

Restructuring Schooling for the Future:

➤ ...10 key points for a “knowledge-driven school”

➤ ...

7. *Shared and powerful knowledge is a foundation for a just and sustainable democracy. Citizens educated together share an **understanding of the common good**.*
8. *It is fair and just that all children should have access to this knowledge. **Powerful knowledge opens doors**: it must be available to all children.*
9. ***Accepted adult authority** is required for shared knowledge transmission. The teacher's authority to transmit knowledge is given and valued by society.*

Restructuring Schooling:

Restructuring Schooling Joseph Murphy, Philip Hallinger, 1993-03-16 The editors of this volume aim to help educators make better decisions about their efforts at restructuring by showing what has and has not worked in some of the most widely known experiments Because the programmes examined have been in place for several years the cases offer richness of detail and a wealth of ideas This book s insights and practical detail will benefit educators both in schools and at district level as well as students and academics in the field *Restructuring High Schools for Equity and Excellence* Valerie E.

Lee, Julia Smith, 2001 This book demonstrates empirical links with achievement and investigates how restructuring relates to school size teachers attitudes toward students and how teachers press their students to work hard and succeed Race, Class, and Power in School Restructuring Pauline Lipman, 1998-02-26 Explores the intersection of two central issues in American education today school reform through restructuring and alienation from school of many children of color A tough look at the impact of teachers and administrators beliefs and practices **The Practice and Theory of School**

Rist, 2017-09-08 Structured schools free schools graded schools ungraded schools no schools at all the conflicts over public education in America rage on for contemporary schools have not lived up to our expectations The essence of the criticism reflected in the essays in this volume is that America s dual educational goals free inquiry and social mobility are not being met Instead of producing enlightened citizens capable of high social and economic mobility our schools have become warehouses of children stored as commodities docile and immobile **Handbook on Restructuring and Substantial**

School Improvement Herbert J. Walberg, 2007-08-01 Published in cooperation with The Center on Innovation Improvement As suggested by the title the purpose of this Handbook on Restructuring and Substantial School Improvement is to provide principles for restructuring and substantially improving schools Sponsored by the U S Department of Education the Center on Innovation Improvement CII engaged leading experts on restructuring and school improvement to prepare modules for this handbook to assist states districts and schools in establishing policies procedures and support to successfully restructure schools The Handbook is organized into three sections The topic of the Handbook s modules restructuring with a focus on the district as the impetus for dramatic improvement is relatively new in the nation s education history For this reason the module authors were selected because they are highly experienced experts in their fields and can be counted on to judiciously weigh the less than definitive evidence and to state useful guiding principles **Changing American**

Education Kathryn M. Borman, Nancy P. Greenman, 1994-01-01 This book examines social changes affecting education amplifies case studies of school change and analyzes the gap between the rhetoric and reality of educational reform

Resources in Education, 1998 International Handbook of Educational Change Andy Hargreaves, A. Lieberman, M. Fullan, D.W. Hopkins, 2014-11-14 The International Handbook of Educational Change is a state of the art collection of the most important ideas and evidence of educational change The book brings together some of the most influential thinkers and writers on educational change It deals with issues like educational innovation reform restructuring culture building inspection school review and change management It asks why some people resist change and what their resistance means It looks at how men and women older teachers and younger teachers experience change differently It looks at the positive aspects of change but does not hesitate to raise uncomfortable questions about many aspects of educational change either It looks critically and controversially at the social economic cultural and political forces that are driving educational change School leaders system administration teacher leaders consultants facilitators educational researchers staff developers and change agents of all kinds will find this book an indispensable resource for guiding them to both classic and cutting edge understandings of educational change no other work provides as comprehensive coverage of the field of educational change
