Rethinking Nationalism:

Rethinking Nationalism Jonathan S. Hearn, 2020-06-29 This is an innovative and interdisciplinary introduction to the study of nationalism The author uses paired chapters first to present the work of key authors in relation to each of a set of key themes primordialism modernism power and culture and then critically to rethink these core concepts **Rethinking Nationalism** Jocelyne Couture, Kai Nielsen, Michel Seymour, 1998 In the last two decades nationalism has become a multiform and complex phenomenon which no longer seems to correspond to the accounts given previously by sociologists political scientists and anthropologists Students of nationalism now face the daunting task of renewing their subject matter This formidable volume of seventeen essays and an extensive Introduction and Afterword by the very capable editors contains some of the most innovative samples of present reflection on this contentious subject Moreover contributions are from a variety of disciplines from different parts of the world often reflecting very different ways of thinking about nationalism and sometimes reflecting very different methodologies substantive beliefs and underlying interests **Rethinking Nationalism and Ethnicity** Hans-Rudolf Wicker, 1997-10 While there has been a spate of books concerned with race and ethnicity in Europe more specifically this timely volume offers a broader perspective and positions issues of identity ethnicity multiculturalism xenophobia regionalism and ethnonationalism within the wider contexts of trans and supranationalism With the weakening of welfare states and the homogenizing influences of globalization nations within both Eastern and Western Europe are discovering that the battlefield of political action is being redefined and as a result emotional alliances threaten to bypass the democratic systems of the past Offering fresh insights that are both empirically and theoretically informed this book illuminates the processes and consequences of these new developments In particular it reviews Marx's Durkheim's and Simmel's theories on nationalism and national identity and presents case studies of Belgium Italy's Northern League right wing intellectual production in Russia and much more **National Identity as an Issue of Knowledge and Morality** N. Z. Chavchavadze, N. V. Chavchavadze, Gia Nodia, Paul Peachey, 1994 **Rethinking Nationalism** Jonathan Hearn, 2006-04-13 Two key textbooks for the study of nationalism **Rethinking Nationalism in the Arab Middle East** James P. Jankowski, I. Gershoni, 1997 The fourteen original essays in this volume explore the psychological political and cultural bases of Arab nationalism since World War I and are arranged around broad themes of study academic constructions of nationalist history nationalist presentations of Arab histories conflict among competing nationalist visions and more

Rethinking Nationalism and Ethnicity Hans-Rudolf Wicker, 2020-12-17 While there has been a spate of books concerned with race and ethnicity in Europe more specifically this timely volume offers a broader perspective and positions issues of identity ethnicity multiculturalism xenophobia regionalism and ethnonationalism within the wider contexts of trans and supranationalism With the weakening of welfare states and the homogenizing influences of globalization nations within both Eastern and Western Europe are discovering that the battlefield of political action is being redefined and as a result

emotional alliances threaten to bypass the democratic systems of the past Offering fresh insights that are both empirically and theoretically informed this book illuminates the processes and consequences of these new developments In particular it reviews Marx s Durkheim s and Simmel s theories on nationalism and national identity and presents case studies of Belgium Italy s Northern League right wing intellectual production in Russia and much more *The Limits of Nationalism* Chaim Gans,2003-02-13 A radical new perspective on the demands made in the name of cultural nationalism *Printing Class* R. Michael Bracy,2011 This book explores the manners and challenges in which alternating constructions of national identity were articulated in the writings of Issa al Issa and his newspaper Filastin The time period under consideration will be limited to Issa s work between 1911 and 1931 *Bound by Distance* Pasquale Verdicchio,1997 Bound by Distance takes its place among a growing body of scholarship the goal of which is to challenge the kind of thinking that reproduces the West as a stable and homogenous political and discursive entity The Italian nation with its peculiar process of formation the continuous tensions between its own northern and southern regions and its history of emigration provides an important case for complicating and reassessing concepts of national racial economic and cultural dominance The author analyzes the interactive space of the history of Italian state formation Italian subaltern literature Italian emigrant writing and the current situation of North African and Asian immigrants to Italy in order to contest the feigned homogeneity of the Italian nation and to complicate and reassess concepts of national racial economic and cultural dominance Rethinking Nationalism Jocelyne Couture,Kai Nielsen,Michel Seymour,2000 **Nationalisms Old and New** Kevin J. Brehony,Naz Rassool,2016-01-07 Nationalism is a collection of papers from the British Sociological Association conference Worlds of the Future The central themes of the conference were ethnicity and nationalism in the contemporary world Older discourses on national sovereignty and statehood are evaluated in terms of their validity within a world increasingly defined by transnational integration and global economic competition **Everyday Arab Identity** Christopher Phillips,2013 Whether through government propaganda or popular transnational satellite television channels Arab citizens encounter a discourse that reinforces a sense of belonging to their own state and a broader Arab world on a daily basis Looking through the lens of nationalism theory this book examines how and why Arab identity continues to be reproduced in today s Middle East and how that Arab identity interacts with strengthening ties to religion and the state Drawing on case studies of two ideologically different Arab regimes Syria and Jordan Christopher Phillips explores both the implications this everyday Arab identity will have on western policy towards the Middle East and its real life impact on international relations Offering an original perspective on this topical issue this book will be of interest to academics and practitioners working on the Arab world and political affairs as well as students of International Relations Political Science and the Middle East notably Syria and Jordan and policymakers in the region **Arabic Language and National Identity** Yasir Suleiman,2019-08-07 No detailed description available for The Arabic Language and National Identity **Routledge Handbook of Middle East Politics** Larbi Sadiki,2020-03-31

Drawing on various perspectives and analysis the Handbook problematizes Middle East politics through an interdisciplinary prism seeking a melioristic account of the field Thematically organized the chapters address political social and historical questions by showcasing both theoretical and empirical insights all of which are represented in a style that ease readers into sophisticated induction in the Middle East It positions the didactic at the centre of inquiry Contributions by forty four scholars both veterans and newcomers rethink knowledge frames conceptual categories and fieldwork praxis Substantive themes include secularity and religion gender democracy authoritarianism and new borderline politics of the Middle East Like any field of knowledge the Middle East is constituted by texts authors and readers but also by the cultural spatial and temporal contexts within which diverse intellectual inflections help construct write speak academic meaning knowing and practice By denaturalizing notions of singularity of authorship or scholarship the Handbook plants a dialogic interplay animated by multi vocality multi modality and multi disciplinarity Targeting graduate students and young scholars of political and social sciences the Handbook is significant for understanding how the Middle East is written and re written read and re read epistemology methodology and for how it comes to exist ontology

Writing the Nation Stefan Berger, 2007-07-12 This book brings together experts on national history writing from all five continents to discuss the role of history in the making of national identities in a transnational and comparative way The institutionalization and professionalisation of history writing is analysed in the context of history s increasing nationalization

Nationalism and Ethnic Conflict Nenad Mišćević, 2000 This collection of essays approaches the problems and strengths of nationalism from a number of philosophical perspectives The contributors craft a definition of nation nationalism that emphasizes the cultural and sociopolitical ties uniting members of a country rather than merely their place of origin

A Century of Arab Politics Bruce Maddy-Weitzman, 2015-12-16 From the Great Arab Revolt against Ottoman rule in World War I to the upheavals of the Arab Spring this text analyzes a century of modern Arab history through the lens of three intertwined notions the idea of a single Arab nation the reality of multiple Arab states and the competition between them over both concrete and symbolic interests These concepts are presented against the background of Great Power involvement in the region regional issues such as the Arab Israeli conflict and the Iran Iraq war and the rise of political Islam The evolution of regional Arab politics is examined from its infancy at the beginning of the 20th century to the profound challenges posed by the upheavals of the Arab Spring and through the emergence of multiple Arab states organized under the League of Arab States the pan Arab heyday of Gamal Abdel Nasser between 1955 and 1967 and the subsequent consolidation of a multi polar Arab state system This history highlights the changing nature of modern Arab identity the achievements and shortcomings of Arab state formation processes and the influence of enduring communal tribal religious and ethnic identities on the modern Arab order Altogether these factors help explain contemporary Arab realities and why the Arab nationalist dream of achieving power and prosperity in line with an idealized image of the past has proven elusive This failure in turn has fueled both the recent upheavals and

limited the prospects for successful outcomes This broad and readable synthesis covers the political economic social and cultural history of the Arab region By reexamining what being Arab means today politically and culturally it will be a valuable text to students seeking to understand the modern Middle East **Law and Identity in Mandate Palestine** Assaf Likhovski,2006 One of the major questions facing the world today is the role of law in shaping identity and in balancing tradition with modernity In an arid corner of the Mediterranean region in the first decades of the twentieth century Mandate Palestine was confront World Class William Gaudelli,2014-04-04 Reports on and analyzes how teachers and students in three high schools have engaged in global education Intended to help social studies educators reflect on their own thinking and practice
