Interest of Love Jeremy Tolbert,2022-06-01 The Interest of Love is one of the most powerful and compelling books of this modern era Its

influential teachings will liberate the powers of the mind by opening up the foundation of knowledge formed when the world was created There are a series of events we have to go through to understand the power of love And this discovery requires understanding your thoughts to be our first step Thoughts determine how we feel how we view things and how we think It is how we connect with the world around us and the people in it The very first thought you have is a foundation of interest And addressing the thoughts you ve had throughout your lifetime is the starting point for the Interest of Love In life thoughts are everything It is what you know it is how you act and it is the certitude of what you desire Our thoughts develop into interest and our interest accumulates into what we love Through the Interest of Love you will understand your purpose in life You will know how to build an existence surrounded by a life worth living And you will know how to develop a true happiness that can survive even in the worst circumstances By reading this book you will ultimately see yourself for who you truly are And the mysteries of this world and the greatest secrets of all existence will be available for you to know All of this will be done just by personally understanding the way you think and why you were created And it all will began by revealing your thoughts

Smoking in Adolescence Barbara Lloyd, Kevin Lucas, 2014-01-14 What factors influence adolescents to take up smoking Why do more girls smoke than boys In contrast to medical orthodoxy Smoking in Adolescence looks at smoking from the adolescents own points of view What emerges is that regular smokers are seen as fun loving and nonconformist cigarettes are a passport to a fashionable popular and hard identity Young people create and are influenced by complex images of smokers and nonsmokers Barbara Lloyd and Kevin Lucas explore the psychological dimensions such as social environment family peers stress and coping body image mood and pleasure They suggest how anti smoking interventions should be re evaluated to take account of this new evidence throughout the school curriculum Smoking in Adolescence will be of practical interest to teachers youth workers health professionals and parents as well as students of psychology *Nursing Mirror*, 1979

Leading from the Edge James Hilton, 2016-02-25 A guide to recognising managing overcoming and surviving the work related stress suffered by so many teachers and school leaders working in schools today This unique honest provocative and humorous analysis of the challenges of leading a 21st century school is filled with scenarios and strategies guaranteed to inspire reassure and help leaders overcome the pressures on them In addition to helping school leaders recognise and manage stress in themselves the book covers how to help and support members of staff to manage stress levels and the pressures of their job School staff suffering from and not being able to manage high levels of stress is a huge barrier to school improvement as well as successful sustainable educational leadership Stress in schools is on the increase as teachers and leaders have higher imposed targets than ever before and feel like they have less support A recent report stated that two fifths of teachers are leaving the profession within five years of starting and teachers taking leave due to stress is also on the increase it was reportedly up 10% over the last 4 years in 2012 and on the increase Stress in the teaching profession has often gone untalked about and headteachers especially feel unable to talk about it openly however it is very prevalent in the

news at the moment especially since the head of Ofsted Sir Michael Wilshaw caused outrage when he said that teachers do not know what stress is

Leading From the Edge is unique because it looks at work related stress from a school leader's personal experience. James Hilton worked as a headteacher for 15 years in large schools. Following a nervous breakdown brought on by work related stress in 2006 and after a significant period of absence he returned to headship more self aware than before. Chris Roome the mental health therapist who taught him many of the positive strategies he learned in his recovery will act as a consultant on the book adding significant credibility to the work. Each chapter will conclude with learning points and a wealth of practical self help strategies.
