**Resurrection, His and Ours** David Arnold Dean, 1977

**Resurrection: His and Ours** David Dean, 2020-09-26

Resurrection His and Ours is Dr Dean's landmark publication and showcased him as the premier Advent Christian theologian of his day. Although Dr Dean's specialty was apologetics, Resurrection His and Ours is not a defense of Advent Christian theology. Instead, he presents the doctrines of the Advent Christian church as articulated in its Declaration of Principles. This exposition presented the Principles thematically using a theology of resurrection as the organizing principle. In the first section, Dr Dean examines the doctrines the denomination holds in common with evangelical Christianity, focusing on Christ's resurrection as central. The second section covers the denomination's distinctive doctrines of the return of Christ, the sleep of the dead, conditional immortality, and the earth as the location of the eternal kingdom. These doctrines focus on the believers' resurrection at Christ's return. This book demonstrates Dr Dean's conviction that loyalty to the authority of the Bible is the foundation for all the doctrines Advent Christians hold; these doctrines not because they are popular but rather because they find them grounded in the plain language of scripture.

**Dead Men Talking** Thomas S. Warren II, 2005. This book is an absolute MUST for every serious student of the Word of God and should be required reading for every prospective minister. Rev. Dr. J. Ronald Schoolcraft, Advent Christian Church, Jacksonville, Florida. Dead Men Talking is a clear and simple biblical guide for everyone who seeks to understand the real meaning of life and death. A pastor for more than thirty years, Thomas S. Warren II allows the Scriptures to speak for themselves. The most natural teachings of the Bible, he says, reveal a distinct difference between God's Word and popular traditions. Using the Bible as his guide in separating biblical truth from cultural consensus and fact from fiction, Warren examines such contemplative questions as: Will there be a Second Coming? What is resurrection? What really happens when we die? What is eternal life? To help readers further explore these and other important questions, Warren has incorporated a study guide that lends hands-on practicality to the ideas and issues covered in his book. If you are ready to search for answers, even if it means questioning everything you've ever learned, then Dead Men Talking is the perfect companion on your journey to spiritual discovery.

**Standing on the Promises** Andrew J. Rice, 2019-03-20

Only eternity will tell of the lives who were changed and blessed by the faithful service of Steve Brown and Wes Ross. As lifelong friends, colleagues in ministry, and co-founders of the Berkshire Institute for Christian Studies (BICS), Steve Brown and Wes Ross have pointed many students to the truth of God's Word and urged them to take hold of His precious promises. On the occasion of their retirement from leadership at the institute, friends, colleagues, mentors, and students have teamed up to honor their legacy. The essays in this volume are built upon the same theological foundation so instrumental to the success of BICS, a foundation that has as its cornerstone the blood-bought promises of our faithful God. Friends, family, colleagues, and students will be heartened by this tribute to two men who have sacrificed greatly for the kingdom of God. More importantly, all who read this book will be encouraged to continue standing on the promises of God.
