## **Righting A Wrong Japanese Americans And The Passage Of The Civil Liberties Act Of 1988:**

**Righting a Wrong** Leslie Hatamiya, 1994-10-01 In December 1982 a congressionally created commission concluded that the incarceration of 120 000 Americans of Japanese ancestry during World War II was the result of racism war hysteria and failed political leadership This book offers a case study of the political institutional and external factors that led to the passage of the Civil Liberties Act of 1988 which demanded redress for the surviving internees *Increasing Multicultural Understanding* Don C. Locke, Deryl F. Bailey, 2013-09-17 *Increasing Multicultural Understanding* Third Edition provides the necessary tools to foster positive and productive relationships among culturally diverse populations Authors Don C Locke and Deryl F Bailey encourage readers to explore their own cultural background and identity and in the process begin to better understand others A best seller in the first and second editions this revised and expanded third edition continues to present its classic framework for critical observation with at least 10 elements including the history of oppression religious practices family structure degree of acculturation poverty language and the arts racism and prejudice sociopolitical factors child rearing practices and values and attitudes **The Human Tradition in California** Clark Davis, David Igler, 2002-08-01 With a land mass one and half times larger than the United Kingdom a population of more than thirty million and an economy that would rank sixth among world nations the history of the state of California demands a closer look *The Human Tradition in California* captures the region s rich history and diversity taking readers into the daily lives of ordinary Californians at key moments in time These brief biographies show how individual people and communities have influenced the broad social cultural political and economic forces that have shaped California history from the pre mission period through the late twentieth century In personalizing California s history this engaging new book brings the Golden State to life About the Editors Clark Davis has written extensively about California and its colorful history His work has appeared in the Los Angeles Times and Pacific Historical Review He is a professor of history at California State University Fullerton David Igler is a long time historian of California history and culture He has presented for the Western Historical Association the Pacific Coast Branch of the American Historical Association and the California Studies Association Dr Igler is professor of history at the University of Utah *The Long Afterlife of Nikkei Wartime Incarceration* Karen M. Inouye, 2018-03-13 *The Long Afterlife of Nikkei Wartime Incarceration* reexamines the history of imprisonment of U S and Canadian citizens of Japanese descent during World War II Karen M Inouye explores how historical events can linger in individual and collective memory and then crystallize in powerful moments of political engagement Drawing on interviews and untapped archival materials regarding politicians Norman Mineta and Warren Furutani sociologist Tamotsu Shibutani and Canadian activists Art Miki and Mary Kitagawa among others Inouye considers the experiences of former wartime prisoners and their on going involvement in large scale educational and legislative efforts While many consider wartime imprisonment an isolated historical moment Inouye shows how imprisonment and the suspension of rights have continued to impact political discourse and public policies

in both the United States and Canada long after their supposed political and legal reversal In particular she attends to how activist groups can use the persistence of memory to engage empathetically with people across often profound cultural and political divides This book addresses the mechanisms by which injustice can transform both its victims and its perpetrators detailing the dangers of suspending rights during times of crisis as well as the opportunities for more empathetic agency

**In Defense of Internment** Michelle Malkin, 2004-07-01 The author of *Invasion* argues that the internment of ethnic Japanese during World War II was the result of real national security concerns just as the Bush administration's moves to interrogate track and deport suspected terrorists is moderate and restrained

Nisei Radicals Diane C. Fujino, 2020-12-31 A dual biography of unruly activism that spans national and racial boundaries Demanding liberation advocating for the oppressed and organizing for justice siblings Mitsuye Yamada 1923 and Michael Yasutake 1920 2001 rebelled against respectability and assimilation charting their own paths for what it means to be Nisei Raised in Seattle and then forcibly removed and detained in the Minidoka concentration camp their early lives mirrored those of many second generation Japanese Americans Yasutake's pacifism endured even with immense pressure to enlist during his confinement and in the years following World War II His faith based activism guided him in condemning imperialism and inequality and he worked tirelessly to free political prisoners and defend human rights Yamada became an internationally acclaimed feminist poet professor and activist who continues to speak out against racism and patriarchy Weaving together the stories of two distinct but intrinsically connected political lives *Nisei Radicals* examines the siblings half century of dedication to global movements including multicultural feminism Puerto Rican independence Japanese American redress Indigenous sovereignty and more From displacement and invisibility to insurgent mobilization Yamada and Yasutake rejected stereotypes and fought to dismantle systems of injustice

*Voices Raised in Protest* Stephanie Bangarth, 2008-07-01 The uprooting and confinement of Japanese Americans and Japanese Canadians during the Second World War constituted the worst violations of citizenship rights in twentieth century North America *Voices Raised in Protest* examines the meaning and impact of these actions and how they diverged in Canada and the United States Many North Americans opposed their governments wartime policies toward their fellow citizens of Japanese extraction In this timely book Stephanie Bangarth studies the efforts and discourse of anti internment advocates and discusses the various cases they brought before the courts Persons of Japanese ancestry were also active in their own defence Their critiques of the removal and deportation policies were seminal examples of a growing general interest in civil rights and would provide a foundation for rights activism in subsequent years *Voices Raised in Protest* offers valuable perspective for today's debates over ethnic and racial profiling treatment of enemy combatants and tensions between civil liberty and security imperatives It will be of interest to activists and general readers as well as to scholars and students in history law politics and Asian Canadian American studies

**Japanese Americans** Paul R. Spickard, 2009 Since 1855 nearly half a million Japanese immigrants have settled in the United States and today more than

twice that number claim Japanese ancestry While these immigrants worked hard established networks and repeatedly distinguished themselves as entrepreneurs they also encountered harsh discrimination Nowhere was this more evident than on the West Coast during World War II when virtually the entire population of Japanese Americans was forced into internment camps solely on the basis of ethnicity

**Pilgrimage as Transformative Process** Heather A. Warfield, Kate Hetherington, 2018-11-26 The construct of transformation has emerged as a prominent theme in academic discourse Based on the accepted notion that processes and living organisms are in an ongoing state of development it is unsurprising that this concept of transformation would find resonance within literature on the pilgrimage phenomenon Examples of transformational processes intersecting with pilgrimage are the movement from sickness to wellness from grief to closure and from fractured to integrated That the pilgrimage journey itself can be construed as a transformational quest was noted by Winkleman and Dubisch 2005 who stated Life transforming experiences are at the core of both traditional and more contemporary forms of pilgrimage In the current volume Warfield and Hetherington examine the transformational process of pilgrimage journeys Contributors are Sharenda Holland Barlar Anne M Blankenship Valentina Bold Shirley du Plooy Alexandria M Egler Miguel Tain Guzman Kate Hetherington Scott Libson Chadwick Co Sy Su Kip Redick Roy Tamashiro and Heather A Warfield

Encyclopedia of American Social Movements Immanuel Ness, 2015-07-17 This four volume set examines every social movement in American history from the great struggles for abolition civil rights and women s equality to the more specific quests for prohibition consumer safety unemployment insurance and global justice

*Myth, Memory, and the Making of the American Landscape* Paul A. Shackel, 2001-09-30 Penetrating insight into the processes by which our collective historical memory is constructed Through a range of case studies the authors explore how and why certain landscapes and monuments are intentionally endowed with specific messages why certain stories are obscured or forgotten and how collective memories change over time James Delle Franklin and Marshall College The authors in this collection show how the creation of a collective memory of highly visible objects and landscapes is an ongoing struggle their meanings always being constructed changed and challenged The sites and symbols the authors address are nationally recognized and include a balance of places that illuminate class ethnic racial and historical experiences Focusing on material culture they explore the tensions that exist among various groups elite landowners the National Park Service preservationists minority groups who compete for control over the interpretation of American public history

 Flippen,2018-04-01 The rise and fall of a Texas Democrat A definitive richly detailed biography and an engrossing history  
 that sheds light on our own fractious times Kirkus Reviews starred review A former Golden Gloves boxer and WWII  
 bombardier Jim Wright entered Congress to fight a different kind of battle making his mark on virtually every major policy  
 issue of the later twentieth century energy education taxes transportation environmental protection civil rights criminal  
 justice and foreign relations among them He played a significant role in peace initiatives in Central America and in the Camp  
 David Accords and was the first American politician to speak live on Soviet television A Democrat representing Texas s  
 twelfth district Fort Worth he served in the US House of Representatives from the Eisenhower administration to the  
 presidency of George H W Bush including twelve years as majority leader and speaker and his long congressional ascension  
 and sudden fall in a highly partisan ethics scandal spearheaded by Newt Gingrich mirrored the evolution of Congress as an  
 institution Speaker Jim Wright traces the congressman s long life and career in a highly readable narrative grounded in  
 extensive interviews with Wright and access to his personal diaries A skilled connector who bridged the conservative and  
 liberal wings of the Democratic Party while forging alliances with Republicans to pass legislation Wright ultimately fell victim  
 to a new era of political infighting as well as to his own hubris and mistakes J Brooks Flippen shows how Wright s career  
 shaped the political culture of Congress from its internal rules and power structure to its growing partisanship even as those  
 new dynamics eventually contributed to his political demise To understand Jim Wright in all his complexity is to understand

the story of modern American politics      **In Defense of Asian American Studies** Sucheng Chan, 2005 In Defense of Asian American Studies offers fascinating tales from the trenches on the origins and evolution of the field of Asian American studies as told by one of its founders and most highly regarded scholars Wielding intellectual energy critical acumen and a sly sense of humor Sucheng Chan discusses her experiences on three campuses within the University of California system as Asian American studies was first developed in response to vehement student demand under the rubric of ethnic studies Chan speaks by turns as an advocate and an administrator striving to secure a place for Asian American studies as a teacher working to give Asian American students a voice and white students a perspective on race and racism and as a scholar and researcher still asking her own questions The essays span three decades and close with a piece on the new challenges facing Asian American studies Eloquently documenting a field of endeavor in which scholarship and identity define and strengthen each other In Defense of Asian American Studies combines analysis personal experience and indispensable practical advice for those engaged in building and sustaining Asian American studies programs      **Asian Americans and Politics** Gordon H.
