Restoring A Loving Marriage:

Restoring a Loving Marriage Jay Kesler, 1993-03 Author and host of the radio program Family Forum Dr Kesler now presents a timely discussion of some foundational ideas that provide the basis for the restoration of Christian marriages to what not only pleases God but the marriage partners as well Love Never Fails Daniel Tiburcio, Dolores Tiburcio, 2021-02-19 Love Never Fails is a powerful testimony of God healing a broken marriage His Word comes alive as you read about this couples recovery journey God transforms them into servant leaders in Celebrate Recovery and Marriage Ministry Daniel and Dolores meet in junior high school then go steady in the 50s Eventually they marry and have two beautiful children As their young married lives unfold dysfunction and pain raise their ugly heads in the form of alcoholism and codependency The years pass kids leave home and their empty nest reveals resentment and a slow fade of the love they once had for one another Years of separation turn into divorce Dolores reaches out to her church for comfort and Daniel continues his party life and addiction However God has a plan and his timing is always perfect When Daniel hits bottom and hears God's voice he shows up at church and begins a miraculous recovery journey The next miracle happens when God restores their marriage union at their home church Their wedding party consists of Family their grown kids grandkids great grandson and many more The Amorous Restoration Andrew J. Counter, 2016 When Louis XVIII returned to the throne in 1814 and again in 1815 France embarked upon a period of uneasy cohabitation between the old and the new The writers of the age who included Chateaubriand Stendhal Balzac and Mme de Duras agreed that they lived at a historical turning point a transitional moment whose outcome though still uncertain would transform the French way of life beginning with the French way of love The literary works of the Bourbon Restoration ceaselessly return to the themes of love sex and marriage partly as vital cultural questions in their own right but also as a means of critiquing the deficiencies of past regimes negotiating the politics of the present and imagining the shape of the political future In the literature of the Restoration love and politics become entwined in a mutually metaphorical embrace The Amorous Restoration the first book in English devoted to literary and cultural life under the last Bourbon kings considers this relationship in all its richness and many contradictions Long neglected as a drab historical backwater the Restoration emerges here as a vibrant era one rife with sharp cultural and political disagreements and possessed of an especially refined sense of allusion discretion and even humour Drawing on literature journalism political writing life writing and gossip The Amorous Restoration vividly recreates the erotic sensibilities of a pivotal moment in the transition from an amorous old regime to erotic and political modernity *Marriage Restored* ,
