Right Thing:

Right Thing, Right Now Ryan Holiday, 2024-06-11 INSTANT 1 NEW YORK TIMES BESTSELLER In his New York Times bestselling book *Discipline Is Destiny* Ryan Holiday made the Stoic case for a life of self discipline In this much anticipated third installment in the *Stoic Virtues* series he argues for the necessity of doing what's right even when it isn't easy For the ancients everything worth pursuing in life flowed from a strong sense of justice or one's commitment to doing the right thing no matter how difficult In order to be courageous wise and self disciplined one must begin with justice The influence of the modern world often tells us that acting justly is optional Holiday argues that that's simply untrue and the fact that so few people today have the strength to stand by their convictions explains much about why we're so unhappy In *Right Thing Right Now* Holiday draws on fascinating stories of historical figures such as Marcus Aurelius Florence Nightingale Jimmy Carter Gandhi and Frederick Douglass whose examples of kindness honesty integrity and loyalty we can emulate as pillars of upright living Through the lives of these role models readers learn the transformational power of living by a moral code and through the cautionary tales of unjust leaders the consequences of an ill formed conscience The Stoics never claimed that living justly was easy only that it was necessary And that the alternative sacrificing our principles for something lesser was considered only by cowards and fools *Right Thing Right Now* is a powerful antidote to the moral failures of our modern age and a manual for living virtuously
