The Exercise of the Spirit and the Building of God Witness Lee, 2024-01-17 In the New Testament age God is doing a specific work in His Son and through

the Holy Spirit He is entering into people that they may be filled with the element of God and He is bringing these people who are filled with His element into Himself This is the mingling of God with man this is the building of God The believers who have been mingled with God are built up together in Him The builded church is not composed of only human beings Rather the building of the church is accomplished by building God into man When God is in all of us and we are in God we are one Body This is the way that we are built together This building depends on the New Testament priests These priests are not a special class of believers but rather the believers who are in spirit and can be built together in God In order for the church to be built up it is necessary for every believer to enter into the Holy of Holies and carry out their priestly service that is to pray in their spirit Only by praying in our spirit can we become living stones that are being built together 1 Pet 2 5 The present need is for the believers to be built together in spirit to become a living spiritual temple as the Body of Christ for Him to obtain rest to be expressed and to be glorified **Fellowship Concerning the Urgent Need of the Vital Groups**

Lee, 2023-09-04 I consider Watchman Nee to be a unique gift given by the Head to His Body I fully respect him as such a gift I am more than grateful to the Lord that immediately after being saved I was brought into such a profitable relationship with Watchman Nee and put into the closest relationship with him in the work of His recovery through so many events over a long period of time The revelations concerning Christ the church the Spirit and life which I saw through Watchman Nee the

infusions of life which I received from him and the things concerning the work and the church which I learned from him will require eternity to evaluate their true worth By Witness Lee **Proceedings of the ... National Conservation Congress ... ,1912** **Proceedings ... ,1912** Proceedings of the ... National Conservation Congress at ... ,1912 The Anthroposophical Soul Calendar and the Incarnation Cycle of Man Roland Schrapp,2020-12-09 This book takes a completely new look at the Anthroposophical Soul Calendar It is about the deeper meaning of the fifty two weekly verses which has remained essentially unexplored in the last hundred years since the first edition by Rudolf Steiner A dense veil of Isis was spread over them of which is well known that no mortal person can lift it Only the immortal psycho spiritual human being who knows himself at home in the extrasensory higher worlds is capable of doing this Only to him the weekly verses reveal themselves as a travel guide through these worlds and lift him up to ever higher spiritual cosmic realms until he reaches the experience of God from where he gradually descends again into a new life on Earth enriched in spirit and fertilized in his soul If the reader embarks on this journey the spiritual archetype of the Soul Calendar is ultimately unveiled to him and he achieves an extended understanding of Man and Christ By many quotations from Rudolf Steiner s lectures and books the author virtually lets Steiners himself elucidate the breathtaking depths of his mysterious weekly verses Understanding Matthew - Using Semitic Bible Study Methods Michael Harvey Koplitz, This commentary was researched and written using Semitic Bible Study Methods Aramaic the language Yeshua spoke and the culture of Yeshua s day These methods were initially developed by the Sage Hillel over 2000 years ago augmented and the author Semitic Bible study methods are based on asking questions about the Scripture examining the language and culture of that day This is a strange idea for church people because the Church teaches that only the Church can interpret Scripture This is not true God wants us to ask questions because Scripture s meaning is as deep as God and God is infinite **Understanding Watchman Nee** Dongsheng John Wu,2012-04-01 This book situates Nee s view within the rich heritage of the Protestant Catholic and Eastern Orthodox spiritual traditions and thus renders Nee s thought more intelligible to Christians of both evangelical and more liberal persuasions In this book Dongsheng John Wu examines Watchman Nee s thought on the spiritual life focusing on the relationship between spiritual formation and spiritual knowledge Different ways of acquiring spiritual understanding are explored including the respective roles of divine illumination intellectual studies and life circumstances Understanding Watchman Nee begins by synthesizing strategic aspects of Nee s teachings as well as formative events and sources in the development of Nee s own spirituality and theology It then utilizes the critical work of contemporary theologian Mark McIntosh to bring Nee s voice into dialogue with some important figures in the history of Christian spirituality Such interactions reveal that Nee s crucial theological convictions exhibit strong parallels with related themes found in the church s spiritual or mystical treasures *Ministry Digest, Vol. 03, No. 03* Witness Lee, In this issue we will continue four lines of ministry The first line The History of the Lord s Recovery contains chapters 10 through 13 of Fellowship concerning the

Urgent Need of the Vital Groups which are in volume 3 of The Collected Works of Witness Lee 1991 1992 These chapters cover the building up of the vital groups the need for one accord prayer and the release of the Spirit for blending and exercising our spirit with prayer for the release of the Holy Spirit and for participation in the outpouring of the Spirit as power from on high for the dynamic impact in preaching the gospel and ministering Christ to others The second line Words for New Believers contains chapters 5 through 8 of Crucial Truths in the Holy Scriptures Volume 1 which are in volume 3 of The Collected Works of Witness Lee 1932 1949 These chapters cover topics related to repentance and believing forgiveness cleansing and sanctification The third line Maturing in Life contains chapters 9 and 10 of The Way to Practice the Lord's Present Move which are in volume 5 of The Collected Works of Witness Lee 1985 These chapters speak of how to be watchful in life and faithful in service The line then continues with chapters 1 and 2 of a new book Reward and Punishment which are in volume 3 of The Collected Works of Witness Lee 1955 These chapters cover the nature and function of the kingdom reward and God's thought concerning the kingdom reward The fourth line The High Peak of the Divine Revelation continues with chapters 11 through 13 of The History of God in His Union with Man which are in volume 4 of The Collected Works of Witness Lee 1991 1992 These chapters focus on God's history in time from the creation of the universe to the final judgment at the great white throne The line then continues with chapter 1 of a new book God's New Testament Economy which is in volume 3 of The Collected Works of Witness Lee 1984 This chapter contains an introductory word concerning God's economy which is His plan to dispense Himself into redeemed humanity

Hidden In Plain Sight: A Study of the Revelation to John
Uchenna Mezue, 2015-10-03 The Revelation to John has been with us for about 2000 years and has been the subject of diverse attempts at interpretation The Revelation as given is a vision of the end time work of the Son of Man and the sole purpose is to prepare humanity for that mission and offer them the chance to recognise the last Envoy of God when He does come It is only with this understanding in view that the Revelation can be appreciated All the promised messages for the end time are now available to us and I believe we are in a better position to understand the message of The Revelation Indeed I believe that we urgently need to understand its message The urge and pressure amongst all striving human spirits to unravel the mysteries of The Revelation represents this need This study is not a substitute for The Revelation but may be regarded as a call for a deeper study and hopefully an awakening to the need to experience the times in a more alert manner The work is offered in the recognition that the Revelation is being fulfilled in this epoch and as such is a must read for all striving human spirits
