South Asia in World Politics Devin T. Hagerty, 2005-03-11 South Asia in World Politics offers a comprehensive introduction to the politics

and international relations of South Asia a key area encompassing the states of Afghanistan Bangladesh Bhutan India the Maldives Nepal Pakistan and Sri Lanka While U S interest has long been sporadic and reactive 9 11 alerted Washington that paying only fitful attention to one of the world s most volatile and populous regions was a recipe for everyday instability repeated international crises major and minor wars and conditions so chronically unsettled that they continue to provide a fertile breeding ground for transnational Islamic terrorism Exploring the many facets of this dynamic region the book also assesses U S policy toward Afghanistan and explains the importance of Bangladesh and Pakistan two of only a handful of Islamic states with significant track records as democracies

Eurasia in Balance Ariel Cohen, 2017-11-28 Offering a comprehensive overview of the security dynamics of an under analyzed region of the world Central Asia and South Caucasus this volume contains contributions from leading experts who examine policies of the major players in the region including Russia China India Iran and Turkey The volume incorporates thematic chapters which detail economic and security analyses in the post September 11th era It will appeal to both the academic and reference audiences and to the broader scholarly market in the disciplines of foreign policy international security Eurasian studies and peace and conflict studies

Natural Allies?: Regional Security in Asia and Prospects for Indo-American Strategic Cooperation , 2005 Indo American relations increasingly comprise expanded strategic and economic ties India s government led by Prime Minister Manmohan Singh has stated its intention to intensify these ties with America Clearly the Bush administration agrees For example President Bush has indicated his intention to sustain the gains achieved since 2001 as a priority Prime Minister Singh has invited the President to India President Bush has indicated his intention to go there leading Indian analysts to expect that What we are going to see is a consolidation of Indo U S ties on a range of strategic issues We may see a greater emphasis on economic ones as well The Bush administration is prepared to make a major offer of arms sales to India This deal has many repercussions across the entire range of Indo American relationships and of India s relationships with a host of important foreign governments like Russia China Pakistan and Israel Undoubtedly a reinforcement of the economic foundations of bilateral amity would be desirable for many reasons This book length monograph seeks to illuminate India s rising power and capabilities with regard to the key regions on its periphery the Persian Gulf Central Asia and South East Asia The author also considers the major issues pertaining to India s bilateral defense agenda with the United States By revealing the dimensions of India s growing capabilities and interests he provides a strategic rationale developing the U S India partnership further

Pakistan's War on Terrorism Samir Puri, 2012-02-20 This book examines Pakistan s strategies in the war against Islamist armed groups that began late 2001 following the 9 11 attacks The significance of the war inside Pakistan can hardly be understated Starting in the tribal territories adjacent to Afghanistan Pakistan s war has come to engulf the majority of the country through a brutal campaign of suicide bombings Thousands of Pakistani lives have been lost and the geostrategic balance of the region has been thrown into deep uncertainty Pakistan s War on Terrorism is an account of a decade long war

following the 9 11 attacks that is yet to be chronicled in systematic fashion as a campaign of military manoeuvre and terrorist reprisal It is also an analytic account of Pakistan s strategic calculus during this time both in military and political terms and how these factors have been filtered by Pakistan s unique strategic culture This text will be of great interest to students of Asian Politics Terrorism and Political Violence and Security Studies in general The Politics of Counterterrorism in India Prem Mahadevan,2011-12-18 In the wake of the Mumbai terrorist attacks in November 2008 terrorism and counterterrorism in India became the focus of international regional and national attention Here Prem Mahadevan by using three case studies of Sikh separatist Kashmiri separatist and pan Islamist groups focuses on the efforts of India s decision makers and intelligence agencies to create coherent and effective counterterrorism policies and actions Questioning why Sikh separatist groups have been effectively contained and yet pan Islamists have not Mahadevan draws the conclusion that due to a gap between the expectations of decision makers and the capabilities of strategic intelligence agencies India s ability to prevent terrorist attacks has been undermined In addition the role played by Pakistan s intelligence agencies in the border regions is given extensive analytical treatment Combining a theoretical approach with empirical analysis of India s counterterrorist activities this book holds valuable information for those examining strategy making and counterterrorism practitioners as well as researchers in addition to those interested in the politics of India **Parameters** ,2003 Strategic Yearbook 2018 P K Singh,B K Sharma,Roshan Khanijo,2018-06-27 There is a widespread perception amongst the intelligentsia that India lacks strategic culture The deficiency if any perhaps lies in the reluctance to articulate India s perceptions on strategic issues as also to formulate a long term strategic view As the oldest think tank in Asia United Services Institution of India USI decided to address the above issue and how it could contribute to evolution and dissemination of strategic thought on challenges facing the Nation To this end the publication of a USI Strategic Yearbook 2016 which was the maiden attempt which received wide appreciation for its quality and contents This current issue of the Yearbook contains series of articles by eminent persons and experts on various aspects of national security the aim is to provide a strategic perspective which will create awareness and also help the policymakers in giving a strategic direction for India to transform into a developed society and a secured nation USI hope s that readers will find this publication useful and interesting **Strategic Year Book 2020** B K Sharma,G S Katoch,Dr. Roshan Khanijo,2020-06-30 The USI of India Strategic Year Book 2020 continues upon the Year Books we have published since 2016 and which have been widely appreciated The book provides comprehensive researched articles on contemporary security studies by knowledgeable Indian strategic thinkers and scholars both from the military and civil field The articles deal with security issues covering international and domestic affairs presented in five thematic sections titled National Security Overview Internal Security Environment Pakistan China Strategic Challenge India s Strategic Neighbourhood and National Security Capacity Building The articles look at new challenges and responses to the existing paradigm of India s national security They deal with the complete landscape of this

area of study and contribute to security studies in fields of international relations geo politics changes in the character of war technology organisational changes and internal security threats and responses They empower the reader to carry out further research on strategic studies The Year Book provides an increased upstream focus on defence and security policy practice for military civilian administrative and political leadership and further empowers them in making considered decisions It will also be of great interest to those researching strategic and security issues

Strategic Culture and Ways of War

Lawrence Sondhaus,2006-08-21 A much needed survey and synopsis of literature on strategic culture and ways of war It clearly shows how national strategies and approaches to warfare are to a significant extent culturally determined The concept of national ways of war dates from the 1930s when Basil H Liddell Hart theorized that there was a British Way in Warfare The concept of strategic culture dates from the 1970s when Jack Snyder introduced it to explain why leaders of the Soviet Union did not behave according to rational choice theory These ideas have gained wide acceptance among historians of international politics and warfare and remain controversial for political scientists seeking general or universal theoretical understanding of such subjects Because political scientists have focused on strategic culture and historians on ways of war this work will greatly benefit both audiences and provide each with valuable exposure to the ideas of the other

Conflict Between India and Pakistan

Peter Lyon,2008-10-02 This up to date encyclopedia examines the conflict between India and Pakistan from Independence to the present day with an authoritative treatment that presents the issues evenhandedly and from both countries perspectives Tensions between India and Pakistan are deeply rooted Many go back to 1947 or earlier when with the partitioning of the provinces of Punjab and Bengal British India was succeeded by two independent countries a primarily Hindu India and a Muslim Pakistan Subsequently the two countries have fought three wars and come close to open war several other times especially over Kashmir Conflict Between India and Pakistan begins with a discussion of the partition of India and those who figured prominently in it notably Mohammed Ali Jinnah Clem Attlee the last viceroy Admiral Louis Mountbatten and Jawaharlal Nehru Then in a series of evenhanded carefully crafted portraits it describes the people political parties foreign and domestic policies and economic religious and cultural pressures that have played a role in the conflicts between these nations from 1947 to the present

Nationbuilding, Gender and War Crimes in South Asia

Bina D'Costa,2012-07-26 This book gives a detailed political analysis of nationbuilding processes and how these are closely linked to statebuilding and to issues of war crime gender and sexuality and marginalization of minority groups With a focus on the Indian subcontinent the author demonstrates how the state itself is involved in the construction of a gendered identity and how control of women and their sexuality is central to the nationbuilding project She applies a critical feminist approach to two major conflicts in the Indian subcontinent the Partition of India in 1947 and the Liberation War of Bangladesh in 1971 and offers suggestions for addressing historical injustices and war crimes in the context of modern Bangladesh Addressing how the social and political elites were able to construct and legitimize a history of the state that ignored these issues the

author suggests a critical re examination of the national narrative of the creation of Bangladesh which takes into account the rise of Islamic rights and their alleged involvement in war crimes Looking at the impact that notions of nation state and nationalism have on women from a critical feminist perspective the book will be an important addition to the literature on gender studies international relations and South Asian politics *Nuclear Deterrence in Southern Asia* Arpit Rajain,2005-05

This important and topical book examines the triangular relationship of China India and Pakistan through the prism of nuclear deterrence The author highlights the interplay and role of strategic culture nuclear weaponisation and deployment command and control arms control non state actors and foreign policy issues which affect relations between the three countries With two main purposes a conceptual investigation into the notion of deterrence and a study of the theory and practice of limited war this book addresses the strategic political and military dimensions of the role of nuclear weapons through examples of the only cases of nuclear weapon states having gone into armed conflict the Cuban missile crisis the Ussuri river clashes and the Kargil conflict discusses the various pressures exerted on decision makers in the context of the notions of deterrence the rational deterrence model and a limited war under a nuclear umbrella evaluates all three countries with regard to their strategic culture the role of nuclear weapons in their military strategy the nature of public opinion and political rhetoric responses to the various arms control treaties and foreign policy choices Based on a variety of sources including interviews with key individuals in various sector this is the first book length study of the triangular relationship between China India and Pakistan **Natural Allies?** Stephen Blank,2005 **The Upside of Down** Thomas Homer-Dixon,2010-04-16

Environmental disasters Terrorist wars Energy scarcity Is this the world s fate a downward spiral that ultimately spells the collapse of society Perhaps says acclaimed author Thomas Homer Dixon or perhaps these crises can actually lead to renewal for ourselves and planet earth The Upside of Down takes the reader on a mind stretching tour of societies management or mismanagement of disasters over time From the demise of ancient Rome to contemporary climate change this spellbinding book analyzes what happens when multiple crises compound to cause what the author calls synchronous failure But crisis doesn t have to mean total calamity Through catagenesis or creative bold reform in the wake of breakdown it is possible to reinvent our future Drawing on the worlds of archeology poetry politics science and economics The Upside of Down is certain to provoke controversy and stir imaginations across the globe The author s wide ranging expertise makes his insights and proposals particularly acute as people of all nations try to grapple with how we can survive tomorrow s inevitable shocks to our global system There is no guarantee of success but there are ways to begin thinking about a better world and The Upside of Down is the ideal place to start thinking US Policy Towards the Muslim World M. Saleem Kidwai,2010

By all accounts the overall relationship between the US and the Muslim world is marked by confrontation at several levels In the aftermath of 9 11 a great deal needs to be done to build bridges between America and the Muslim world A broad and immediate shift in America s policies towards the Muslim world is necessary What is the

appropriate paradigm for the war on terrorism How should the US now deal with authoritarian regimes considered its traditional allies in the Muslim world How should the US deal with civil society opposition parties and other Islamist groups often located within these friends and allies How can the US maintain a close alliance with Israel while still continuing positive relations with Muslim states and movements US Policy Towards the Muslim World seeks to find answers to these and similar questions The volume is comprised of fourteen contributions from specialists in the field It is a serious attempt to address and analyze key factors affecting US interests and suggests measures for the US policy makers The main objective is to provide a policy framework that will enable the US to face the challenges posed and Opportunities thrown open in the Muslim world Book jacket *Pakistan* C. Christine Fair, Keith Crane, Christopher S. Chivvis, Samir Puri, Michael Spirtas, 2010-04-13 The authors exposit likely developments in Pakistan's internal and external security environment over the coming decade assess Pakistan's national will and capacity to solve its problems especially those relating to security describe US interests in Pakistan and suggest policies for the US government to pursue in order to secure those interests
