Political and Judicial Rights through the Prism of Religious Belief Carl

Sterkens, Hans-Georg Ziebertz, 2018-10-24 This innovative volume is focused on the relationship between religion on the one hand and political and judicial rights on the other At a time when the so called checks and balances that guarantee the vulnerable equilibrium between legislative executive and judicial branches of governance are increasingly under pressure this book offers valuable insights It presents empirical work that has measured young people s attitudes and explains the variety found across their views Readers will find answers to the question To what extent do youths in different countries support political and judicial human rights and what influences their attitudes towards these rights The political rights in this question include among others active and passive voting right the right to protest and the rights of refugees Judicial rights refer in general to the right of a fair trial and include principles like equality before the law the right to independent and impartial judgement the presumption of innocence the right to legal counsel and the privilege against self incrimination Expert contributing authors look at aspects such as religious beliefs and practices personal evaluation of state authorities and personality characteristics The authors discuss contextual determinants for attitudes towards political and judicial rights in both theory and empirical indicators Numerous helpful tables and figures support the written word This book makes an original contribution to research through the empirical clarification of factors that induce or reduce people s support of political and judicial rights It will appeal to graduates and researchers in religious studies philosophy or sociology of religion among other disciplines but it will also interest the general reader who is concerned with matters of human rights and social justice

Human Rights and the Separation of State and Religion Francis-Vincent Anthony, Hans-Georg

Ziebertz, 2023-08-05 This text highlights key aspects of the religion church state relationship debate and related hitherto marginal topics The contributions make clear that there is no clear blueprint for an optimal relationship between religion church and state Individual states and countries are analysed on the granular level for example to address mono religious against poly religious as well as secular societies Among others chapters address education migration and politics against religion as well as the effect of LGBTQ communities on religion and societies This collected volume appeals to researchers and students working in religious studies and political science

Religion and Societies Carlo Caldarola, 2011-06-01

The series Religion and Society RS contributes to the exploration of religions as social systems both in Western and non Western societies in particular it examines religions in their differentiation from and intersection with other cultural systems such as art economy law and politics Due attention is given to paradigmatic case or comparative studies that exhibit a clear theoretical orientation with the empirical and historical data of religion and such aspects of religion as ritual the religious imagination constructions of tradition iconography or media In addition the formation of religious communities their construction of identity and their relation to society and the wider public are key issues of this series

Tolerance,

Secularization and Democratic Politics in South Asia Humeira Iqtidar, Tanika Sarkar, 2018-07-19 What is the

relationship between secularization and tolerance Critically analyzing the empirical and theoretical foundations of a putatively linear relationship between the two this volume argues for moving past both romanticised readings of pre modern tolerance and the unthinking belief that secularization will inevitably lead to tolerance The essays collected in this volume include contributions from across South Asia that suggest that democratic politics have added a layer of complexity to questions of peaceful co existence Modern transformations in religious thought and practice have had contradictory implications for tolerance which offer rich insights into contemporary debates in the region This multi disciplinary volume which spans history sociology anthropology and political theory questions the uncritical acceptance of tolerance as the best framework for engaging with difference and probes the complications created by and through democratic politics *Politics and Cultures of Islamization in Southeast Asia* Georg Stauth, 2015-07-15 This book is about cultural and political figures institutions and ideas in a period of transition in two Muslim countries in Southeast Asia Malaysia and Indonesia It also addresses some of the permutations of civilizing processes in Singapore and the city state s image moving across its borders into the region and representing a miracle of modernity beyond ideas The central theme is the way in which Islam was re constructed as an intellectual and socio political tradition in Southeast Asia in the nineteen nineties Scholars who approach Islam both as a textual and local tradition students who take the heartlands of Islam as imaginative landscapes for cultural transformation and politicians and institutions which have been concerned with transmitting the idea of Islamization are the subjects of this inquiry into different patterns of modernity in a tropical region still bearing the signature of a colonial past

Christianity in East and Southeast Asia Ross Kenneth R. Ross, 2020-05-01 Taking the analysis of worldwide Christianity to a deeper level of detail this volume focuses on Christianity in East and Southeast Asia covering every country and offering both reliable demographic information and original interpretative essays by indigenous scholars and practitioners It maps patterns of growth and decline assesses major traditions and movements analyses key themes and examines current trends As a comprehensive account of the presence of Christianity in every country in East and Southeast Asia this volume is set to become a standard work of reference in its field **Religion and Society in Sub-Saharan Africa and Southern Asia**

Carole Rakodi, 2019-03-18 This book analyses how religion is entangled in people s lives in Sub Saharan Africa and southern Asia It provides an introduction to the teachings practices and values promoted by the main religious traditions in these regions and an overview of the evidence on what religion means to people in terms of their beliefs and religious practices and how it influences their values attitudes and day to day relationships with others especially their families Over the course of the book Carole Rakodi explores similarities and differences between and within religious traditions and identifies some of the key factors that influence and explain the roles played by religion in people s personal lives and social relationships A separate companion volume will go on to focus on the social and political roles and relationships of religious groups and organisations This book will be of great interest to academics and students working in a range of disciplines especially

sociology religious studies and development studies but also anthropology geography and area studies *Religion - Politics - Evangelism* Purna Chandra Jena,2015-11-24 This book seeks to show how religion is controlled by political ideologies and how evangelism is moulded and manipulated by the demands of the dominant political order of the day Out of his experience as a Christian in India the author challenges churches and congregations to participate in political action as an expression of their commitment to evangelism and to a better society **Routledge Handbook of Religion and Politics** Jeffrey Haynes,2016-01-13 From the United States to the Middle East Asia and Africa religion continues to be an important factor in political activity and organisation The second edition of this successful handbook provides the definitive global survey of the interaction of religion and politics Featuring contributions from an international team of experts it examines the political aspects of all the world s major religions including such crucial contemporary issues as religious fundamentalism terrorism the war on terror the clash of civilizations the Arab Spring and science and religion Each chapter has been updated to reflect the latest developments and thinking in the field and new chapters such as Postsecularism and international relations and Securitization and Secularization The two pillars of state regulation of European Islam have been added to ensure the book is a comprehensive and up to date resource Four main themes addressed include World religions and politics Religion and governance Religion and international relations Religion security and development References at the end of each chapter have been overhauled to guide the reader towards the most up to date information on various topics This book is an indispensable source of information for students academics and the wider public interested in the dynamic relationship between politics and religion Routledge Handbook of Contemporary Central Asia Rico Isaacs, Erica Marat,2021-09-14 The Routledge Handbook of Contemporary Central Asia offers the first comprehensive cross disciplinary overview of key issues in Central Asian studies The 30 chapters by leading and emerging scholars summarise major findings in the field and highlight long term trends recent observations and future developments in the region The handbook features case studies of all five Central Asian republics and is organised thematically in seven sections History Politics Geography International Relations Political Economy Society and Culture Religion An essential cross disciplinary reference work the handbook offers an accessible and easy to understand guide to the core issues permeating the region to enable readers to grasp the fundamental challenges transformations and themes in contemporary Central Asia It will be of interest to researchers academics and students of the region and those working in the field of Area Studies History Anthropology Politics and International Relations Chapter 23 of this book is available for free in PDF format as Open Access from the individual product page at www.routledge.com It has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license Religion and Politics Jan-Erik Lane, Hamadi Redissi,2016-04-15 Offering a timely new appraisal of the political and social impact of Islam Religion and Politics will be welcomed by political scientists and historians alike In this work Jan Erik Lane and Hamadi Redissi employ a Weberian approach underlining the social consequences of religious beliefs to account for the

political differences between the major civilizations of the world against the background of the rise of modern capitalism in the Occidental sphere Compared with Weber and his emphasis upon economic modernization the perspective on religion is broadened to encompass post modernity particular attention is paid to human rights and the rule of law This thought provoking work raises the question of whether the tenets of Islam might be reconciled with the requirements of post modernity

Religion and Politics Professor Hamadi Redissi, Professor Jan-Erik Lane, 2013-03-28 Muslim societies are struggling under the need for modernization and the drift towards Islamic fundamentalism The balance between these two forces is struck differently in the various Muslim societies depending upon the constellation of groups as historical legacies However the tension is real In this work Jan Erik Lane and Hamadi Redissi look at the underlying social consequences of religious beliefs to account for the political differences between major civilizations of the world against a background of the rise of modern capitalism Offering a timely new appraisal of the political and social impact of Islam this expanded second edition of Religion and Politics has been fully updated in line with new events and will be welcomed by political scientists and historians alike In a readable and accessible style this thought provoking work raises the question of whether the tenets of Islam might be reconciled with the requirements of post modernity

Religion, Politics and Nation-Building in Post-Communist Countries Greg Simons, David Westerlund, 2016-03-03 The increasing significance and visibility of relationships between religion and public arenas and institutions following the fall of communism in Europe provide the core focus of this fascinating book Leading international scholars consider the religious and political role of Christian Orthodoxy in the Russian Federation Romania Georgia and Ukraine alongside the revival of old indigenous religions often referred to as shamanistic and look at how despite Islam s long history and many adherents in the south Islamophobic attitudes have increasingly been added to traditional anti Semitic anti Western or anti liberal elements of Russian nationalism Contrasts between the church s position in the post communist nation building process of secular Estonia with its role in predominantly Catholic Poland are also explored Religion Politics and Nation Building in Post Communist Countries gives a broad overview of the political importance of religion in the Post Soviet space but its interest and relevance extends far beyond the geographical focus providing examples of the challenges in the spheres of public religious and social policy for all transitional countries
