Shimoff,2011-08-18 Following on from New York Times bestseller Happy for No Reason Marci Shimoff introduces a new paradigm of love in LoveFor No Reason describing it as a state of being that doesn't depend on external circumstances When a person experiences love for no reason they don't need to get it from other people the right partner the perfect body or a great job They bring love to the world around them rather than expect love from it In short they aren't looking for love they are love Supported by the latest findings in neuroscience Love For No Reason offers readers breakthrough methods to experience unconditional love in every area of their lives The book begins by defining this new paradigm of love underscoring why there has never been a more important time to cultivate it It then outlines a practical programme to develop and nurture this love from the inside out LoveFor No Reason introduces the groundbreaking concept of the Love Body a positive energy field that encompasses and enriches the body and mind This revolutionary programme is based on the most recent scientific research on the biochemistry of love including cutting edge studies and interviews with experts such as Dr Mehmet Oz In the final section of the book Marci supplies readers with strategies for maintaining unconditional love in the face of everyday challenges in the areas of relationships work and overall health and wellbeing Love: Bondage Or Liberation? Deirdre Johnson,2010 Family psychology *False Love and Other Romantic Illusions* Stan J. Katz,Aimee E. Liu,1988-09-06 The quest for true love appeals to us all and yet the real thing is painfully elusive According to Dr Stan Katz men and women today don't really know what to look for in a mate or even how to love once we find one No one teaches us What's more the images of love we absorb from society the media and popular culture are superficial and misleading The result is false love relationships based on illusions of what we think love should be rather than an appreciation of what it is False Love and Other Romantic Illusions is about the mistakes we all make in love why we make them and how we can correct them Using in depth case histories Dr Katz traces the course of false love from early childhood conditioning to adolescent crushes to adult relationships He shows how our first misconceptions about love lead to mistakes and how mistakes become patterns But the patterns of false love can be broken and Dr Katz points the way with a practical far reaching program for achieving and sustaining true love This timely intelligent book will alter not only the way we seek intimate relationships but the way we live them **Radical Love** Kimberly Soesbee,Donna Lowe,2014-09-25 Relationships marriages and friendships fail every day because of misplaced expectations about love This book is for those who seek to learn what God has to say about love and identify those things that prevent radical life changing love from being a reality in their life The truth is other people do not have to change at all in order for someone to love better The work begins with revival within individual hearts Our culture our families our peers and our own sinful selves do all sorts of things in the name of love Sadly many of these things bear little resemblance to the plan for love that God designed from the beginning of time Men and women who call themselves Christians are walking around with wilted souls broken because they know they are supposed to love like Jesus does but finding themselves inept when it comes to living it out This is not another how to or self help book It is meant to take the

reader through hard work of the soul to destroy the barriers in his or her life that prevent them from loving well We all want to love better We want to be able to love those who are difficult to love This book is a step by step guide to becoming forever changed by God's radical unconditional love [Making Love Grow](#) Lance Webb,1983 *Radical Love* ,2015 **Confusing Love With Obsession** John D Moore,2010-08-04 A must read book for anyone involved in a dangerously obsessive relationship Confusing Love with Obsession is a must read for anyone involved in a dangerously obsessive relationship Fueled by an overwhelming fear of abandonment people involved in obsessive relationships will go to extreme lengths to control their partner Here John D Moore draws from excruciating real life stories and personal experience to reveal the inner workings of obsessive relationships More important Confusing Love with Obsession helps readers develop a new self awareness and healthy relationship free from preoccupation with an object of obsession [How We Love, Expanded Edition](#) Milan Yerkovich,Kay Yerkovich,2017-07-11 Did you know the last fight you had with your spouse began long before you even met Are you tired of falling into frustrating relational patterns in your marriage Do you and your spouse fight about the same things again and again Relationship experts Milan and Kay Yerkovich explain why the ways you and your spouse relate to each other go back to before you even met Drawing on the powerful tool of attachment theory Milan and Kay explore how your childhood created an intimacy imprint that affects your marriage today Their stories and practical ideas help you identify your personal love style understand how your early life impacts you and your spouse break free from painful patterns that keep you stuck find healing for the source of conflict not just the symptoms create the close nourishing relationship you dream about Revised throughout with all new material and additional visual diagrams this expanded edition of How We Love will bring vibrant life to your marriage Are you ready for a new journey of love Note The revised and expanded How We Love Workbook is available separately **The Simple Secret** Joshua Graves,2023 Jesus understanding of love separates him from many of the great religious leaders in world history Jesus believed it was possible to love every person we encounter children partners friends strangers the vulnerable the poor enemies and planet Earth itself The meaning of life is not mysterious after all According to Jesus the purpose of our existence is to love and be loved When we take our last breath our life will be measured by the love we gave to each person we encountered The secret of life it turns out is not a secret at all
