The Incredible Adventures of Louis Riel Cat Klerks, 2004 Louis Riel perhaps the most controversial figure in Canadian history emerged as a leader of the Metis which led to his death by hanging in 1885 **I Fought Riel** Major Charles A. Boulton, 1985-01-01 Louis Riel personally singled out Major Charles Arkoll Boulton for execution Thomas Scott was shot instead but Boulton never lost his visceral hatred for the rebel chief A leader of the Canadian forces during the Red River Rebellion of 1869-70 Boulton was a seasoned veteran when the Metis rose again in 1885 Recruiting his own force of mounted infantry he served in the heart of the action at Fish Creek and Batoche witnessing scenes of massacre and horror listening to First Nations leaders as they pleaded their cases visiting the headquarters of the Metis speaking with the English general Frederick Middleton Boulton was privileged to be both participant in and observer of the drama of passion and ambition that indelibly marked the history of the Canadian West First published in 1886 the narrative reproduced in *I Fought Riel* presents an incredibly vivid portrait of this important passage in the history of the West With an insightful introduction by Heather Robertson **Riel's Defence** Hans V. Hansen, 2014-06-01 In 1885 Louis Riel was charged with high treason found guilty and consequently executed for his role in Saskatchewan's North West Rebellion During his trial the Metis leader gave two speeches passionately defending the interests of the Metis in western Canada as well as his own life Riel's Defence studies these speeches demonstrating the range of Riel's political and personal concerns The first and better known of the two speeches addresses the jury while Riel's second speech rarely reprinted addresses the court following his guilty verdict Both orations have been edited annotated and reprinted and are followed by essays from diverse perspectives including philosophy law history political science religion and communication studies Through the course of their inquiry contributors come to understand more about Riel's personal character and political thought as well as his arguments supporting Metis land claims grievances against the federal government and his immigration plan for the North West Evaluating the rhetorical quality legal merit and cultural stakes of his speeches Riel's Defence reveals the significance of the last public statements made by a man who indelibly shaped Canada's history by combining his personal vision with a national vision **Why I Have To Die Like Jesus And Louis Riel?** James Prince, 2014-06-11 Dozens of writers wrote about the life the death and the career of Louis Riel but they have mainly written about his political activities and his rebellions I will talk to you mainly about his relationship with God and that he had the same preoccupations as Jesus had in this world meaning to free his people from the slavery of sin and the slavery of religion and to lead his people to God Louis Riel understood just like Jesus did that religions mainly the one that has its head in Rome are a dreadful slavery and we definitely have to separate from them This is the

reason the John A Macdonald's government pressed by the Christian churches found a way to eliminate him from this earth despite the protestations against this from all over So Louis Riel had to go through the same destiny as the one who inspired him Jesus of Nazareth and this is why I expect the same conclusion for myself because I do the same thing they did meaning opening the eyes of the blind Fortunately for the world and thanks to God a bit of salt and a gleam of light made their way to me So in one way I'll be able to continue the work of Jesus's disciples and this is what I'm doing with the help of my books

*The False Traitor* Albert Raimundo Braz, 2003-01-01 The nineteenth century Métis politician and mystic Louis Riel has emerged as one of the most popular and elusive figures in Canadian culture Since his hanging for treason in 1885 the self-declared David of the New World has been depicted variously as a traitor to Confederation a French Canadian and Catholic martyr a bloodthirsty rebel a pan American liberator a pawn of shadowy white forces a Prairie political maverick a First Nations hero an alienated intellectual a victim of Western industrial progress and even a Father of Confederation Albert Braz synthesizes the available material by and about Riel including film sculpture and cartoons as well as literature in French and English and analyzes how an historical figure could be portrayed in such contradictory ways In light of the fact that most aesthetic representations of Riel bear little resemblance not only to one another but also to their purported model Braz suggests that they reveal less about Riel than they do about their authors and the society to which they belong The most comprehensive treatment of the representations of Louis Riel in Canadian literature *The False Traitor* will be a seminal work in the study of this popular Canadian figure **The Politics of Popular Culture** Tim Nieguth, 2015-01-01 Days after the 9/11 attacks George W Bush sought to reassure the American public that Osama bin Laden would be brought to justice quipping that there's an old poster out West as I recall that said Wanted Dead or Alive Bush's invocation of Wild West
