Rights Justice Democracy

Simeon C. R. McIntosh

Rights Justice Democracy:

Social Movements and the Struggles for Rights, Justice and Democracy in Paraguay Charmain Levy, Laureen Elgert, Valérie L'Heureux, 2023-04-28 Paraguay is an under examined but remarkably fascinating country where war dictatorship and elite capture have produced cycles of popular mobilization and repression Yet its social movements are less known to international audiences This book analyzes Paraguay's principal social movements since the transition to democracy and examines how in the context of a weak state authoritarian political elite and a deficient democratization process they contribute to progressive policy socio economic development and democracy Using critical perspectives in sociology anthropology geography and political science we bring together scholars activists and practitioners of social critique and community organizing They reflect on movements involving peasant indigenous and agrarian rights to land and livelihoods LGBTQ and feminist struggles labor union struggles and student demands for access to quality education and social development while exploring how the particularisms of Paraguay result in differences from other Latin American movements and how overarching regional tendencies may explain the similarities This volume is the first English language book on social movements in Paraguay As such it aims to provide a deeper understanding Paraguay's principal social movements since the transition to democracy This volume contributes to analyzing how social movements within the context of a weak state authoritarian political elite and a deficient democratization process contribute to progressive public policy socio economic development and democracy In addition this book focuses on how Paraguayan social movements are similar to or different from their Latin American counterparts how the particularism of Paraguay explains these variations and how overarching regional tendencies explain the similarities The contribution of this volume is twofold to provide new empirical examples in the study of Latin American social movements and their contribution to development and democracy as well as to validate or challenge social movement theories by employing empirical studies of Paraguayan social movements Each chapter delves into the background to a specific movement while closely analyzing the movement in the post Lugo era 2012 2021 Together the chapters in this book contribute to a better understanding of social movements in Paraguay and Latin America thus dialoguing with the existing literature and social movement theories and considering how such studies can further our understanding of social movements in Paraguay and in Latin America in general Finally the study of different social movements within the Paraguayan context takes into consideration the links that each movement has forged with other such movements in Latin America including the contributions that Paraguayan social movements have made to regional networks

Justice, Democracy and the Right to Justification Rainer Forst, 2014-06-19 This book is available as open access through the Bloomsbury Open Access programme and is available on www.bloomsburycollections.com Over the past 15 years Rainer Forst has developed a fundamental research programme within the tradition of Frankfurt School Critical Theory The core of this programme is a moral account of the basic right of justification that humans owe to one another as

rational beings This account is put to work by Forst in articulating both historically and philosophically the contexts and form of justice and of toleration The result is a powerful theoretical framework within which to address issues such as transnational justice and multicultural toleration In this volume Forst sets out his ideas in an extended essay which is responded to by influential interlocutors including Andrea Sangiovanni Amy Allen Kevin Olson Anthony Laden Eva Erman and Simon Caney The volume concludes with Forst's response to his interlocutors [Rights, Justice, and Democracy in Australia](#) Alastair Davidson, Roger D. Spegele, 1991 Structured as a long introduction which scrutinises accompanying sets of documents this book mounts a radical argument about the narrow case book and rule guided nature of the law The authors contend that as a result dominant structures of power money and influence become entrenched Various legal and constitutional remedies are canvassed **Justice, Democracy and Reasonable Agreement** C. Farrelly, 2007-10-17 Farrelly argues against the principled paradigm of ideal theory and champions instead a virtue oriented theory of justice entitled civic liberalism He critically assesses the main contemporary theories of justice and tackles a number of applied topics ranging from constitutional design and free speech to welfare reform and economic incentives [Globalisation and Human Rights for Democracy and Social Justice](#) Joseph Zajda, Yvonne Vissing, 2025-04-29 This book analyses major discourses of human rights for democracy and social justice The chapters contained in the book examine critically major issues confronting human rights for democracy and social justice both locally and globally The chapters analyze the challenges that different societies are confronted with as they attempt to implement protect and defend democracy cultural diversity and human rights in an ever changing world and culturally diverse environment Topics covered include dimensional concerns for social justice and human rights and what to do about them human rights for democracy and social justice and celebrating cultural diversity in sport The book will help readers to explore their own views and consider more broadly what may be in the best interests of a fair and just society as envisioned in human rights treaties human rights education in schools and cultural diversity **Justice and Democracy** Brian Barry, 2004-08-19 Publisher Description *Democracy, Law, and Justice, Grades 5 - 8* Campagna, 2010-08-06 Bring the judge and jury into the classroom using Democracy Law and Justice for grades 5 and up This 80 page book covers topics such as citizen rights civil law the judicial process juvenile justice the Salem witch trials and the FBI The book presents and reinforces information through captivating reading passages and a variety of activities and worksheets It also includes a complete answer key and reproducibles **Reason, Freedom, and Democracy in Islam** Abdolkarim Soroush, 2000-04-20 Abdolkarim Soroush has emerged as one of the leading moderate revisionist thinkers of the Muslim world He and his contemporaries in other Muslim countries are shaping what may become Islam's equivalent of the Christian Reformation a period of questioning traditional practices and beliefs and ultimately of upheaval Presenting eleven of his essays this volume makes Soroush's thought readily available in English for the first time The essays set forth his views on such matters as the freedom of Muslims to interpret the Qur'an the inevitability of change

in religion the necessity of freedom of belief and the compatibility of Islam and democracy Throughout Soroush emphasizes the rights of individuals in their relationship with both government and God explaining that the ideal Islamic state can only be defined by the beliefs and will of the majority

Democracy, Nazi Trials, and Transitional Justice in Germany, 1945-1950 Devin O. Pendas, 2020-09-24 Post war Germany has been seen as a model of transitional justice in action where the prosecution of Nazis most prominently in the Nuremberg Trials helped promote a transition to democracy However this view forgets that Nazis were also prosecuted in what became East Germany and the story in West Germany is more complicated than has been assumed Revising received understanding of how transitional justice works Devin O Pendas examines Nazi trials between 1945 and 1950 to challenge assumptions about the political outcomes of prosecuting mass atrocities In East Germany where there were more trials and stricter sentences and where they grasped a broad German complicity in Nazi crimes the trials also helped to consolidate the emerging Stalinist dictatorship by legitimating a new police state Meanwhile opponents of Nazi prosecutions in West Germany embraced the language of fairness and due process which helped de radicalise the West German judiciary and promote democracy

Federal Democracies Michael Burgess, Alain-G. Gagnon, 2010-02-25 Federal Democracies examines the evolution of the relationship between federalism and democracy Taking the late 18th century US Federal Experience as its starting point the book uses the contributions of Calhoun Bryce and Proudhon as 19th century conceptual prisms through which we can witness the challenges and changes made to the meaning of this relationship The book then goes on to provide a series of case studies to examine contemporary examples of federalism and includes chapters on Canada USA Russia Germany Spain Belgium Switzerland and the emerging European Union It features two further case studies on Minority Nations and a Federal Europe and concludes with two chapters providing comparative empirical and theoretical perspectives and comparative reflections on federalism and democracy Bringing together international experts in the field this book will be vital reading for students and scholars of federalism comparative politics and government

Fundamental Rights and Democratic Governance Simeon C. R. McIntosh, 2005 The Caribbean Community CARICOM has assumed a greater role in guiding and coordinating the affairs of its member states The introduction of the CARICOM Single Market and Economy CSME and the Caribbean Court of Justice CCJ bring the quest for democratic governance into sharp relief Using Caribbean cases Simeon McIntosh discusses the fundamental rights and freedoms of speech and of the press freedom of religion and freedom from inhuman and degrading punishment He examines the protection of these rights and freedoms in the light of changes in society social progress and other developments in the Commonwealth Caribbean within the context of the CSME and the CCJ Fundamental Rights and Democratic Governance is the first body of work to give serious philosophical treatment to the question of fundamental rights in the Caribbean In this second instalment on Caribbean Constitutionalism McIntosh builds on his earlier work Caribbean Constitutional Reform Rethinking the West Indian Polity in laying the theoretical justification for the Caribbean Court of Justice

The Human

Right to Democracy Anita Horn, 2019-12-02 The Human Right to Democracy is the first major study to offer a comprehensive and up to date account of the debate It reconstructs the relevant positions in that debate identifies the key points of disagreement and proposes an understanding of the human right to democracy that might form the basis of a wide consensus The book rejects the idea of a comprehensive right to democratic institutions and instead argues for a minimal human right to democracy which is best understood as an individual's right to voice The human right to voice is a right enjoyed by any individual independently of his or her place of residence or nationality to be heard and supported in cases of severe injustice that is tolerated or condoned by the political community or polity of which the individual is a member By bringing together human rights discourse and democratic theory as well as taking into account practical politics this study broadens the scope of the debate from a sometimes overly narrow focus The book is of interest not only to political philosophers but also to international lawyers diplomats representatives of civil society human rights activists and specialists in development economics

The Rhetorical Rise and Demise of "Democracy" in Russian Political Discourse, Volume 3 David Cratis Williams, Marilyn J. Young, Michael K. Launer, 2024-02-20 In Volume Three of this four volume series we examine the rhetorical development that occurred during the first two terms of Vladimir Putin's tenure as president of the Russian Federation Initially Putin appeared to follow in the path set by his predecessor Boris Yeltsin vowing that Russia was at heart a European nation and would be a westward facing democracy going forward He even mentioned partnering with the EU and NATO Eight years later at the 2007 Munich Security Conference Putin excoriated the West for in his words attempting to create a unipolar world in which NATO expansion threatened Russia's security the United States acted as the world's sole hegemon and Europe simply followed orders relinquishing any sense of agency in its own affairs

Democracy Beyond Borders Andrew Kuper, 2006-05-25 The complete series 1-4 of the award winning BBC satirical political comedy drama written and directed by Armando Iannucci Peter Capaldi stars as Number 10's ferociously foul mouthed policy enforcer Malcolm Tucker whose job is to bully and cajole the wayward ministers of the Ministry for Social Affairs and Citizenship DoSAC through a catalogue of gaffes crises Prime Ministerial resignations and possible election dates

Peace Operations and International Criminal Justice Majbritt Lyck, 2008-07-29 This new volume provides the first thorough examination of the involvement of peace enforcement soldiers in the detention of indicted war criminals The book firstly addresses why peace enforcement missions need to be involved in detaining indicted war criminals This discussion includes an analysis of how the securing of justice and transitional justice is incorporated into the UN's approach to peace building It also explores IFOR's SFOR's and KFOR's activities aimed at detaining indicted war criminals before turning to an analysis of how the detaining of indicted war criminals is incorporated into peace enforcement doctrines mandates and rules of engagement The book then outlines the mechanisms that need to be established in order to enable peace enforcers to effectively arrest war criminals in the areas where they are deployed It concludes with a discussion of the prospects for the involvement of peace

enforcement soldiers in the detention of indicted war criminals and of what lessons future peace enforcement missions can learn from the experience of IFOR SFOR and KFOR

Imagining Justice John Crank, 2014-09-25 *Imagining Justice* seeks to move away from normative thinking about justice particularly in the area of justice education suggesting that what is needed today is a way to think about the enterprise of justice that will capture its full potential By providing an introduction to the intellectual potential of the field of justice we can acknowledge that the field is wider than formerly recognized and ultimately imagine the full richness that justice can encompass

Transnational Democracy James Anderson, 2002-11-01 Contemporary globalisation both challenges conventional forms of democracy and is opening up new needs and possibilities for democratisation beyond the territoriality of national states These issues are explored by an international and multidisciplinary array of experts who focus on federalism multicultural societies the European Union and potential agents for the democratisation of global institutions

Encyclopedia of Global Justice Deen K. Chatterjee, 2011-10-06 This two volume *Encyclopedia of Global Justice* published by Springer along with Springer's book series *Studies in Global Justice* is a major publication venture toward a comprehensive coverage of this timely topic The *Encyclopedia* is an international interdisciplinary and collaborative project spanning all the relevant areas of scholarship related to issues of global justice and edited and advised by leading scholars from around the world The wide ranging entries present the latest ideas on this complex subject by authors who are at the cutting edge of inquiry The *Encyclopedia* sets the tone and direction of this increasingly important area of scholarship for years to come The entries number around 500 and consist of essays of 300 to 5000 words The inclusion and length of entries are based on their significance to the topic of global justice regardless of their importance in other areas

Democratic Justice and the Social Contract Albert Weale, 2013-08-15 The book offers a novel and original synthesis of work in modern political theory and in political science and political economy to offer a theory of democratic justice considering society as a social contract

The Judicial Branch Kermit L. Hall, 2005 Presents a collection of essays that provide an examination of the judicial branch of the American government including its history its impact and its future
