Restless Heart Finding Our Spirtual Home In Times Of Loneliness:

The Restless Heart Ronald Rolheiser, 2007-12-18 A thoughtful exploration of loneliness in the tradition of Henri Nouwen s classic Reaching Out Loneliness may be more pervasive now than at any other time in human history Cell phones and instant messaging not withstanding our longing for meaningful connections seems to increase in direct proportion to our accessibility In The Restless Heart Ronald Rolheiser identifies different types of loneliness and discusses the dangers and opportunities they represent in our lives Using contemporary parables from literature film and his own life he shows that loneliness can be a tremendously creative and even valuable force when it is recognized accepted and used as a dynamic catalyst With his trademark clarity of vision honesty and intelligence Rolheiser offers a distinctively Christian approach to living an examined involved life and presents suggestions that will free readers to discover greater meaning and fulfillment in The Book of Womanhood Amy F Davis Abdallah, 2016-06-30 There are many questions that surround their own lives Christian womanhood What does it mean When does it happen at a certain age status or maturity How do we know we re no longer girls And when we ve figured that out how will others know how to recognise us as a woman rather than a girl After all Christian women don't usually get a rite of passage in which they are named a woman Seeing this need Amy Davis Abdallah has created such a rite and this book accompanies it there is no need to go through her rite of passage however to name yourself a woman The Book of Womanhood creates a path through the confusion that surrounds the identity of women by its flexible framework developing the reader s understanding of a woman s relationship with God their self others and creation Amy writes simply as one perhaps further along in her journey of womanhood than most and she doesn t write alone she includes the stories of Biblical women of friends young and old and even more The diverse voices come together as a cloud of witnesses encouraging us in our individual journeys The Book of Womanhood is about recognition reaching out not only to women but also to men who seek to understand and empower their wives daughters and friends to be the women God has formed them to be Read for empowerment read for transformation Read and become the woman of God you were created Transforming Our Painful Emotions: Spiritual Resources in Anger, Shame, Grief, Fear and Loneliness to be Evelyn Eaton Whitehead and James D. Billy CSsR,2019-05-20 This book focuses on Jesus the four last things and their relevance for our lives He has much to teach us about these things Jesus faced death with courage and was raised to new life by the power of his heavenly Father He descended into hell and reached out to those who had alienated themselves from God He promised to return at the consummation of time to judge the living and the dead and to establish the fullness of his kingdom He lives forever in the house of his Father hoping to draw all people to himself and make all things new The book reminds us that for Jesus the four last things are just a prelude to the first things He is the Alpha and Omega the beginning and the end He teaches us to put last things first and first things last The Quick-Reference Guide to Counseling Teenagers Tim Clinton, Chap Clark, 2010-08-01 Youth culture changes rapidly so those in the position to counsel teens often find themselves ill informed and ill prepared to deal with the issues that teens routinely encounter today The Quick Reference Guide to Counseling Teenagers provides the answers It is an A Z guide for assisting people helpers pastors professional counselors youth workers and everyday believers to easily access a full array of information to aid them in formal and informal counseling situations Each of the 40 topics covered follows a helpful eight part outline and identifies 1 typical symptoms and patterns 2 definitions and key thoughts 3 questions to ask 4 directions for the conversation 5 action steps 6 biblical insights 7
