**Writing local history** John Beckett, 2013-07-19 This fascinating book looks at how local history developed from the antiquarian county studies of the sixteenth century through the growth of professional history in the nineteenth century to the recent past Concentrating on the past sixty years it looks at the opening of archive offices the invigorating influence of family history the impact of adult education and other forms of lifelong learning The author considers the debates generated by academics including the divergence of views over local and regional issues and the importance of standards set by the Victoria County History VCH Also discussed is the fragmentation of the subject The antiquarian tradition included various subject areas that are now separate disciplines among them industrial archaeology name studies family landscape and urban history This is an authoritative account of how local history has come to be one of the most popular and productive intellectual pastimes in our modern society Written by a practitioner who has spent more than twenty years teaching local history to undergraduates and M A students as well as lecturing to local history societies John Beckett is currently Director of the VCH A remarkable book that will be of great interest to students and scholars of local history as well as amateur and professional genealogists

**English Local History** Kate Tiller, 2020 The classic guide to exploring English local history brought up to date and expanded This is a book for anyone wanting to explore local history in England It summarises in an accessible and authoritative way current knowledge and approaches bringing together and illustrating the key sources and evidence the skills and tools the contexts and interpretations for successive periods Case studies show these ingredients in use combined to create histories of people and place over time A standard text since its first edition in 1992 this new edition features extensive fresh material updated to reflect additional availability of evidence changing interpretations new tools and skills not least the use of IT and developments in the time periods and topics tackled by local historians The interdisciplinary character of twenty first century local family and community history is a prominent feature Complemented by 163

illustrations this book offers an unrivalled introduction to understanding and researching local history      **The Woodland Heritage Manual** Ian D. Rotherham, Melvyn Jones, Lindy Smith, Christine Handley (eds), 2011      **Sources for Local**

**Historians** Paul Carter, Kate Thompson, 2005 Many people interested in the history of their town or village want to undertake research into its past and most need to use primary sources sooner or later Nothing quite equates with the thrill of reading first hand a letter diary set of accounts or other records written in the past Some sources such as parish registers and census returns are well known but others are undiscovered treasures This new book introduces the reader to the enormous range of

documents available The authors convey their own enthusiasm for the material and explain the information it can reveal Their unique background working for The National Archives and for local record offices gives them an unrivalled knowledge of archival sources and both of them have used much of this material in their own research The chapters deal with subjects such as the land the people poverty health crime and family life An essential guide for the local or family historian needing to consult original documents     The Local Historian ,2007     "The Life and Times Of..." Researching and Writing American Local History ,     **Shadow and Ghost Woodlands Survey Guide** Ian D. Rotherham,Christine Handley,2013 This short survey guide is an introduction to investigating landscapes looking for shadow and ghost woodlands These are often lost woods which do not appear on maps as woodlands or even have names can be indicators of former land use over hundreds of years The guide results from many years investigating wooded landscapes and has developed specifically from a project begun in 2009 by Professor Ian Rotherham and colleagues In 2012 the project received funding from the Peak District National Park s Sustainable Development Fund to involve volunteers in investigating the local landscape in the eastern Peak District A version of the survey guide was produced for local volunteers This publication brings the work together and illustrates wider issues and applications using some of the information from the project to date There is still much more to do and other areas to investigate The authors hope that this publication will act as both a guide and catalyst for further work

Mason, J. Kent Calder, 2024-06-02 Writing Local History Today guides local historians through the process of researching writing and publishing their work Thomas A. Mason and J. Kent Calder present step by step advice to guide aspiring authors to a successful publication and focus not only on how to write well but also how to market and sell their work Highlights include Discussion of how to identify an audience for your writing project Tips for effective research and planning Sample documents such as contracts and requests for proposals Tips and guidance for working with publishers Discussion of how to use social media to leverage your publication Discussion of the benefits and drawbacks to self publishing The second edition updates literature databases and websites in the field This guide is useful for first time authors who need help with this sometimes daunting process or for previously published historians who need a quick reference or timely tips **The Pursuit of Local History** Carol Kammen, American Association for State and Local History, 1996 In this work readers can discover the role local historians play find out what the experts see as the values of the local history while exploring their theories and see how local history has been practised by those who have dedicated their lives to it **Social History, Local History, and Historiography** Roger C. Richardson, 2011-09-22 This wide ranging volume collects together twelve of the author's longer essays mainly drawn from those first published in the last two decades Chiefly consisting of micro studies of a variety of different aspects of early modern English history the book concerns itself with social and economic change the period of the English Revolution and its long lasting impact with Puritanism with the family as a social institution and with historical consciousness and different forms of historical writing Some of the essays focus on a particular individual not all well known William Camden John Milner and Ralph Dutton to open up a broader theme One boldly attempts a comparison over three

centuries of the evolution of local history as a subject on both sides of the Atlantic Two other essays reach out into the nineteenth and twentieth centuries but do so with echoes of the subject matter of some of those dealing with the early modern period The inter connectedness of social history local history and historiography is stressed and illustrated throughout Both specialists and non specialists will find much to interest them in this varied and rewarding volume

*Encyclopedia of Historians and Historical Writing* Kelly Boyd, 2019-10-09 The Encyclopedia of Historians and Historical Writing contains over 800 entries ranging from Lord Acton and Anna Comnena to Howard Zinn and from Herodotus to Simon Schama Over 300 contributors from around the world have composed critical assessments of historians from the beginning of historical writing to the present day including individuals from related disciplines like Jürgen Habermas and Clifford Geertz whose theoretical contributions have informed historical debate Additionally the Encyclopedia includes some 200 essays treating the development of national regional and topical historiographies from the Ancient Near East to the history of sexuality In addition to the Western tradition it includes substantial assessments of African Asian and Latin American historians and debates on gender and subaltern studies

*The Micro-historian's Guide to Research, Evidence, & Conclusions* Reginald W. Bacon, 2019-09-18 The Micro Historian's Guide to Research Evidence Conclusions imparts useful guidance to motivated historians genealogists special interest researchers and local history enthusiasts As long buried sources become available via the internet more regular folks without a Ph D in history are joining the fun of information gathering and shining new light on under explored history yet often with no foundation of method The author answers the call with this volume paying forward the guidance received from long ago mentors as well as from present day historians and archivists Topics include research planning execution evaluation of evidence formulation of conclusions and the crafting of a summary narrative Each topic is enriched by practical examples from the author's experience The aim is to help the new practitioner build a foundation of research skills that leads to evidence based conclusions The author's perspective of experience as a disciplined researcher but also with roots as a no nonsense old school newspaper reporter occasionally prompts a mild tease of the buttoned down genealogy proof standard or conversely a deflating poke at flabby interpretation and moribund academic writing wherever it may fester The Micro Historian's Guide to Research Evidence Conclusions draws theory from dozens of history genealogy historiography and research giants through the ages The book also pays tribute to that long ago cigar chomping newspaper editor who admonished a young reporter Yer mother sez she loves ya You still gotta check it out

Nearby History David E. Kyvig, Myron A. Marty, 2000 In the Second Edition of Nearby History the authors have updated all chapters introduced information about internet sources and uses of newer technologies as well as updated the appendices

Local History and War Memories in Hokkaido Philip A. Seaton, 2015-07-24 Hokkaido the northernmost island of Japan barely features in most histories of the Second World War However the combination of distinctive war experiences a vibrant set of local historian groups and powerful media organizations disseminating local war history has

generated an identifiable set of local collective memories Hokkaido's status as an early colonial acquisition also makes the island an important vantage point from which to reassess the course and nature of the Japanese Empire This book argues that Hokkaido's experiences of war and its militarized post war constitutes a local case study with a much greater national and international significance on both theoretical and empirical grounds than first impressions might suggest Using Japanese language sources presented for the first time in English and a number of detailed local history case studies it offers a fascinating and hitherto little known perspective on the Second World War It also combines a comprehensive theory of how war memories operate at the local level within a broad historical context that explains Hokkaido's pivotal role within Japanese imperial history Demonstrating that understanding local history and memories is essential for a nuanced understanding of national history and memories the book will be highly valuable to students and scholars of Japanese history Second World War history and Asian history

**Researching Local History** M. Williams, 2014-05-12 This practical but inspiring book considers what local history is why researching it is valuable and rewarding and how we should go about it Issues addressed include getting oral and documentary evidence keeping records the nature of data information and knowledge and their use to create the different products of local history research Michael Williams is both a professional scientist and a local historian of long standing and he uses both sides of his experience in a text that is at once rigorous about the historical process and also a fascinating and often moving account of his adventures into the past of his own family and community He demonstrates local history methodology through his research into ancestry migration work war and religion in the towns and villages of England and Wales It is richly illustrated throughout
