**Herbert J. Spiro**

## **Responsibility In Government Theory And Practice:**

**Responsibility in Government** Herbert J. Spiro,1969      *Responsibility and Government* George William Jones,1977

**Representative and Responsible Government** A H Birch,2024-06-26 Originally published in 1964 this book remains a seminal source for contemporary political scientists and offers exceptional insights into notions of responsibility Wahlke 1971 describes it as one of the best analytical surveys of representation The book is a compact and critical essay on the British constitution which reveals the realities of British politics in the second half of the 20th Century by showing the extent to which theory and reality agree and differ

**Responsible Government and the Australian Constitution** Benjamin B Saunders,2023-06-15 This book looks at responsible government under the Australian Constitution It undertakes a detailed examination of the history leading to the incorporation of responsible government into the Constitution examining the political history and constitutional ideas which informed the framers views It draws on this history to develop a theory of responsible government and explore its implications for the interpretation of the Constitution and the structure of modern government in Australia The book fills a major gap in our knowledge of the intellectual background of the Australian Constitution by explaining the constitutional ideas that have shaped the text and structure of the Australian Constitution It contributes to worldwide debates about constitutional interpretation by showing how rigorous use of history can lead to novel interpretations of constitutions without being tied to the dead hands of the founders

**Colonial Reformers and Canada, 1830-1849** Peter Burroughs,1969-01-15 During these years of rebellion and political crisis in Canada the traditional political and economic bases of Britain s colonial system were being revised with the coming of free trade and the acceptance of responsible government This collection of documents presents the views of a small influential group of Englishmen on Canadian questions and imperial relations

*Responsible Partisanship?* John Clifford Green,Paul S. Herrnson,2002 More than fifty years have passed since the American Political Science Association published *Toward a More Responsible Two Party System* a controversial report that addressed the lack of national cohesion within the major parties Although parties have changed a great deal since then they remain a critical component of American democracy While the possibilities and limits of responsible party government have been central topics in the literature since 1950 this book is the first to reassess all aspects of the APSA report Here a distinguished group of scholars among them Charles O Jones Barbara Sinclair Frank J Sorauf John Bibby and Gerald Pomper examine the effectiveness accountability and relevance of parties to the democratic process These articles cover all major relevant topics focusing on recent changes in laws that govern parties innovations in party organization party finance and the relationships among political consultants and parties They examine the place of the party in government including chapters on the changing role of parties in Congress and in the presidency and also consider the roles of parties among the electorate examining trends in voting behavior party identification and ideology A capstone essay by Leon Epstein the dean of American party scholars reviews the ongoing quest for responsible

partisanship over the past half century These contributors offer a mixed assessment of the two party system showing that parties are in many respects stronger at the national level than they were in 1950 but not necessarily more responsible The most comprehensive description and analysis of American parties now available Responsible Partisanship should become required reading for all students and citizens concerned with making parties more accountable instruments of government

**Responsible Government** Bureau of Municipal Research (New York, N.Y.),1916      **Responsible Government in the Dominions: The Dominion of Canada** Arthur Berriedale Keith,1928      India's Parliament India. Legislature. Legislative Assembly,1926      **Thinking About Law** Richard Johnstone,Richard Ingleby,2020-07-23 There is more to law than rules robes and precedents Rather law is an integral part of social practices and policies as diverse and complex as society itself Thinking About Law offers a comprehensive introduction to the ways in which law has been presented and represented It explores historical sociological economic and philosophical perspectives on the major legal and political debates in Australia today The contributors examine the position of Aborigines in the Australian legal system and the impact of the Mabo case divisions of power in Australian society and law the question of objectivity in law the relationship between legislation and social change judicial decision making and other issues Accessibly written Thinking About Law is essential reading for students and anyone interested in understanding our legal system      **The Makers of Canada: Lord Sydenham** Duncan Campbell Scott,1910      **The Makers of Canada. [Vol.I-XXIII]** ... ,1911      *The Makers of Canada Series* William Lawson Grant,1926      *The Makers of Canada: Shortt, A. Lord Sydenham* ,1908      *The Makers of Canada* ,1908      Joseph Howe James Wilberforce Longley,1912      The Makers of Canada: Lord Elgin Duncan Campbell Scott,1909      **Lord Sydenham** Adam Shortt,1908      **The Makers of Canada ...: Lord Sydenham** ,1910      **The Spectator** ,1849
