literally spending her childhood at her aunt and uncle's theme park Lands of Legend. It's no surprise that she eventually landed her dream job designing thrill rides for a massive global company. The surprise comes when she's laid off and catches her now ex-boyfriend cheating. With her boss Worse back in her Ohio hometown, Charlotte finds that Lands of Legend is struggling. To stay open, they'll have to work with an investor. To Charlotte's horror, Gregory Binns not only doesn't know the difference between a theme park and an amusement park, he's also never been on a roller coaster. Even more troubling, she's certain his ideas will ruin Lands of Legend's uniqueness. So Charlotte sets out to make sure buttoned-up Gregory experiences the magic firsthand. Opening the park's new themed area Under the Waves is the perfect opportunity, which brings Charlotte to her next surprise. As Gregory loosens up even ditching his tie, Charlotte begins to see him in an attractive new light. She even catches herself fantasizing about what a life with less work and more Gregory would be like. But when her old job makes her a tempting new offer, she's faced with a decision: reclaim the career she worked her whole life to build or sit tight for a thrilling new shot at love.
