Rest From The Quest:

Sacred Rest Cheryl Wunderlich, 2017-11-21 If only there were more hours in a day Your to do list is beyond taming and your commitments are unavoidable How could you allow yourself to rest in busy times like these What would rest even look like in your life Author Cheryl Wunderlich knows these questions well After years caught up in the whirlwind of family life motherhood work and ministry she couldn't imagine allowing rest for herself until cancer forced her to stop In her crushing battle with exhaustion she began to hear God's still small voice inviting her to hope be restored and to find deep soul quenching rest in Him God's rest was her way back to life These 100 devotions offer prayers Scripture verses personal insights and biblical perspectives on God's loving gift and command to us Rest Be still You can experience both rewarding work and rejuvenating rest Accept God's invitation and taste the welcome relief of a life balanced in His rest *The Saints Everlasting Rest ... The Ninth Edition, Revised by the Author. Ms. Notes* Richard Baxter, 1662 [A History of Rest](#) Alain Corbin, 2024-06-12 Rest occupies a space outside of sleep and alertness it is a form of recuperation but also of preparation for what is to come and is a need felt by human and animal alike Through the centuries different and conflicting definitions and forms of rest have blossomed ranging from heavenly repose to what is prescribed for the modern affliction of burn out What has remained constant is its importance long the subject of art and literature everyone understands the need not to disturb the aimless languishing daydreaming Lotus eater Not viewed simply as an antidote for fatigue for a long time rest was seen as the prelude to eternal life until everything changed in the nineteenth century and society entered the great age of rest At this point the renowned French historian Alain Corbin explains rest took on new therapeutic and leisurely qualities embodied by the new types of human that emerged The modern epicurean frolicked on beaches and soaked up the rays while melancholics were rejuvenated in pristine sanatoria the new temples of rest Paid holidays and a widespread acceptance of the need to build up the strength sapped during work followed while the 1950s became the decade of sea sex and sun This new book as original as Corbin's other histories of neglected aspects of human life pans the long evolution of rest in a highly readable and engaging style *The Saints Everlasting Rest: or, a Treatise of the blessed state of the Saints in their enjoyment of God in glory, etc* Richard Baxter, 1655 *The Saints' Everlasting Rest* Richard Baxter, 1654 *The saints' everlasting rest; The divine life; and Dying thoughts; also, A call to the unconverted; and Now or never.
