Delderfield, 2009-03-01 R F Delderfield is a born storyteller Sunday Mirror To Serve Them All My Days is the moving saga of David Powlett Jones who returns from World War I injured and shell shocked He is hired to teach history at Bamfylde School where he rejects the formal curriculum and teaches the causes and consequences of the Great War Eventually David earns the respect of his students and many of his fellow teachers against the backdrop of a country struggling to redefine itself As David falls in love and finds himself on track to possibly take on the headmaster role he must search to find the strength to hold true to his beliefs as the specter of another great war looms To Serve Them All My Days is a brilliant picture of England between the World Wars as the country comes to terms with the horrors of the Great War and the new forces reshaping the British government and society Subject of a Landmark BBC Miniseries Includes Bonus Reading Group Guide WHAT PEOPLE ARE SAYING Mr Delderfield's manner is easy modest heartwarming Evening Standard He built an imposing artistic social history that promises to join those of his great forebears in the long noble line of the English novel His narratives belong in a tradition that goes back to John Galsworthy and Arnold Bennett Life Magazine Sheer wonderful storytelling Chicago Tribune Highly recommended Combines tension with a splendid sense of atmosphere and vivid characterisation An excellent read Sunday Express Post of Honour R. F. Delderfield, 2014-07-22 A rural English family endures as the Great War ends and more storm clouds loom in this saga from the New York Times bestselling author of the Avenue novels Through hard work and love of the land Boer War vet Paul Craddock has transformed the sprawling West Country estate of Shallowford With his wife and three children he enjoys a

peaceful country life But war has begun its inevitable march across England and this remote corner of Devon cannot escape its cruel destruction Young farmers of the village barely men when they enlist are dying in the field or coming home to a way of life that is rapidly disappearing Yet as the Great War ends and another threatens to erupt Craddock s faith and the strength he derives from his family will sustain him and his beloved village through trying tumultuous times Filled with vivid imagery and timeless emotion this is the unforgettable story of a farming family and a vanishing way of life Post of Honour is the second novel in R F Delderfield's A Horseman Riding By saga which begins with Long Summer Day and continues with The Green Gauntlet R F Delderfield's To Serve Them All My Days R F. Delderfield, 2004 Delderfield, 2014-07-22 From the New York Times bestselling author of God is an Englishman comes the timeless story of a love that could not be denied set in the countryside of early twentieth century England Fifteen year old John Leigh is living with his aunt and uncle in a small Devon village when he meets the girl fated to change his life From the moment he first sees Diana Gayelorde Sutton astride a horse looking as poised and regal as a queen he falls irrevocably in love But they are worlds apart He is a poor Cockney orphan and she is the pampered only daughter of a powerful businessman They become inseparable though and friendship deepens into love As the 1920s segue into the 1930s John becomes a small town newspaperman while Diana travels the world Yet they always return to each other until one earth shattering day And soon World War II will cast its long shadow over the world testing their relationship in ways they never imagined Diana is a stunning story of war and remembrance love and redemption **LIFE** ,1970-08-07 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today s people and events They have free access to share print and post images for personal use Good Nights Out Aleks Sierz, 2019-12-12 London's West End is a global success story staging phenomenal hit shows that have delighted millions of spectators and generated billions of pounds in revenue In Good Nights Out Aleks Sierz provides a thematic survey of such popular theatre shows that were enormous commercial successes over the past 75 years He argues that these outstanding hits have a lot to say about the collective cultural social and political attitudes and aspirations of the country and about how our national identity and theatre s role in creating it has evolved over the decades The book spans a range of work from almost forgotten plays such as R F Delderfield's Worm's Eye View and Hugh Hastings's Seagulls Over Sorrento to well known mega hits such as The Mousetrap and The Phantom of the Opera Such popular work has tended to be undervalued by some critics and commentators mainly because it has not been thought to be a suitable subject for inclusion in the canon of English Literature By contrast Sierz demonstrates that genres such as the British musical light comedy sex farce or murder mystery are worth appreciating not only for their intrinsic theatrical qualities but also as examples of the dream life of the British people The book challenges the idea that mega hits are merely escapist entertainments and instead shows how they contribute to the creation of powerful

myths about our national life The analysis of such shows also points towards the possibility of creating an alternative history **Long Summer Day** R. F. Delderfield, 2014-07-22 A great read for fans of PBS s Poldark and of postwar British theatre Downton Abbey first in the saga of a man returning from battle to an estate in the pre WWI English countryside After serving his country in the Boer War injured Lieutenant Paul Craddock returns to England to resume civilian life But things have changed since he joined the Imperial Yeomanry three years ago His father has died leaving Paul as heir to a scrap metal business he has no intention of continuing Instead he purchases an auctioned off thirteen hundred acre estate in a secluded corner of Devon Neglected and overgrown Shallowford becomes the symbol of all that Paul has lost and a reminder of the gentle place his homeland once was And here on this sprawling stretch of land he will be changed by his love for two women fiercely independent Grace Lovell and lovely demure Claire Derwent Set in the English countryside in the first part of the previous century from the long Edwardian afternoon following the death of Queen Victoria to the gathering storm of World War I Long Summer Day is the story of a man his family and a people struggling to adapt to life in a new world Long Summer Day is the first novel in R F Delderfield's saga A Horseman Riding By which continues with Post of Honour and The Green R F Delderfield's To Serve Them All My Days R F.
