Did Jesus Rise from the Dead? Matthew Levering, 2019-02-07
The Resurrection of Jesus is at the very root of Christian faith without belief in Jesus Christianity dies In this thought provoking work Matthew Levering defends the credibility of the claim that Jesus rose from the dead Drawing on the work of N T Wright Levering shows that the historical evidence vindicates this assumption and reveals that the Gospels were backed by eyewitnesses who were living and telling their stories even during the time of the writing of the Gospels The author also emphasises the importance of evaluating the Old Testament to validate Jesus Resurrection By highlighting the desire both in the ancient world and now to make the Resurrection more comprehensible by spiritualizing it Levering argues that the fact that the disciples themselves did not do this provides a further clue to reliability Finally the author addresses the question of why Jesus does not continue to show himself in his glorified flesh after his resurrection which is often seen as a strong case for scepticism However he shows that Jesus entire mission is predicated upon helping us to avoid cleaving to the present world over God He is leading us to where he is the kingdom of God the beginning of the new creation at the Father s right hand By developing these arguments for the historical reality of Jesus Resurrection this ground breaking study expertly draws together historical and theological reasons for believing that Jesus Resurrection happened

Quiet Time Poems
David Edwin Hall, 2014-11-06 Every day there are treasures to be discovered by anyone who will honestly come to hear the voice of the Savior in his Word The Lord Jesus indicates that there is an added blessing for those who will write down the insights he gives by his instruction Every scribe which is instructed unto the kingdom of heaven is like unto a man that is an householder which bringeth forth out of his treasure things new and old Matthew 13 52 The poems in this book are the result of going to the Bible each day with an expectation that God has something very valuable to say That expectation has NEVER been disappointed Our risen Lord said I stand at the door and knock If any man hears My voice and opens the door I will come into him and will sup with him and he with Me Revelation 3 20 This intimate two way communion with God is offered to

all those who have received the Lord Jesus Christ John 1 12 and thereby have received not the spirit of the world but the Spirit which is of God that we might know the things that are freely given to us by God 1 Corinthians 2 12 My prayer is that God may use this book for his glory for the encouragement of his own children and for the persuasion of those who may yet be awakened to their need of our Savior Blessed is the man that heareth Me watching daily at My gates waiting at the post of My doors Proverbs 8 34 Heaven is waiting Don t miss it for the world

THE GOSPEL OF JOHN Original Version - Volume I translated by James David Audlin, 2014-02 The only narrative about Jesus by eyewitnesses this is also one of the world s greatest literary works The unfinished text was spirited off to Sinope when the author was sent into exile Even there the hand of Rome nearly destroyed it Rescued 35 years later the

author's spiritual heirs published it. While in Sinope some pages got lost or disordered. After publication various editors changed the manuscript repeatedly to suit the changing doctrines of early Christianity even adding spurious new material. Thus the standard text is an inspiring mess but still a mess. This translation restores not the unfinished original text but the masterpiece the author sought to compose: a first-hand account of a real man sent to urge humanity to accept God's will set down before doctrine repackaged him as an incarnate deity. Volume One contains the carefully restored text and a history of the gospel. Volume Two includes commentaries that burnish this masterpiece for the modern reader.
