West and west-central Phrygia* Sir William Mitchell Ramsay, 1895      **The Great Powers and the Survival of the Liberal International Order** Ayabulela Dlakavu, 2025-06-30 This scholarly monograph examines the sustainability of the Liberal International Order LIO by critically examining the conduct of the Permanent Five P5 members of the United Nations Security Council China France Russia the United Kingdom and the United States of America As principal custodians of global peace and security under the Charter of the United Nations the P5 s alignment or misalignment with the foundational principles of the LIO holds profound implications for its legitimacy and endurance Anchored in foreign policy analysis FPA and enriched by scenario building methodologies the research offers a rigorous empirically grounded assessment of how Great Power behaviour shapes the evolution and potential futures of international order By foregrounding the foreign policies of the P5 as key variables in global governance trajectories the book provides an original contribution to scholarship on international relations multilateralism and institutional resilience This work will appeal to scholars of international relations global governance peace and security studies and those invested in the normative and structural futures of the international system in the 21st century and beyond      **The Tudor Occupation of Boulogne** Neil Murphy, 2019-02-07 In 1544 Henry VIII led the largest army then ever raised by an English monarch to invade France This book investigates the consequences of this action by examining the devastating impact of warfare on the native population the methods the English used to impose their rule on the region from the use of cartography to the construction of fortifications and the development of English colonial rule in France As Murphy explores the significance of this major financial and military commitment by the Tudor monarchy he situates the developments within the wider context of English actions in Ireland and Scotland during the mid sixteenth century Rather than consider the plantations established in the mid sixteenth century Ireland as the laboratory for a new form of empire this book argues that they should be viewed along with the Boulogne venture as the English crown s final attempt to establish colonies through the use of state resources alone      *North-East Passage to Muscovy* Kit Meyers, 2005-07-21 North East Passage to Muscovy explores important and overlooked sea voyages the motivation behind them the geographical knowledge acquired on them which put England in the forefront of cartography and the extraordinary dealings of the Muscovy Company which included passing on a proposal of marriage to Elizabeth I from Ivan the Terrible      **Exile and Kingdom** Avihu Zakai, 2002-08-22 This book explores the ideological origins of the Puritan migration to and experience in America      George Sandys James Ellison, 2002 The Caroline poet George Sandys had an exceptionally interesting early career as traveller and colonist this study of his work following his return to England sheds new light on the expression of religious and political moderation prior to the Civil War The poet George Sandys is one of the most interesting figures of the Renaissance period his life and career encompassing a number of varied aspects As a colonialist leader in Virginia he and his colleagues pursued a lenient policy towards the Indians which

nearly cost the colony its existence Returning to England and settling at Great Tew along with other poets such as William Chillingworth and Lord Falkland he won limited favour at the Caroline court although he was loyal to the king and adopted a richly Laudian style for his religious verse he was implacably opposed to the divisive and confrontational policies of the Laudian church and became an increasingly outspoken critic of absolutist government His last work a translation of a Latin religious play by Hugo Grotius was the first in a series of literary attacks by moderate Royalists on Archbishop Laud This book the first recent examination of his life and work sheds new light both on an unjustly neglected figure and on the literature of religious and political moderation prior to the Civil War JAMES ELLISON is Honorary Research Fellow at the University of Strathclyde **The Literature of the American People** Arthur Hobson Quinn,1951 **1940-1946** Massimo Mastrogregori,2013-08-26 Annually published since 1930 the International bibliography of Historical Sciences IBOHS is an international bibliography of the most important historical monographs and periodical articles published throughout the world which deal with history from the earliest to the most recent times The works are arranged systematically according to period region or historical discipline and within this classification alphabetically The bibliography contains a geographical index and indexes of persons and authors **The Poor Indians** Laura M. Stevens,2004 Missionary work arising from a sense of pity helped convince the British that they were a benevolent people Stevens relates this to the rise of the cult of sensibility when philosophers argued that humans were inherently good because they felt sorrow at the sign of suffering

**Race** Thomas F. Gossett,1997-08-14 When Tom Gosset s *Race The History of an Idea in America* appeared more than a generation ago it explored the impact of race theory on literature in a way that anticipated the entire current scholarly discourse on the subject Though it has gone out of print it has never been rendered obsolete Its reprinting is a boon to younger scholars in particular who are unfamiliar with its rich presentation of fact and its clear efficient analysis from which so much later theorizing has developed With a new afterword by and about the author and an introduction by series editors Arnold Rampersad and Shelley Fisher Fishkin this edition should find a wide readership among young scholars and students working in African American literary and cultural studies *Horæ Apocalypticæ; Or a Commentary on the Apocalypse Critical and Historical; Including Also an Examination of the Chief Prophecies of Daniel* Edward Bishop ELLIOTT,1851
