## **Restless Years:**

**Idle Hour Poems** Frank Copp, 2023-10-17 Reprint of the original first published in 1874      **Our Days Are Like Full Years** Harriet Pattison, 2020-10-27 An intimate glimpse into the professional and romantic relationship between Harriet Pattison and the renowned architect Louis Kahn On a winter day in 1953 a mysterious man in a sheepskin coat stood out to Harriet Pattison then a theater student at Yale She would later learn he was the architect Louis Kahn 1901 1974 This chance encounter served as preamble to a fifteen year romance with Pattison becoming the architect's closest confidante his intellectual partner and the mother of his only son Here for the first time Pattison recounts their passionate and sometimes searing relationship Married and twenty seven years her senior Kahn sent her scores of letters many from far flung places until his untimely death This book weaves together Pattison's own story with letters postcards telegrams drawings and photographs that reveal Kahn's inner life and his architectural thought process including new insight into some of his greatest works both built and unbuilt What emerges is at once a poignant love story and a vivid portrait of a young woman striving to raise a family while forging an artistic path in the shadow of her famous partner      **Television Across Europe** Jan Wieten, Graham Murdock, Peter Dahlgren, 2000-12-11 A textbook with 13 chapters by scholars writing from a Western European perspective      **Copycat Television** Albert Moran, 1998 Television programme format transfer is the process whereby the basic idea or ingredient of a programme is used to produce a new version of the programme With Polyglot TV Albert Moran offers a detailed explanation of the process      **Our Famous Women**, 1884      **The Call of the Old Gods** Christopher McIntosh, 2025-05-06 Examines the rise of Paganism in Europe and the U S from the late twentieth century Explores numerous pagan and esoteric practices including Stav a form of Nordic Tai Chi sacred gardening breath work and many seasonal rites rituals and ceremonies Includes rare personal accounts of the author's friendships with pagan luminaries and occult scholars For millions of people the spiritual journey is focused on a God in heaven But what if the answers we are seeking lie in the re enchantment of life In this illuminating work part memoir part meditation scholar and pagan practitioner Christopher McIntosh takes readers on the deeply personal quest that led him to paganism illustrating how forming stronger connections to the world around us awakens the magic that lives within us There was a time when McIntosh believed that a spiritual path should fulfill four centers the soul the mind the heart and the belly He later discovered however that there was a fifth component to this mystical equation the feet The land on which we stand and to which we feel a profound relatedness is the key to wholeness and inner peace These subtle but significant realizations about connection to the land and nature inspired McIntosh and ultimately led to his following of what he calls the Fivefold Path He also recounts pivotal meetings with pagan luminaries and important figures from esoteric scholarship the arts and the occult renaissance of the twentieth century including Colin Wilson Joscelyn Godwin Keith Critchlow and Nicholas Goodrick Clarke as well as offers an evolving portrait of the occult scene of the late twentieth century Woven throughout with examples of seasonal rites and rituals

reflections on sacred gardening and the practice of energetic breath work as well as a deep dive into Stav a form of Nordic Tai Chi this book provides valuable insight into the pagan world as both a field of study and a system of practice     **Science Fiction Audiences** Henry Jenkins, John Tulloch, 2005-07-25 Science Fiction Audiences considers the continuing popularity of two television institutions of our time through an examination of their followers and fans     **The Unexpurgated Beaton** Cecil Beaton, 2007-12-18 Cecil Beaton was one of the great twentieth century tastemakers A photographer artist writer and designer for more than fifty years he was at the center of the worlds of fashion society theater and film The Unexpurgated Beaton brings together for the first time the never before published diaries from 1970 to 1980 and unlike the six slim volumes of diaries published during his lifetime these have been left uniquely unedited Hugo Vickers the executor of Beaton's estate and the author of his acclaimed biography has added extensive and fascinating notes that are as lively as the diary entries themselves As one London reviewer wrote Vickers waspish footnotes are the salt on the side of the dish Beaton treated his other published diaries like his photographs endlessly retouching them but for this volume Vickers went back to the original manuscripts to find the unedited diaries Here is the photographer for British and American Vogue designer of the sets and costumes for the play and film My Fair Lady and the film Gigi with a cast of characters from many worlds Bianca Jagger Greta Garbo David Hockney Truman Capote the Queen Mother and Princess Margaret Mae West Elizabeth Taylor Marlene Dietrich Rose Kennedy and assorted Rothschilds Phippses and Wrightsmans in New York San Francisco Palm Beach Rio and Greece on the Amalfi coast at shooting parties in the English countryside on yachts at garden parties at Buckingham Palace at costume balls in Venice Paris or London Beaton had started as an outsider and developed the power to observe first with his nose pressed up against the glass and then later from within inner circles Vickers has said his eagle eye missed nothing and his diaries are intuitive malicious he took a relish in hating certain figures praising and awestruck Truman Capote once said the camera will never be invented that could capture or encompass all that he actually sees The Unexpurgated Beaton is a book that is not only a great read and wicked fun but a timeless chronicle of our age     *Last Explorer* Simon Nasht, 2012-08 In the tradition of The Ice Master and Endurance here is the incredible story of the first truly modern explorer whose death defying adventures and uncommon modesty make this book itself an extraordinary discovery Hubert Wilkins was the most successful explorer in history no one saw with his own eyes more undiscovered land and sea Largely self taught Wilkins became a celebrated newsreel cameraman in the early 1900s as well as a reporter pilot spy war hero scientist and adventurer capturing in his lens war and famine cheating death repeatedly meeting world leaders like Lenin and Stalin and circling the globe on a zeppelin Apprenticing with the greats of polar exploration including Shackleton in the Antarctic Wilkins recognized the importance of new technologies such as the airplane and submarine He helped map the Canadian Arctic and plumbed the ocean depths from the icecap A pioneer in the truest sense of the word he became the first man to fly across the North Pole which won him a knighthood the first to fly to the Antarctic and discover land there by

airpla and the first to take a submarine under the Arctic ice Grasping the link between the poles and changing global weather Wilkins was a visionary in weather forecasting and the study of global warming A true hero of the earth he changed the way we look at our world     *Joseph E. Johnston* Christian Ditchfield,2013 A biography of a famous general for the South during the Civil War and a representative from Virginia in the United States House of Representatives     Chinese Research Perspectives on the Environment, Volume 1 Dongping YANG,2013-02-28 Chinese Research Perspectives on the Environment formerly The China Environment Yearbook Volume 1 was written and produced by China s first environmental non profit organization Friends of Nature This edition of the book combines two years of reports on China s environment from the view of civil society With a special focus on natural and unnatural disasters the book also covers the themes of pollution and ecological protection urban environmental issues and livability sustainable consumption policy and governance civil society and public participation and China and the world in an environmental perspective In this volume readers are brought up to date on the main environmental issues and events of 2010 and 2011 Beginning in 2010 debris flows landslides and droughts brought about considerable debate on the human factors involved in natural disasters and on China s urban growth mode The concept of urban livability is discussed within the backdrop of the waste and water crises Several environmental incidents including the Bohai Bay oil spill and the chromium slag pollution incident in Qujing are also explored within the book Meanwhile increased public participation and environmental information transparency give reason for hope Other articles include research and analysis on China s investments in Africa its struggling environmental courts public interest litigation the controversial Xiaonanhai dam and others on the Mekong River green supply chains and the PM2.5 debate

*The A to Z of Australian Radio and Television* Albert Moran,Chris Keating,2009-08-04 Australians have become increasingly visible outside of the country as speakers and actors in radio and television their media moguls have frequently bought up foreign companies and people around the world have been able to enjoy such Australian productions as The Flying Doctors Neighbours and Kath and Kim The origins early development and later adaptations of radio and television show how Australia has gone from being a minor and rather parochial player to being a significant part of the international scene The A to Z of Australian Radio and Television provides essential facts and information concerning the Australian radio and television industry This is accomplished through the use of a chronology an introductory essay a bibliography and hundreds of cross referenced dictionary entries on directors producers writers actors television and radio series and television and radio stations     *Francis Bacon* Mark Stevens,Annalyn Swan,2021-03-23 THE TIMES BEST ART BOOK OF THE YEAR FINALIST FOR THE PLUTARCH AWARD AND THE APOLLO AWARD There are not many biographical masterpieces but Mark Stevens and Annalyn Swan have produced one wrote the novelist John Banville of Francis Bacon Revelations By the Pulitzer prize winning authors of de Kooning An American Master this acclaimed biography contains a wealth of never before known details about one of the iconic artists of the 20th century a singularly private darkly funny eruptive man and his

extraordinary art whose iconoclastic charm keeps the pages turning The Washington Post Francis Bacon created an indelible image of mankind in modern times and played an outsized role in both twentieth century art and life from his public emergence with his legendary Triptych 1944 its images so unrelievedly awful that people fled the gallery to his death in Madrid in 1992 Bacon was a witty free spirit and unabashed homosexual at a time when many others remained closeted and his exploits were as unforgettable as his images He moved among the worlds of London s Soho and East End the literary salons of London and Paris and the homosexual life of Tangier Through hundreds of interviews and extensive new research the authors probe Bacon s childhood in Ireland he earned his father s lasting disdain because his asthma prevented him from hunting his increasingly open homosexuality his early design career never before explored in detail the formation of his vision his early failure as an artist his uneasy relationship with American abstract art and his improbable late emergence onto the international stage as one of the great visionaries of the twentieth century In all Francis Bacon Revelations gives us a more complete and nuanced and more international portrait than ever before of this singularly private darkly funny eruptive man and his equally eruptive extraordinary art Bacon was not just an influential artist he helped remake the twentieth century figure **The Soloist** Nicholas Christopher,2006-11-27 At thirty four piano soloist Max Randal has hit a wall It s been four years since his last live performance and his manager is intent on revitalizing his career with a big concert at Carnegie Hall As if that wouldn t be enough for Max to worry about as he struggles to prepare the ghosts of his failed relationships have come to haunt him his first ex wife is dying his second ex wife wants to get back together the mother of his child has taken off for Europe and unexpectedly left him to care for their nine year old and his present girlfriend now wants to get serious Believe it or not the plot only gets thicker Merging dozens of characters and events into a seamless narrative gifted novelist and poet Nicholas Christopher delivers a compelling tale Like an exhilarating performance The Soloist takes you on a brilliant adventure that resonates even once it s over The Wannado Curriculum Ihor Charischak,2015-02-25 The

dynamic classroom is a place where the interaction between teacher and students produces engagement and learning Success depends on what the teacher does how it fits in with the needs of the students and the quality and utilization of resources In The Wannado Curriculum author Ihor Charischak tells how he turned his vision of a dynamic Math 2 0 classroom into a reality Part memoir part teaching tool The Wannado Curriculum offers insight into helping teachers establish a context for creating their own wannado curriculum a project based approach where the context makes the content interesting to students Charischak Describes how growing up as an immigrant in America impacted his learning Tells how he discovered the secret to working with unmotivated students Explores the idea that alternative ways of teaching and learning are the keys to powerful dynamic teaching and learning that motivates students Discusses his experiences in a private child centered school where he used computers to practice the teaching and learning he was excited about Relays how the real life game of craps inspired a reluctant student to ask questions about the mathematical intricacies of the game

Brings to life his experiences with computers in teaching math Details his vision of the dynamic math classroom Introduces Math 2.0 a powerful environment that uses mathematics software and collaborative Web 2.0 tools in a dynamic classroom setting The Wannado Curriculum presents glimpses of what twenty first century math teaching and learning could look like if a student driven and teacher supported method was universally embraced **When Paris Sizzled** Mary

McAuliffe, 2016-09-15 When Paris Sizzled vividly portrays the City of Light during the fabulous 1920s les Années folles when Parisians emerged from the horrors of war to find that a new world greeted them one that reverberated with the hard metallic clang of the assembly line the roar of automobiles and the beat of jazz Mary McAuliffe traces a decade that saw seismic change on almost every front from art and architecture to music literature fashion entertainment transportation and most notably behavior The epicenter of all this creativity as well as of the era's good times was Montparnasse where impoverished artists and writers found colleagues and cafés and tourists discovered the Paris of their dreams Major figures on the Paris scene such as Gertrude Stein Jean Cocteau Picasso Stravinsky Diaghilev and Proust continued to hold sway while others now came to prominence including Ernest Hemingway Coco Chanel Cole Porter and Josephine Baker as well as André Citroën Le Corbusier Man Ray Sylvia Beach James Joyce and the irrepressible Kiki of Montparnasse Paris of the 1920s unquestionably sizzled Yet rather than being a decade of unmitigated bliss les Années folles also saw an undercurrent of despair as well as the rise of ruthless organizations of the extreme right aimed at annihilating whatever threatened tradition and order a struggle that would escalate in the years ahead Through rich illustrations and evocative narrative Mary McAuliffe brings this vibrant era to life Pietro Mascagni and His Operas Alan Mallach, 2002 Just twenty six when the

electrifying premiere of his Cavalleria Rusticana at the Teatro Costanzi in Rome catapulted the impoverished musician into sudden fame and fortune Pietro Mascagni 1863-1945 went on to write fifteen more operas including L'Amico Fritz Guglielmo Ratcliff Iris Parisina and Il Piccolo Marat With privileged access to extensive primary sources including Mascagni's 4,200 letters to Anna Lolli his mistress for more than three decades author Alan Mallach provides a compelling portrait of a flamboyant combative and emotional man who was passionately devoted to the Italian opera tradition and committed to innovation in musical language and dramatic form Deftly combining serious biography with critical commentary Mallach begins with the captivating story of Mascagni's rags to riches adventure from his birth in Livorno in Tuscany to his musical studies first with Alfredo Soffredini and later at the Milan Conservatory to his years as a vagabond musician to the worldwide success of his breakthrough opera He then traces Mascagni's private and professional life after Cavalleria examining a prolific yet controversial career that was forever overshadowed by the work that unexpectedly thrust him into the limelight Mallach provides a full analysis of Mascagni's oeuvre and discusses his complex relationships with such Italian cultural and political figures as Edoardo Sogno Giacomo Puccini Gabriele D'Annunzio Luigi Illica and Benito Mussolini He also thoroughly chronicles Mascagni's bouts with manic depression his marriage to Lina and devotion to their three children his

grueling schedule of concert and operatic tours his patriotism and bitter opposition to Italy's involvement in both world wars and his passionate love affair with Anna Lolli This richly textured biography will appeal to fans of the still beloved and popular Cavalleria and it will introduce opera enthusiasts to the power intensity and melodic beauty of the brilliant composer's many other significant works

**Film Composers in America** Clifford McCarty, 2000 Film Composers in America is a landmark in the history of film Here renowned film scholar Clifford McCarty has attempted to identify every known composer who wrote background musical scores for films in the United States between 1911 and 1970 With information on roughly 20 000 films the book is an essential tool for serious students of film and a treasure trove for film fans It spans all types of American films from features shorts cartoons and documentaries to nontheatrical works avant garde films and even trailers Meticulously researched over 45 years the book documents the work of more than 1 500 composers from Robert Abramson to Josiah Zuro including the first to score an American film Walter C Simon It includes not only Hollywood professionals but also many composers of concert music as well as popular music and other genres whose cinematic work has never before been fully catalogued The book also features an index that lets readers quickly find the composer for any American film through 1970 To recover this history much of which was lost or never recorded McCarty corresponded with or interviewed hundreds of composers arrangers orchestrators musical directors and music librarians He also conducted extensive research in the archives of the seven largest film studios Columbia MGM Paramount RKO 20th Century Fox Universal and Warner Bros and wherever possible he based his findings on the most reliable evidence that of the manuscript scores and cue sheets as opposed to less accurate screen credits The result is the definitive guide to the composers and musical scores for the first 60 years of American film

*Events, Dear Boy, Events* Ruth Winstone, 2012-10-04 Ruth Winstone retells Britain's history through the great diarists of the last century drawing back the curtain on the lives of political classes their doubts ambitions and emotions She moves deftly among those in the thick of it showing the elation anger doubts jealousy joys and fears of people as they record their own and the nation's triumphs and disasters To this potent mix she adds the mordant perceptions of observers like Virginia Woolf Cecil Beaton Peter Hall and Roy Strong and the vivid records of everyday life found in the diaries of otherwise ordinary men and women Events Dear Boy Events reveals Britain's recent past in the words of the actors who were shaping the events of the day This is living real time history
