Resolutions Of A Saintly Scholar:

The Outrageous Idea of the Missional Professor, International Edition Paul M. Gould, 2019-06-05 The outrageous idea of this book is that God wants to use professors as professors to reach others transform the academy and meet the needs of the world God is on a mission to redeem and restore this fallen world and as members of one of the most influential institutions in society Christian professors in the university play an important role in that mission Becoming a missional professor will require a clear vision of God's heart for the lost as well as humankind's purpose and calling under the banner of Christ an understanding of the significance of the university as a cultural shaping institution and mission field and a desire for Christian wholeness in a fragmented world This idea is outrageous because many Christian professors struggle to live missionally and need a clear vision of such a life as well as role models to lead the way Many professors already living missional lives need encouragement to excel still more 1 Thess 4:10 We all need God's grace and mercy as we try to faithfully follow Christ within the university Paul M Gould PhD Purdue University teaches philosophy and apologetics at Oklahoma Baptist University and is the founder and president of the Two Tasks Institute D Keith Campbell PhD Southeastern Baptist Theological Seminary is Global Partnerships Vice President at Global Scholars Li Ma PhD Cornell University is Senior Research Fellow at the Henry Institute for the Study of Christianity and Politics at Calvin College Omar Montero PhD Candidate University of Buenos Aires is Associate Professor and Researcher for Undergraduates and Postgraduates in the Architectural and Design Department at the University of Buenos Aires Granville W Pillar PhD University of Newcastle is Associate Professor of Philology at Ferenc R Koczy II Transcarpathian Hungarian Institute Ukraine Osam Edim Temple PhD University of Ibadan is former Professor of Philosophy at the American University of Nigeria and Special Advisor to the Honourable Minister of Niger Delta Affairs Bee Lan C Wang PhD University of Chicago taught at the Science University of Malaysia Northern Illinois University and Wheaton College Illinois The Heart of the Gospel Robert E.
