Rethinking Military History

Jeremy Black

Rethinking Military History:

Rethinking Military History Jeremy Black, 2004 This volume re positions military history at the beginning of the 21st century Jeremy Black reveals the main trends in the practice and approach to military history and proposes a new manifesto for the subject to move forward

Rethinking Military History Jeremy Black, 2004-09-02 Rethinking Military History is a bold new thought book that reconsiders military history at the beginning of the twenty first century The chapters provide a valuable and concise survey of the main themes in the study of military history from 1500 to the present day as Jeremy Black reveals the main trends in the practice and approach to mili

Introduction to Global Military History Jeremy Black, 2006-09-27 Completely unique in its global scope this major text does what no other book in the field does provides students with an excellent account of modern military history with analysis of strategy as well as tactical and operational developments in the field of war Carefully written by a highly renowned author this book has been widely praised by American and UK reviewers for its astonishing grasp of detail and its encyclopedic knowledge Arranged chronologically it spans the American War of Independence through the French Revolution right up to the latest conflicts in the 2000s Specially designed to be user friendly Introduction to Global Military History offers chapter introductions and conclusions to assist study and revision voices of war sourced extracts from the field of war case studies in each chapter to support the narrative and provoke discussion vivid engravings plans paintings and photos to bring the conflicts alive a twelve page colour map section plus twenty one other integrated maps annotated references from the latest publications in the field Jeremy Black covers all aspects of military conflict masterfully combining the study of tactics and war strategy with the social cultural and political consequences of war

Introduction to Global Military History Jeremy Black, 2005-05-13 This is a full to bursting textbook for all students of modern military history Unique in its global scope the book uses case studies chapter introductions and up to date research and covers all aspects of the major modern conflicts

Rethinking World War Two Jeremy Black, 2015-01-29 History is both the past and our accounts of the past In Rethinking World War Two Jeremy Black explores the contesting accounts and interpretations of the war critically examining the leading controversies surrounding the conflict its aftermath and its ongoing significance in the modern world The first half of the book considers controversies surrounding the course of the war with chapters looking at the importance of military history the causes of the war politics and grand strategy and domestic politics The second half goes on to consider the memory of the war and its echoes in political and military spheres with chapters devoted to the memory of the war in Europe and in Asia A detailed further reading section provides guidance on how to take study of various topics further Rethinking World War Two is unique in offering a survey of both the events of the conflict and the various debates surrounding its memory It will be an invaluable resource for any student of World War Two particularly those seeking a better understanding of its continuing legacy in the postwar world

Beyond the Military Revolution Jeremy Black, 2011-04-01 The seventeenth century has long been seen as a

period of crisis or transition from the pre modern to the modern world This book offers a chance to explore this crisis from the perspective of war and military institutions in a way that should appeal to those doing global history By placing 17th century warfare in a global context Black challenges conventional chronologies and permits a reappraisal of the debate over what has been seen as the Military Revolution of the early modern period The book discusses war with regard to strategic cultures assesses military capability in terms of tasks and challenges faced and attaches styles of warfare to their social and political contexts Genuinely global in range this up to date and wide ranging account provides fresh historiographical insights into this crucial period in world history

Spain at War James Matthews, 2019-04-18 Spain's principal and most devastating war during the 20th century was unusually for most of Europe an internal conflict During the Spanish Civil War of 1936 to 1939 two competing armies the insurgent and counterrevolutionary Nationalist Army and the Republican Popular Army engaged in a conflict to impose their version of Spanish identity and the right to shape the country's future In its aftermath Francoist Spain remained on a war footing for the duration of the Second World War In spite of the unabated flood of books on the Spanish Civil War and its consequences historians of Spain in the 20th century have focused relatively little on the interaction of society and culture and their roles in wartime mobilization Spain at War addresses this omission through an examination of individual experiences of conflict and the mobilization of society This edited volume acknowledges the agency of low ranking individuals and the impact of their choices upon the historical processes that shaped the conflict and its aftermath In doing so this new military history provides a more complex and nuanced understanding of Spain's most intense period of wartime cultural mobilization between the years 1936 to 1944 and challenges traditional political accounts of the period

Fighting for the King and the Gods Charlie Trimm, 2017-10-30 The most up to date sourcebook on warfare in the ancient Near East Fighting for the King and the Gods provides an introduction to the topic of war and the variety of texts concerning many aspects of warfare in the ancient Near East These texts illustrate various viewpoints of war and show how warfare was an integral part of life Trimm examines not only the victors and the famous battles but also the hardship that war brought to many While several of these texts treated here are well known i.e. Ramses II's battle against the Hittites at Qadesh others are known only to specialists This work will allow a broader audience to access and appreciate these important texts as they relate to the history and ideology of warfare Features References to recent secondary literature for further study Early Greek and Chinese illustrative texts for comparisons with other cultures Indices to help guide the reader

New Approaches to Greek and Roman Warfare Lee L. Brice, 2020-02-11 Uses new methodologies evidence and topics to better understand ancient warfare and its place in culture and history New Approaches to Greek and Roman Warfare brings together essays from specialists in ancient history who employ contemporary tools and approaches to reveal new evidence and increase knowledge of ancient militaries and warfare In depth yet highly readable this volume covers the most recent trends for understanding warfare militaries soldiers non combatants and their roles in ancient cultures Chronologically

organized chapters explore new methodologies evidence and topics while offering fresh and original perspectives on recent documentary and archaeological discoveries Covering the time period from Archaic Greece to the Late Roman Empire the text asks questions of both new and re examined old evidence and discusses the everyday military life of soldiers and veterans Chapters address unique topics such as neurophysiological explanations for why some soldiers panic and others do not in the same battle Greek society's handling of combat trauma in returning veterans the moral aspects and human elements of ancient sieges medical care in the late Roman Empire and the personal experience of military servicemembers and their families Each chapter is self contained to allow readers to explore topics in any order they prefer This book Features case studies that examine psychological components of military service such as morale panic recovery and trauma Offers discussions of the economics of paying for warfare in the Greek and Roman worlds and why Roman soldiers mutinied Covers examining human remains of ancient conflict including interesting photos Discusses the role of women in families and as victims and addresses issues related to women and war Places discussions in the broader context of new wave military history and includes complete bibliographies and further reading suggestions Providing new material and topical focus New Approaches to Greek and Roman Warfare is an ideal text for Greek History or Roman History courses particularly those focusing on ancient warfare as well as scholars and general readers with interest in the ancient militaries

War in the Modern World, 1990-2014 Jeremy Black, 2014-09-15 In *War in the Modern World 1990-2014* Jeremy Black looks at the most modern of conflicts from the perspective that war is a central feature of the modern world Arguing that understanding non Western developments is crucial if the potential of Western war making is to be assessed accurately the book also asserts that knowing the history of conflict can only help future generations Black argues for the need to emphasise the variety of military circumstances as well as the extent to which the understanding of force and the definitions of victory and defeat are guided by cultural assumptions War has a multi faceted impact in the modern world and this book shows its significance As the latest volume in the Warfare and History series this title takes a global and historical perspective on modern warfare enabling the reader to approach familiar conflicts through a new analytical framework This book is an invaluable resource for all students of the history of modern warfare

War , *European Warfare in a Global Context, 1660-1815* Jeremy Black, 2007-02-12 This original book presents a global approach to eighteenth century warfare Emphasis is placed on the importance of conflict in the period and the capacity for decisiveness in impact and development in method Through this Jeremy Black extends the view beyond land to naval conflict *European Warfare in a Global Context* offers a comparative approach in the sense of considering Western developments alongside those elsewhere furthermore it puts emphasis on conflict between Western and non western powers This approach necessarily reconsiders developments within the West but also offers a shift in emphasis from standard narrative of the latter This book is the ideal study of warfare for all students

The Martial Imagination Jimmy L. Bryan, 2013-10-01 Martial experiences and the mythologies that surround them have

profoundly affected the ways in which Americans think of themselves Wars identify the heroes who help define national character provide the stories for the grand narratives of belonging and sacrifice and serve as markers for essential moments of transformation However only in the last several years have scholars begun using the term cultural history of American warfare to identify the study of how public discourse formulates these defining myths and narratives This volume brings together scholarship from diverse fields in a common mission to demonstrate the usefulness and significance of studying the cultural history of American warfare The Martial Imagination Cultural Aspects of American Warfare canvasses the American war experience from the Revolution to the War on Terror examining how it infuses legitimacy and conformity with an urgency that contorts ideas of citizenship nationhood gender and other pliable categories The multidisciplinary scholarship in this volume represents the varied perspectives of cultural history American studies literary criticism war and society media studies and public culture analysis illustrating the rich dialogues that epitomize the cultural history of American warfare Bringing together both recognized and emerging scholars this book is the first anthology to feature essays on this topic comprising research from twelve authors who represent a wide range of experiences and disciplines Their work uncovers new and surprising understandings of the American war experience that reveal the ways in which culture makers have grappled with the trauma of war salvaged meaning from the meaningless or advanced some ulterior agenda *Aspects of Violence in Renaissance Europe* Dr Jonathan Davies,2013-09-28 Interest in the history of violence has increased dramatically over the last ten years and recent studies have demonstrated the productive potential for further inquiry in this field The early modern period is particularly ripe for further investigation because of the pervasiveness of violence Certain countries may have witnessed a drop in the number of recorded homicides during this period yet homicide is not the only marker of a violent society This volume presents a range of contributions that look at various aspects of violence from the fourteenth to the seventeenth centuries from student violence and misbehaviour in fifteenth century Oxford and Paris to the depiction of war wounds in the English civil wars The book is divided into three sections each clustering chapters around the topics of interpersonal and ritual violence war and justice and the law Informed by the disciplines of anthropology criminology the history of art literary studies and sociology as well as history the contributors examine all forms of violence including manslaughter assault rape riots war and justice Previous studies have tended to emphasise long term trends in violent behaviour but one must always be attentive to the specificity of violence and these essays reveal what it meant in particular places and at particular times **Aspects of Violence in Renaissance Europe** Jonathan Davies,2016-04-08 Interest in the history of violence has increased dramatically over the last ten years and recent studies have demonstrated the productive potential for further inquiry in this field The early modern period is particularly ripe for further investigation because of the pervasiveness of violence Certain countries may have witnessed a drop in the number of recorded homicides during this period yet homicide is not the only marker of a violent society This volume presents a range of contributions that look at

various aspects of violence from the fourteenth to the seventeenth centuries from student violence and misbehaviour in fifteenth century Oxford and Paris to the depiction of war wounds in the English civil wars The book is divided into three sections each clustering chapters around the topics of interpersonal and ritual violence war and justice and the law Informed by the disciplines of anthropology criminology the history of art literary studies and sociology as well as history the contributors examine all forms of violence including manslaughter assault rape riots war and justice Previous studies have tended to emphasise long term trends in violent behaviour but one must always be attentive to the specificity of violence and these essays reveal what it meant in particular places and at particular times

Landscapes of the Western Front Ross Wilson, 2013-06-17 This book examines the British soldiers on the Western Front and how they responded to the war landscape they encountered behind the lines and at the front Using a multidisciplinary perspective this study investigates the relationship between soldiers and the spaces and materials of the warzone analyzing how soldiers constructed a sense of place in the hostile unpredictable environment Drawing upon recent developments within First World War Studies and the anthropological examination of the fields of conflict an ethnohistorical perspective of the soldiers is built which details the various ways soldiers responded to the physical and material world of the Western Front This study is also grounded in the wider debates on how the First World War is remembered within Britain and offers an alternative perspective on the individuals who fought in the world's first global conflagration nearly a century ago

Sights, Sounds, Memories Ian van der Waag, 2020-12-15 The Second World War involved most of the countries of the world and left so many millions dead and maimed disorganised and devastated through personal and communal loss This book recovers some of South Africa's soldiers experiences from the physical and mental debris of the war Individuals are important their lives used as lenses give us colour and texture and their voices tell the stories of ordinary soldiers Using their memoirs and diaries the vitality of their endeavours is reasserted their successes and failures victories and indecencies are re-examined and their magnanimity and the general triumph of the human spirit are celebrated

The Afghan Way of War Robert Johnson, 2011-12-12 Through the reconstruction of episodes of Afghanistan's military history this book seeks to reevaluate the Afghan Way of War showing that despite the stereotypes of guerrilla warriors imbued with religious fanaticism Afghans have constantly adapted to new threats Indeed the Afghan way of war has been one of constant change

The Dragon in the Jungle Xiaobing Li, 2020 This book covers the chronological development and operational experience of the Chinese Army's intervention in the Vietnam War against the U S in 1968-1973 Based on communist sources and interviews it examines China's intentions decision making war preparation training battle plan and execution tactical problem solving political indoctrination and combat assessment

Great Powers and the Quest for Hegemony Jeremy Black, 2007-10-11 This timely and authoritative book is a general overview of Great Power politics and strategy from 1500 to the present

Rethinking Military History Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Rethinking Military History free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Rethinking Military History free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Rethinking Military History free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Rethinking Military History. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be

cautious and verify the legality of the source before downloading Rethinking Military History any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Rethinking Military History Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Rethinking Military History is one of the best book in our library for free trial. We provide copy of Rethinking Military History in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Rethinking Military History. Where to download Rethinking Military History online for free? Are you looking for Rethinking Military History PDF? This is definitely going to save you time and cash in something you should think about.
