-05-15 This book compares formal kinship care to traditional foster placements The authors explore whether children placed with family and friends fare better or worse than other foster children what services are provided and needed and how kin care is experienced by carers children and social workers

Listening to Children about Kinship Care, Child Welfare, and Permanence Paul Daniel Shuttleworth, 2025-09-26 Unveiling unique research on the transformative power of listening to children this book champions a new critical realist what matters approach reinvigorating kinship care and child permanence debates **The Handbook of Therapeutic Care for Children** Joe Tucci, Janise Mitchell, Edward C Tronick, 2019-09-19 This innovative book brings together a wide range of therapeutic approaches techniques and models to outline recent developments in the practice of supporting children in out of home care It sheds light on the significance of schools sports and peer relationships in the lives of traumatized children It also draws particular attention to the vital importance of taking into account children s cultural heritage and to the growing prevalence

of relative care Each chapter is set out by acclaimed and world renowned contributors specific approach such as Dan Hughes and his work on conceptual maps and Cathy Malchiodi and her research on creative interventions and gives practical ways to support children and carers It also includes contributions from Bruce Perry Allan Schore and Martin Teicher This comprehensive volume will open new avenues for understanding how the relationship between child and carer can create opportunities for change and healing *The Routledge Handbook of Global Child Welfare* Pat Dolan,Nick Frost,2017-02-17 In the context of the increasing global movement of people and a growing evidence base for differing outcomes in child welfare Routledge Handbook of Global Child Welfare provides a compelling account of child welfare grounded in the latest theory policy and practice Drawing on eminent international expertise the book offers a coherent and comprehensive overview of the policies systems and practices that can deliver the best outcomes for children It considers the challenges faced by children globally and the difference families services and professionals can make This ambitious and far reaching handbook is essential reading for everyone working to make the world a better and safer place for children *Fostering Kinship* Roger Greeff,2018-08-09 First published in 1999 this work draws together a multi national collection of papers and aims to stimulate the development of policy and practice in this often neglected area It aims to offer examples of good social work practice informed by relevant theoretical insights to give a voice to kinship foster carers and young people so that practice can be informed by an understanding of their experience to share the results of current research to highlight issues for policy makers and to place the issues in the wider international context of developing social policy ideology and social change There are contributions from the UK Poland the Netherlands Belgium Ireland the US and New Zealand **Social Work Practice with African American Families** Cheryl Waites,2009-06-02 Be more effective by understanding African American families from an intergenerational perspective Social workers looking to provide competent practice with African American families may be more effective by using a new strengths based approach from an intergenerational perspective Social Work Practice with African American Families presents a comprehensive look at this new approach to view assess and provide services to multigenerational families and communities It closely examines this useful innovative framework which encourages opportunities for action to create solutions for survival and change The approach dynamically considers the changing demographics in American society key issues and the various challenges pertinent to the African American community This text offers a strong culturally competent approach to social work practice for African American families that takes into consideration the latest policies programs and demographic changes It also incorporates the voices of African American families along with teaching that focuses on strengths derived from the transfer of information and support between multiple generations The book is extensively referenced and provides tables to clearly present data Topics discussed include the importance of strong kinship bonds demographic changes mutually supportive intergenerational relationships intergenerational policy intergenerational programs cultural genograms assessment issues long term care giving issues

intergenerational influences on education the role of intergenerational knowledge transfer in church community programming and much more Social Work Practice with African American Families is a valuable resource for social workers counselors educators and students in African American studies and family studies *Grandparents as Carers of Children with Disabilities* Phillip McCallion, Matthew Janicki, 2014-03-18 Older adults caring for developmentally disabled children have special needs Are you and your agency doing all you can to help Grandparents as Carers of Children with Disabilities Facing the Challenges provides the first comprehensive picture of grandparents caring for children with developmental disabilities and their related requirements Here you ll find information on the mental and physical health of these caregivers highlighting their unique needs and the roles that agencies and advocates need to play in order to meet them This unique volume will assist practitioners administrators and policymakers in including the needs of this group into planning and service delivery efforts Grandparents as Carers of Children with Disabilities Facing the Challenges takes an incisive look at characteristics of these carers and the children they care for children in kinship care and their special needs the effect of kinship foster care on caregiving grandmothers the approach of Latino grandparents to bringing up children with special needs the service needs and provision issues of grandparent carers In this book here is some of what you ll find data from a school based comprehensive multigenerational program in East Harlem New York City which explores environmental stressors associated with children coming into kinship care discussing the impact on grandparent caregivers with a focus on health status and access to care correlates of self reported depressive symptoms among urban Latino grandparent caregivers a survey of grandparents mostly African American mostly female caring for children with developmental disabilities in New York City that focuses on health status emotional state use of formal and informal services and general life situation helpful charts and tables that put the facts at your fingertips a demonstration project that used an intervention model to determine how a three pronged approach using outreach support groups and case management could be used to aid grandparents caring for children with developmental delay or disabilities and much more As editors McCallion and Janicki point out Primary childcare is rapidly becoming a normative experience of grandparenting Grandparent primary care is found among all ethnic groups and across all socioeconomic levels of society Concern over preserving the family often causes grandparents to assume responsibility in spite of their limited financial means or own health conditions Grandparents as Carers of Children with Disabilities will enable you to provide these courageous loving people with the help they need to do this extraordinarily difficult and often thankless job *Resources in Education* ,1999-10 [Guidelines for Public Policy and State Legislation Governing Permanence for Children](#) Donald N. Duquette, 1999 [Social Work Practice with Families and Children](#) Anthony Maluccio, Barbara Pine, Elizabeth M. Tracy, 2002-09-11 This book emphasizes family centered social network and school based interventions in the preparation of social workers for direct and indirect practice with clients from vulnerable populations especially the poor people of color and recent immigrant groups With an eye to recent changes in

social work practice and service delivery including the impact of welfare reform and managed care on vulnerable families and children Social Work Practice with Families and Children helps social work students and practitioners understand the increasingly complex needs of their clients Three valuable appendixes include information about tools and instruments to support practice child welfare resource centers and electronic resources pertaining to the field Normal Family Processes, Fourth Edition Froma Walsh, 2015-10-02 Widely adopted this valued course text and practitioner guide has expanded the understanding of family normality and healthy functioning in our increasingly diverse society The editor and contributors are at the forefront of research and clinical training They describe the challenges facing contemporary families and ways in which clinicians can promote resilience With consideration of sociocultural and developmental influences chapters identify key family processes that nurture and sustain strong bonds in couples dual earner divorced single parent remarried adoptive and kinship care families gay and lesbian families culturally diverse families and those coping with adversity such as trauma poverty and chronic illness New to This Edition Reflects important research advances and the changing contexts of family life Additional chapter topics kinship care family rituals evidence based assessment and neurobiology All chapters have been fully updated **Diversity and Aging in the Social Environment** Sherry M. Cummings, Colleen Galambos, 2016-05-06 Today nearly one of every eight Americans is 65 or older and by 2030 over 20% of the population will be in this age group Are you prepared to work with this vastly diverse and rapidly growing population This single source is designed to help social service professionals provide effective services to America's vastly diverse and rapidly growing elderly population Diversity and Aging in the Social Environment explores the impact of race ethnicity gender sexual orientation and geographic location on elders strengths challenges needs and resources to provide you with a more complete understanding of the issues elders face In order to be more responsive to older adults social workers and other human service professionals need to enhance their knowledge of the aging population and the factors that impact the way seniors interact with society organizations community resources neighborhoods support networks kinship groups family and friends Diversity and Aging in the Social Environment examines differences in race ethnicity geographical location sexual orientation religion and health status to help current and future human service professionals provide culturally competent services to the diverse range of elderly people they serve In addition it addresses the wide disparity that exists for older Americans in terms of income and assets number of chronic conditions functional and cognitive impairment housing arrangements and access to health care This book provides a context for the examination of diversity issues among older adults by describing and discussing several theoretical perspectives on aging that highlight important aspects of diversity Next you'll find thoughtful examinations of issues and challenges faced by lesbian gay bisexual and transgender elders and the strengths they bring into later life the impact of gender race and sexual orientation on prevalence rates risk factors methods of disease contraction and mortality rates among older adults with HIV/AIDS along with a discussion of the psychosocial issues they face diverse characteristics of

custodial grandparents and the influence of the caregivers gender race age and geographic location on methods of care and available caregiver support differences in caregiver characteristics service utilization caregiver strain and coping mechanisms among several racial ethnic groups of adults who care for elderly disabled and ill persons cultural religious factors that influence interactions between health care personnel and Japanese American elders the relationship between acculturation and depressive symptoms among Mexican American couples life challenges facing Jewish and African American elders with a look at each group's coping mechanisms differences in religious spiritual coping skills among Native American African American and white elders psychological well being and religiosity among a diverse group of rural elders

A *Restorative Approach to Family Violence* Anne Hayden, Loraine Gelsthorpe, Allison Morris, 2016-03-16 This volume provides an essential update on current thinking practice and research into the use of restorative justice in the area of family violence It contains contemporary empirical theoretical and practical perspectives on the use of restorative justice for intimate partner and family violence including sexual violence and elder abuse Whilst raising issues relating to the implications of reporting it provides a fresh look at victims issues as well as providing accounts of those who have participated in restorative justice processes and who have been victims of abusive relationships Contributions are included from a wide range of perspectives to provide a balanced approach that is not simply polemic or advocating Rather the book genuinely raises the issue for debate with the advantage of bringing into the open new research which has not been widely published previously Given its unique experience in the development of restorative justice the book includes empirical studies relating to New Zealand contextualized within the global situation by the inclusion of perspectives on practices in the UK Australia and North America This book will be key reading for people who work with violent offending of a family nature as well as for those who are interested in the study of family violence

To Grandmother's House We Go And Stay Carole B. Cox, 2000 It is through the expertise of an impressive team of psychologists social workers nurses as well as lawyers and sociologists that Cox is able to explore the grandparent grandchild relationship and its intricacies Lack of preparation social isolation psychological and emotional stress and financial strain all contribute to the myriad of issues involved in this new wrinkle in the American family

BOOK JACKET The Child Welfare Challenge James K. Whittaker, 2017-07-12 Within a historical and contemporary context this book examines major policy practice and research issues as they jointly shape child welfare practice and its future In addition to describing the major problems facing the field the book highlights service innovations that have been developed in recent years The resulting picture is encouraging especially if certain major program reforms are implemented and agencies are able to concentrate resources in a focused manner The volume emphasizes families and children whose primary recourse to services has been through publicly funded child welfare agencies The book considers historical areas of service foster care and adoptions in home family centered services child protective services and residential services where social work has an important role Authors address the many fields of practice in which child and family services are provided

or that involve substantial numbers of social work programs such as services to adolescent parents child mental health education and juvenile justice agencies This new edition will continue to serve as a fundamental introduction for new practitioners as well as summary of recent developments for experienced practitioners

Handbook of Parenting and Child Development Across the Lifespan Matthew R. Sanders, Alina Morawska, 2018-12-06 This handbook presents the latest theories and findings on parenting from the evolving roles and tasks of childrearing to insights from neuroscience prevention science and genetics Chapters explore the various processes through which parents influence the lives of their children as well as the effects of parenting on specific areas of child development such as language communication cognition emotion sibling and peer relationships schooling and health Chapters also explore the determinants of parenting including consideration of biological factors parental self regulation and mental health cultural and religious factors and stressful and complex social conditions such as poverty work related separation and divorce In addition the handbook provides evidence supporting the implementation of parenting programs such as prevention early intervention and treatments for established issues The handbook addresses the complementary role of universal and targeted parenting programs the economic benefits of investment in parenting programs and concludes with future directions for research and practice Topics featured in the Handbook include The role of fathers in supporting children's development Developmental disabilities and their effect on parenting and child development Child characteristics and their reciprocal effects on parenting Long distance parenting and its impact on families The shifting dynamic of parenting and adult child relationships The effects of trauma such as natural disasters war exposure and forced displacement on parenting The Handbook of Parenting and Child Development Across the Lifespan is an essential reference for researchers graduate students clinicians and therapists and professionals in clinical child and school psychology social work pediatrics developmental psychology family studies child and adolescent psychiatry and special education
