2. COMMODIFYING CARE

For Love nor Money
The Commodification of Care

Deborah Stone

American politics has long engaged a lively debate about whether care can and should be commodified. The debate starts with rather more narrow economic questions: Is care a commodity and can it be produced and distributed like one? Should people who do informal, voluntary caregiving be paid for their efforts as they would be for other kinds of work? Should people who need or want caretaking have to purchase it like any other service? The term "commodification" usually refers to this economic sense. But the debate moves swiftly into the realm of politics: Is care a political good, and should it be organized like one?

In the political sense, commodification engages three issues. First, should society pay families for caregiving? That is, is it ever proper or necessary to pay parents and grandparents for raising their children, pay spouses for caring for each other, or pay adult children and grandchildren for caring for their elders?

Second, should caregiving count toward meeting the obligations of citizenship? This would mean that in the public economy, personal caregiving could be exchanged for public protection, in the same way that in the private market, personal paid labor can be exchanged for private and public protections. Should public income support programs such as public assistance, Social Security, and health insurance, credit caregiving in the same way they now credit paid work toward eligibility for membership in these collective social safety nets?

Third, is care itself a basic human need, like income, food, and shelter, that ought to be collectively guaranteed to citizens at some minimum

Rethinking Commodification

Harvard Law Review

Rethinking Commodification:

Rethinking Commodification Martha Ertman, Joan C. Williams, 2005-08 In a world that is often ruled by buyers and sellers those things that are often considered priceless become objects to be marketed and from which to earn a profit

Choreographing Copyright Anthea Kraut, 2016 Choreographing Copyright Provides a historical and cultural analysis of U S based dance makers investment in intellectual property rights In a series of case studies stretching from the late nineteenth century to the early twenty first the book reconstructs dancers efforts to win copyright protection for choreography and teases out their raced and gendered politics **Harvard Law Review** Harvard Law Review, 2013-06-10 The Harvard Law Review is offered in a digital edition featuring active Contents and URLs linked notes and proper ebook formatting The contents of Issue 8 include Article Racial Capitalism by Nancy Leong Essay Shallow Signals by Bert I Huang Book Review All Unhappy Families Tales of Old Age Rational Actors and the Disordered Life by Ariela R Dubler Book Review Lawyers Law and the New Civil Rights History by Risa Goluboff Note Recasting the U S International Trade Commission s Role in the Patent System Note Juvenile Miranda Waiver and Parental Rights Note The Province of the Jurist Judicial Resistance to Expert Testimony on Eyewitnesses as Institutional Rivalry Note Proposing a Locally Driven Entrepreneur Visa In addition the issue features student commentary on Recent Cases including such subjects as Illinois s ban on public carry of firearms bookmarking of infringing material as a copyright violation causation and criminals statutory restitution free movement rights in the EU local bottling and the dormant commerce clause and binding unnamed class members with a denial of class action certification Finally the issue includes notes on Recent Publications as well as a comprehensive Index to Volume 126 2012 2013 *You'll Do* Marcia A. Zug, 2025-01-07 Zug s wry clear eyed history of American marriage shines a new light on an old institution An absolute pleasure Liz Scheier author of *Never Simple* An illuminating and thought provoking examination of the uniquely American institution of marriage from the Colonial era through the present day Perfect for fans of Rebecca Solnit and Rebecca Traister Americans hold marriage in such high esteem that we push people toward it reward them for taking part in it and fetishize its benefits to the point that we routinely ignore or excuse bad behavior and societal ills in the name of protecting and promoting it In eras of slavery and segregation Blacks sometimes gained white legal status through marriage Laws have been designed to encourage people to marry so that certain societal benefits could be achieved the population would increase women would have financial security children would be cared for and immigrants would have familial connections As late as the Great Depression poor young women were encouraged to marry aged Civil War veterans for lifetime pensions The widely overlooked problem with this tradition is that individuals and society have relied on marriage to address or dismiss a range of injustices and inequities from gender and race based discrimination sexual violence and predation to unequal financial treatment One of the most persuasive arguments against women s right to vote was that marrying and influencing their husband s choices was just as meaningful if not better

Through revealing storytelling Zug builds a compelling case that when marriage is touted as the solution to such problems it absolves the government and society of the responsibility for directly addressing them Buying a Bride Marcia A. Zug, 2016-06-07 There have always been mail order brides in America but we haven't always thought about them in the same ways In Buying a Bride Marcia A Zug starts with the so called Tobacco Wives of the Jamestown colony and moves all the way forward to today's modern same sex mail order grooms to explore the advantages and disadvantages of mail order marriage It's a history of deception physical abuse and failed unions It's also the story of how mail order marriage can offer women surprising and empowering opportunities Drawing on a forgotten trove of colorful mail order marriage court cases Zug explores the many troubling legal issues that arise in mail order marriage domestic abuse and murder breach of contract fraud especially relating to immigration and human trafficking and prostitution She tells the story of how mail order marriage lost the benign reputation it enjoyed in the Civil War era to become more and more reviled over time and she argues compellingly that it does not entirely deserve its current reputation While it is a common misperception that women turn to mail order marriage as a desperate last resort most mail order brides are enticed rather than coerced Since the first mail order brides arrived on American shores in 1619 mail order marriage has enabled women to improve both their marital prospects and their legal political and social freedoms Buying A Bride uncovers this history and shows us how mail order marriage empowers women and should be protected and even encouraged Baby Markets Michele Goodwin, 2010-02-26 Creating families can no longer be described by heterosexual reproduction in the intimacy of a couple's home and the privacy of their bedroom To the contrary babies can be brought into families through complex matrixes involving lawyers coordinators surrogates brokers donors sellers endocrinologists and without any traditional forms of intimacy In direct response to the need and desire to parent men women and couples gay and straight have turned to viable alternative means baby markets This book examines the ways in which Westerners create families through private market processes From homosexual couples skirting Mother Nature by going to the assisted reproductive realm and buying the sperm or ova that will complete the reproductive process to Americans travelling abroad to acquire children in China Korea or Ethiopia market dynamics influence how babies and toddlers come into Western families Michele Goodwin and a group of contributing experts explore how financial interests aesthetic preferences pop culture children's needs race class sex religion and social customs influences the law and economics of baby markets *The Ethics of Military Privatization* David M. Barnes, 2016-08-25 This book explores the ethical implications of using armed contractors taking a consequentialist approach to this multidisciplinary debate While privatization is not a new concept for the US military the public debate on military privatization is limited to legal financial and pragmatic concerns A critical assessment of the ethical dimensions of military privatization in general is missing More specifically in light of the increased reliance upon armed contractors it must be asked whether it is morally permissible for governments to employ them at all To this end this book explores four areas that

highlight the ethical implications of using armed contractors how armed contractors are distinct from soldiers and mercenaries the commodification of force the belligerent equality of combatants and the impact of armed contractors on the professional military While some take an absolutist position wanting to bar the use of private military altogether this book reveals how these absolutist arguments are problematic and highlights that there are circumstances where turning to private force may be the only option Recognising that outsourcing force will continue this book thus proposes some changes to account for the problems of commodification belligerent equality and the challenge to the military profession This book will be of interest to students of private security military studies ethics security studies and IR in general *Not for Sale* Gordon Laxer, Dennis Soron, 2006-01-01 A thorough and challenging book Maude Barlow National Chairperson Council of Canadians

The Pop Theology of Videogames Lars Wildt, 2025-10-01 Young people in the West are more likely to encounter religion in videogames than in places of worship like churches mosques or temples Lars de Wildt interviews developers and players of games such as Assassin's Creed to find out how and why the Pop Theology of Videogames is so appealing to modern audiences Based on extensive fieldwork this book argues that developers of videogames and their players engage in a Pop Theology through which laymen reconsider traditional questions of religion by playing with them Games allow us to play with religious questions and identities in the same way that children play at being a soldier or choose to play house This requires a radical rethinking of religious questions as no longer just questions of belief or disbelief but as truths to be tried on compared and discarded at will **The Elgar Companion to Social Economics, Second Edition** John B. Davis, Wilfred

Dolfsma, 2015-05-29 Social economics is a dynamic and growing field that emphasizes the key roles social values play in the economy and economic life This second edition of the Elgar Companion to Social Economics revises all chapters from the first edition and adds impo

Families, Relational Attachments, and the Law of Collaborative Family-Making Pamela Laufer-Ukeles, 2024-08-26 This book points to a crisis at the heart of modern family law's treatment of collaborative family making gamete contributions surrogate motherhood adoption functional parenthood foster care and kin caregiving Born of inequality and anchored by exclusivity and secrecy the dominant legal framework governing collaborative family making focuses on the acquisition of collaborative services by legal and intended parents without expecting or fostering any lasting bonds between them This acquisitional framework is starkly disconnected from empirical accounts of the lived experience of collaborations which demonstrate complex and ongoing relational attachments that extend beyond a transactional moment At the intersection of law and sociology the book is to account for relational realities that fail to conform to neat legal categories of parent and stranger asking How should the law reflect the complex interconnections between families and family making collaborators Should collaborators be treated as legal strangers Who is impacted by the lack of legal status possessed by family making collaborators Who benefits and who loses Ultimately this is a work of optimism that seeks to facilitate family making collaborations in more ethical ways by insisting that family law recognize and support family making collaborators It

introduces a bold new legal framework of interconnection and guides the reader in implementing practical legal and contractual changes that promote human dignity uphold children's right to identity and support ongoing relational attachments with adults who are fundamental to children's lives The volume provides deep and accessible insight into families and family law for legal practitioners academics students and laypersons interested in family making collaboration

Encyclopedia of Consumption and Waste Carl A. Zimring, William L. Rathje, Consulting Editor, 2012-02-27 Archaeologists and anthropologists have long studied artifacts of refuse from the distant past as a portal into ancient civilizations but examining what we throw away today tells a story in real time and becomes an important and useful tool for academic study Trash is studied by behavioral scientists who use data compiled from the exploration of dumpsters to better understand our modern society and culture Why does the average American household send 470 pounds of uneaten food to the garbage can on an annual basis How do different societies around the world cope with their garbage in these troubled environmental times How does our trash give insight into our attitudes about gender class religion and art The Encyclopedia of Consumption and Waste explores the topic across multiple disciplines within the social sciences and ranges further to include business consumerism environmentalism and marketing to comprise an outstanding reference for academic and public libraries

Emerging Issues in Tort Law Jason W Neyers, Erika Chamberlain, Stephen G.A. Pitel, 2007-05-29 In this book articles by leading tort scholars from Australia Canada Hong Kong Israel New Zealand the United Kingdom and the United States deal with important theoretical and practical issues that are emerging in the law of torts The articles analyse recent leading developments in areas such as economic negligence causation vicarious liability non delegable duty breach of statutory duty intentional torts damages and tort law in the family They provide a foretaste of the issues that will face tort law in the near future and offer critical viewpoints that should not go unheeded With its rich breadth of contributors and topics *Emerging Issues in Tort Law* will be highly useful to lawyers judges and academics across the common law world Contributors Elizabeth Adjin Tettey Kumaralingam Amirthalingam Peter Benson Vaughan Black Peter Cane Erika Chamberlain Israel Gilead Paula Giliker Rick Glofcheski Lewis N Klar QC Michael A Jones Richard Lewis John Murphy Jason W Neyers Ken Oliphant David F Partlett Stephen GA Pitel Denise Reaume Robert H Stevens Andrew Tettenborn Stephen Todd Shauna van Praagh Stephen Waddams David R Wingfield Richard W Wright

Our Bodies, Whose Property? Anne Phillips, 2013-07-21 An argument against treating our bodies as commodities No one wants to be treated like an object regarded as an item of property or put up for sale Yet many people frame personal autonomy in terms of self ownership representing themselves as property owners with the right to do as they wish with their bodies Others do not use the language of property but are similarly insistent on the rights of free individuals to decide for themselves whether to engage in commercial transactions for sex reproduction or organ sales Drawing on analyses of rape surrogacy and markets in human organs *Our Bodies Whose Property* challenges notions of freedom based on ownership of our bodies and argues against the

normalization of markets in bodily services and parts Anne Phillips explores the risks associated with metaphors of property and the reasons why the commodification of the body remains problematic What she asks is wrong with thinking of oneself as the owner of one's body What is wrong with making our bodies available for rent or sale What if anything is the difference between markets in sex reproduction or human body parts and the other markets we commonly applaud Phillips contends that body markets occupy the outer edges of a continuum that is in some way a feature of all labor markets But she also emphasizes that we all have bodies and considers the implications of this otherwise banal fact for equality Bodies remind us of shared vulnerability alerting us to the common experience of living as embodied beings in the same world Examining the complex issue of body exceptionalism *Our Bodies Whose Property* demonstrates that treating the body as property makes human equality harder to comprehend

Generic Jeremy A. Greene, 2014-10-27 The turbulent history of generic pharmaceuticals raises powerful questions about similarity and difference in modern medicine Generic drugs are now familiar objects in clinics drugstores and households around the world We like to think of these tablets capsules patches and ointments as interchangeable with their brand name counterparts why pay more for the same And yet they are not quite the same They differ in price in place of origin in color shape and size in the dyes binders fillers and coatings used and in a host of other ways Claims of generic equivalence as physician historian Jeremy Greene reveals in this gripping narrative are never based on being identical to the original drug in all respects but in being the same in all ways that matter How do we know what parts of a pill really matter Decisions about which differences are significant and which are trivial in the world of therapeutics are not resolved by simple chemical or biological assays alone As Greene reveals in this fascinating account questions of therapeutic similarity and difference are also always questions of pharmacology and physiology of economics and politics of morality and belief *Generic* is the first book to chronicle the social political and cultural history of generic drugs in America It narrates the evolution of the generic drug industry from a set of mid twentieth century schlock houses and counterfeiters into an agile and surprisingly powerful set of multinational corporations in the early twenty first century The substitution of bioequivalent generic drugs for more expensive brand name products is a rare success story in a field of failed attempts to deliver equivalent value in health care for a lower price Greene's history sheds light on the controversies shadowing the success of generics problems with the generalizability of medical knowledge the fragile role of science in public policy and the increasing role of industry marketing and consumer logics in late twentieth century and early twenty first century health care

Sex and the contract Vincenzo Zeno-Zencovich, 2015-10-01 DOI 10.13134/9788897524458

Gender, Law and Justice in a Global Market Ann Stewart, 2011-08-25 Theories of gender justice in the twenty first century must engage with global economic and social processes Using concepts from economic analysis associated with global commodity chains and feminist ethics of care Ann Stewart considers the way in which gender contracts relating to work and care contribute to gender inequalities worldwide She explores how economies in the global north stimulate desires

and create deficits in care and belonging which are met through transnational movements and traces the way in which transnational economic processes discourses of rights and care create relationships between global south and north African women produce fruit and flowers for European consumption body workers migrate to meet deficits in affect through provision of care and sex British Asian families seek belonging through transnational marriages

Law and Economics for Civil Law Systems Mackaay, Ejan, 2021-11-18 This second edition of Law and Economics for Civil Law Systems substantially updates a unique work that presents the core ideas of law and economics for audiences primarily familiar with civil law systems

Economic Torts and Economic Wrongs John Eldridge, Michael Douglas, Claudia Carr, 2021-09-23 This book explores contemporary issues in respect of causes of action which operate to protect a plaintiff's economic interests It examines the question from across the spectrum of private law Focusing mainly on common law principles it looks in particular at the treatment of such causes of action in the United Kingdom Australia Canada Singapore as well as other common law jurisdictions Addressing both theoretical and doctrinal issues this important book will appeal to both private law scholars and practitioners

The Role of Informal Economies in the Post-Soviet World Colin C. Williams, John Round, Peter Rodgers, 2013-06-19 Based on extensive ethnographic and quantitative research conducted in Ukraine and Russia between 2004 and 2012 this book's central argument is that for many people the informal economy such as cash in hand work subsistence production and the use of social networks is of great importance to everyday life Formal work is both a facilitator of such processes and is often supported by them as people can only afford to undertake low paid formal work as a result of their informal incomes By looking at the informal nature of formal work and practices informal practices gift giving volunteer work and the economies of the household the book is one of the first to give an overview of the nature of the informal economy in all spheres of everyday practice

The Enthralling World of Kindle Books: A Detailed Guide Unveiling the Pros of Kindle Books: A World of Convenience and Versatility Kindle books, with their inherent portability and simplicity of availability, have freed readers from the limitations of hardcopy books. Gone are the days of lugging cumbersome novels or carefully searching for specific titles in shops. Rethinking Commodification Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to

historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Rethinking Commodification free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Rethinking Commodification free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Rethinking Commodification free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Rethinking Commodification. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Rethinking Commodification any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Rethinking Commodification Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before

making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Rethinking Commodification is one of the best book in our library for free trial. We provide copy of Rethinking Commodification in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Rethinking Commodification. Where to download Rethinking Commodification online for free? Are you looking for Rethinking Commodification PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Rethinking Commodification. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Rethinking Commodification are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Rethinking Commodification. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Rethinking Commodification To get started finding Rethinking Commodification, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Rethinking Commodification So depending on what exactly you are searching, you will be able tochoose ebook to suit your own need. Thank you for reading Rethinking Commodification. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Rethinking Commodification, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some

harmful bugs inside their laptop. Rethinking Commodification is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Rethinking Commodification is universally compatible with any devices to read.
