Resurgent Lithuania, 1998 *Ekspresinformacija apie naujus spaudinus, išėjusius Lietuvoje*, 1998 **Resurgence**, 1970 **Lithuania**, 1994 *The Baltic Nations and Europe* John Hiden, Patrick Salmon, 2014-01-14 Of all the Soviet Union's subject nationalities the three Baltic republics Estonia Latvia and Lithuania were the most determined and best organised in seizing the opportunities created by glasnost and perestroika to win freedom from Moscow's grip At the time of first publication in 1991 the final section of the book was speculative Now for this revised edition the authors have provided a new final chapter which brings the story up to date and the three republics to political independence again *Bibliografijos žinios*, 1998 *The New Great Transformation?* Christopher Bryant, Edmund Mokrzycki, 2002-11-01 This timely and assured book provides an essential guide to one of the biggest social political and economic developments of our time **Economic and Business Review for Central and South-Eastern Europe**, 1999 *Revolution and Change in Central and Eastern Europe* Andrew Goldman, 2016-09-16 A comprehensive introduction to the nations of Central and Eastern Europe over a half century of turbulent change from post war subjugation by the Soviet Union to both shared and divergent experiences of post Communist transition to free market democracies **Institutions and Economic Development** Bryan Cheang, Tom G. Palmer, 2023-04-29 This book is a survey of the field of development studies from a political economy perspective It first reviews the academic literature on development and highlights the fundamental importance of institutions and social values over and above other alternative theories as determinants in long run development In this context the book draws from the works of Nobel Laureates Douglass North F A Hayek and Elinor Ostrom and argues that the ingredients of property rights the rule of law and market freedoms are essential in generating socio economic progress Successful reforms however are not simply a function of constructing formal institutions but must cohere with the social values norms and cultural commitments of local communities It is in this spirit that the book theorises on the oft neglected role that political entrepreneurs play in driving endogenous institutional change Specifically this book integrates the theoretical discussion on market driven development with a range of case studies from around the world featuring the bottom up efforts of local change agents to pursue institutional reforms and changes in social opinion **Revolution and Change in Central and Eastern Europe** Minton F. Goldman, 1997-01-15 A comprehensive analysis of the progress and problems of post communist development attending to aspects of transition in the region as a whole and to specific issues in Albania Bulgaria the Czech and Slovak Republics East Germany Hungary Poland Rumania and Yugoslavia Goldman political science Northeastern U diagrams the commonalities of development and the diversity of the various countries rejection of communism setting forth the difficulties in moving from communist monolithic authoritarianism to pluralistic democracy coping with threats to progress and stability and the international implications of these transitions Paper edition 758 5 32 95 Annotation copyrighted by Book News Inc Portland OR **Central and South-Eastern Europe 2004** Europa Publications, 2003 Comprises a general survey of the

region country surveys political profiles of the region and information on international and regional organizations and research institutes **Christina, Queen of Sweden** Veronica Buckley, 2005-09-27 Not unlike the elusive figure played by Greta Garbo the real Queen Christina stood among the most flamboyant and controversial figures of the seventeenth century All of Sweden could not contain her ambition or quench her thirst for adventure Freed from her crown she cut a breathtaking path across Europe spending madly seeking out a more majestic throne and stirring up trouble wherever she went With a dazzling narrative voice and unerring sense of the period Veronica Buckley goes beyond historical myth to breathe life into an extraordinary woman who set the world on fire and became an icon of her age a time of enormous change when Europe stood at the crossroads of religion and science antiquity and modernity war and peace This P S edition features an extra 16 pages of insights into the book including author interviews recommended reading and more **Congressional Record** United States. Congress, 1993 **Bulletin of the Atomic Scientists** , 1994-01 The Bulletin of the Atomic Scientists is the premier public resource on scientific and technological developments that impact global security Founded by Manhattan Project Scientists the Bulletin s iconic Doomsday Clock stimulates solutions for a safer world **Jewish Affairs** , 1952
