A Treatise on the Law of Domestic Relations James Schouler, 1921 **The New York Annotated Digest**, 1912 **Domestic relations** James Schouler, 1921 *Marriage Equality* William N. Eskridge, Jr., Christopher R. Riano, 2020-08-18 The definitive history of the marriage equality debate in the United States praised by Library Journal as beautifully and accessibly written An essential work As a legal scholar who first argued in the early 1990s for a right to gay marriage William N Eskridge Jr has been on the front lines of the debate over same sex marriage for decades In this book Eskridge and his coauthor Christopher R Riano offer a panoramic and

definitive history of America's marriage equality debate. The authors explore the deeply religious, rabidly political, frequently administrative and pervasively constitutional features of the debate and consider all angles of its dramatic history. While giving a full account of the legal and political issues, the authors never lose sight of the personal stories of the people involved or of the central place the right to marry holds in a person's ability to enjoy the dignity of full citizenship. This is not a triumphalist or one-sided book but a thoughtful history of how the nation wrestled with an important question of moral and legal equality.
