R. Jakopič Rihard Jakopič,1973 **Slovene Impressionists and their Time 1890-1920, giudebook** ,2012 The Rough Guide to Slovenia Norm Longley,2004 The brand new Rough Guide to Slovenia is the definitive handbook to one of Europe s smallest yet most beguiling nations The northernmost republic of the former Yugoslavia straddles central Europe and the Balkans and is said to be the greenest country on the continent There s a wealth of things to see and do The guide covers the country in all the detail it deserves with as much attention to the capital Ljubljana s youthful culture and Baroque and Hapsburg architecture as to the stunning cave network at Postojna the wilds of the Julian Alps and the charms of the Istrian coastline There are maps and plans throughout and a full colour introductory section listing the author s favourite things not to miss The contexts section includes informed background on Slovenian history folklore music and wildlife

The Land Between Oto Luthar,2008 This is a history of a space a space between the Panonian plain in the East and the most northernmost bay in the Adriatic in the West from the eastern Alps in the North and the Dinaridic mountain area in the South It is also a history of all the different people who lived in this area The authors show that the Slavs did not settle an empty space and simply replace the Celto Roman inhabitants of earlier times they are on the contrary presented as the result of reciprocal acculturation The authors show that the Slovenes made more than two important appearances throughout the entire feudal era the same holds for later periods especially for the twentieth century This book offers a concise and complete history of an area that finally became an integral part of Central Europe and the Balkans Pub desc *Cultures of Economy in South-Eastern Europe* Jurij Murašov,Davor Beganovic,Andrea Lešic,2019-11-26 The ubiquitous cultural turn of the 1990s did not spare the thinkers of economics however at the same time economic topics have gained a new importance in cultural studies This volume focuses on cultures of economy in regions of former Yugoslavia as part of South Eastern Europe supported by theoretical perspectives It examines narratives and poetics of economy in literature film and art as well as in public discourse The contributors spotlight different historical periods the late 19th and the early 20th centuries Socialist Yugoslavia and the transitional and neoliberal period since the 1990s *Historical Dictionary of Slovenia* Leopoldina Plut-Pregelj,Gregor Kranjc,Žarko Lazarevic,Carole Rogel,2018-02-22 The expanded third edition of the Historical Dictionary of Slovenia covers personalities and events that have made a mark on Slovenia in the more than a decade since the last edition This includes new entries related to Slovenia s first 13 years as a member of NATO and the EU changing diplomatic relations with its neighbors and other global states and institutions a new crop of politicians who have upended the political status quo entries related to Slovenia s worst 21st century recession 2008 2013 nationwide protests against corruption and many other developments This third edition of Historical Dictionary of Slovenia contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 500 cross referenced entries on important

personalities politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Slovenia

Urban Heritage in Europe Gábor Sonkoly, 2023-04-17

Urban heritage which is part of the conceptual expansion of cultural heritage has become an extraordinarily complex notion Any aspect of urban life and experience can become heritage and this heritage is then continuously reinterpreted and exploited as a source not only for a city's identification but also for its cultural and economic innovation This book provides a detailed overview of Central European urban heritage It examines the key aspects of urban heritage tangible monumental natural landscape world heritage urban quarter and heritage experience dark heritage The regimes of urban heritage approach retraces 200 years of the development of European urban heritage to understand how it has become so significant and how it could integrate practically every area of urban existence The novelty of the book is the interpretation of this development as a process of successive and integrating regimes which are examined through the changing urban heritage agency and discourse Through the examples of European cities and towns such as Belgrade Budapest Gdansk Krakow Ljubljana Subotica Szentendre Vienna but also Edinburgh Nordic cities and Rome these changes reveal their inner complexities and become comparable in an interdisciplinary analysis Further a particular aspect of the history of these cities is revealed through the development of their own urban heritage The book is primarily aimed at academics researchers and postgraduate students of cultural and economic geography cultural history culture and heritage management modern and contemporary history as well as urban history planning and sociology
