Goeglein, Craig Osten, 2019-07-02 THIS IS NO TIME TO RUN AND HIDE America seems to be crumbling from within Having abandoned the Judeo Christian values that are the foundation of its culture our nation in the eyes of many is going the way of the great civilizations of the past If our 250 year experiment in ordered liberty has really run its course is it time to recognize the inevitable pack up our families and head for the hills hunkering down through the dark days to come Or is there hope for an American restoration Tim Goeglein and Craig Osten battle hardened veterans of the culture wars know as well as anyone that the decadence is undeniable But they make the case that an American restoration is not only possible but probable if we act now The key is for Christians to engage with the culture not flee from it to be the salt and light that will renew it from within That engagement must take place especially at the local level where real spiritual and cultural transformation occurs If America returns to its spiritual foundations the tumultuous times we live in will be nothing more than a bumpy detour in our nation s history This book is a roadmap for the way back In this clear eyed but hopeful guide to restoration Goeglein and Osten explain how patriotic Americans with God s help can renew fifteen critical components of our culture Government will not provide the solutions we desperately need The solutions lie in our churches our communities and our homes The light for our path is faith As that light pierces the darkness America will experience a reawakening regeneration and renewal      *Protecting and Restoring America's Great Waters: The Long Island Sound* United States.
