

The book cover features a stylized illustration in shades of green and yellow. A large, dark green, textured shape, resembling a hand or a wing, dominates the center. It appears to be holding or emerging from a landscape of rolling hills and a winding path. The background is a mix of green and yellow, suggesting a sky or a distant horizon. The overall style is graphic and somewhat abstract.

Smith and he then was called to become Brigham Young's personal scribe. Holy Faces Julie K. Aageson, 2023-12-05

This eclectic, perhaps quirky collection of reflections celebrates a longing to know who we are, who and what God is, and what the world is like. In joy and sorrow, each one mirrors the holiness of life, eliciting reverence for ourselves, the natural world, and the mystery of what it means to be. Each conveys a sense of awe and wonder while pointing beyond mere observation to a deeper and more profound encounter than may first meet the eye. The faces of poets Mary Oliver and Brian Doyle help illumine the natural world. The faces of prophets Brian Blount, Desmond Tutu, and John Lewis inspire engagement and action. Julian of Norwich continues to astound and astonish with her discerning writings and visions. And the Buddha in his last hours admonishes frightened villagers to make of yourselves a light. Readers will be reminded of faces from the recent pandemic and the grief of suicide together with

the joy of new life In faces known and unknown this book honors holy faces that grace our lives These are faces where I see God

Israel's Restoration Is Near John Taylor,2024-01-18 Israel s Restoration Is Near is a book that gives a breakdown of all prophetic events beginning with John the Baptist and ending with America It shows how the United States although not directly referenced in Scripture is God s end time nation that is being used to usher in the ultimate salvation of Israel It describes the prophetic calendar used throughout history and explains how God uses the 490 year period to usher in new events throughout history This book describes how the ancient prophets predicted the fall of Jerusalem and explains how during this fall salvation came to the world to provoke Israel to jealousy and fulfill Scripture Israel s Restoration Is Near shows how the Holy Roman Empire was used to temporarily replace the ancient Israel and rid the world from idol worship It shows how this empire helped the world to transition from an ancient world to the modern world Once modern nations emerged God s prophetic clock and 490 years again began its countdown resulting in a series of events that led to the rebirth of the nation of Israel and the rise of the greatest nation in history America Israel s Restoration Is Near shows that at the end of the 490 year period which began in the Reformation of 1517 the time line for America s demise also began in 2007 and the birth of Islamic movement began which would ultimately lead to the Gog and Magog war and not the rapture The book shows according to Scripture that period of Antichrist and tribulation occurs one thousand years before Gog and Magog During this prophetic countdown unlike the typical prophetic interpretations the world is being prepared for as Scripture predicts the deliverer salvation of Israel and a temporary period of peace that would lead to the Gog and Magog war
