Right Here, Right Now Christopher Carstens, 1987-01-12 **Right here, right now : spiritual exercises for busy Christians** Christopher ; Mahedy Carstens (William P.), 1985 *Right Here Right Now* Amy G. Oden, 2017-08-01 Christians have always practiced mindfulness Yet from the popular landscape of mindfulness movement you d never know that Where is the Christian voice in this fast growing movement Many Christians practice mindfulness outside of church and believe it does not belong to our faith tradition This book reveals the Christian roots of mindfulness and the actual practices that when reclaimed deepen the life of faith and the power of our mission of love in the world When we understand how radical it is to live in God s presence right here right now our lives are transformed toward mercy justice and abundant life Amy Oden shows how the practice of Christian mindfulness begins with the teachings of Jesus and continues throughout Christian history It also includes step by step instructions for the practice of Christian mindfulness today Pastors and leaders will find this book useful on the ground as they curate current culture and guide Christians in spiritual practices this is the best introduction to Christian mindfulness I have read Shaun Lambert Senior Minister of Stanmore Baptist Church United Kingdom Amy Oden knows the history of Christian spirituality as well as anyone and she helps us see what might seem surprising to many that mindfulness has deep roots in the Christian tradition The wisdom she shares in this clear winsome book has already deepened my own life of prayer I know this book will bear fruit in classrooms and congregations as readers heed its call to stop and pay prayerful attention to what God is doing right here right now L Roger Owens Associate Professor of Christian Spirituality and Ministry Pittsburgh Theological Seminary Pittsburgh PA Oden deftly lifts up a clear template for what lies at the core of all spiritual practice mindfulness a simple awareness within ordinary life of divine presence here and now Unlike many generic practices of mindfulness now popular in business education and the fitness industry Oden underscores that Christian mindfulness is not an end in itself but an awareness that turns us toward God Amy s words become a litany of invitation into the posture of open hearted presence to the Presence right here right now from the foreword Marjorie J Thompson author of Soul Feast An Invitation to the Christian Spiritual Life former Director of Pathways in Congregational Spirituality with Upper Room Ministries and an ordained minister in the Presbyterian church USA

Mahedy,1988 *Spiritual Building Blocks* Marshall Welch,2015-09-26

Spiritual Building Blocks takes the greatest commandment and uses it as the cornerstone in building a spiritual foundation to help notice Gods presence in our everyday lives Part 1 begins by unpacking the greatest commandment into six essential parts God the self our neighbor our head our heart and our hands The opening chapters answer common questions about spirituality and its relationship with religion Part 2 presents a variety of spiritual practices and exercises using our head heart and hands as building blocks to nurture our spiritual lives as we love God the self and our neighbors Some of these practices may be new while others may be familiar but reframed in a new way Personal stories by everyday people illustrate many of these exercises *Spiritual Building Blocks* was written for individuals or small groups interested in deepening their spiritual lives **Starting on Monday** William P. Joan Perry,2012-01-10 You are the apple of Gods eye and have been given the power and the weapons to use proactively stopping the enemys attempts to destroy you Working out your salvation entails doing what Jesus commanded you to do Your salvation isnt just for your eternal destination it is also to save yourself from the attempts of your adversary the devil to defeat you here in this life You must continually put on the armour of God and use your weapons of warfare daily If you get nothing into your heart and head than just this that in Gods eyes you are the most valued and precious person and that His love mercy amazing grace and His forgiveness are all yours to cherish all the days of your life If you can truly understand and believe this fact then you will be able to experience heaven on earth and victory over the power of sin Gods love is awesome You can be set free *Tracing the Lines* Robert Sweetman,2016-08-23 *Tracing the Lines* takes on the project of what Christian scholarship is and should be today It does so however with an eye to locating similarities in the rich tradition the last nearly two thousand years of Christian scholarship has given birth to With humility and a sympathetic ear Sweetman traces the way certain lines of thought have developed over time showing their strengths their weaknesses and their motivation for shaping Christian scholarship in particular ways Though he locates his own thought within a particular one of

these streams he shows how all of them have contributed in different ways to the formation of the work of Christian scholarship Offering in the end an understanding of Christian scholarship as scholarship attuned to the shape of our Christian hearts this book reaches across disciplines to connect Christians engaged in scholarship in all areas of the academy whether at public or private institutions **Continent** ,1922 Twentieth Century Sermons Asa Severance Fiske,1908
