Schoolfield, 2009 A look at neglected aspects of the early career of one of the premier poets of the German language Snapshots of the Soul Molly Thomasy Blasing, 2021-07-15 *Snapshots of the Soul* considers how photography has shaped Russian poetry from the early twentieth century to the present day Drawing on theories of the lyric and the elegy the social history of technology and little known archival materials Molly Thomasy Blasing offers close readings of poems by Boris Pasternak Marina Tsvetaeva Joseph Brodsky and Bella Akhmadulina as well as by the late and post Soviet poets Andrei Sen Senkov Arkadii Dragomoshchenko and Kirill Medvedev to understand their fascination with the visual language representational power and metaphorical possibilities offered by the camera and the photographic image Within the context of long standing anxieties about the threat that visual media pose to literary culture Blasing finds that these poets were attracted to the affinities and tensions that exist between the lyric or elegy and the snapshot *Snapshots of the Soul* reveals that at the core of each poet's approach to writing the photograph is the urge to demonstrate the superior ability of poetic language to capture and convey human experience Open Access edition funded by the National Endowment for the Humanities **The Cambridge Companion to Rilke** Karen Leeder, Robert Vilain, 2010-01-21 A collection of specially commissioned essays providing an overview of the life works and contexts of this important modernist poet

Joanna Rzepa, 2021-03-16 This is the first book length study to examine the interface between literary and theological modernisms It provides a comprehensive account of literary responses to the modernist crisis in Christian theology from a transnational and interdenominational perspective It offers a cultural history of the period considering a wide range of literary and historical sources including novels drama poetry literary criticism encyclicals theological and philosophical treatises periodical publications and wartime propaganda By contextualising literary modernism within the cultural religious and political landscape the book reveals fundamental yet largely forgotten connections between literary and theological modernisms It shows that early twentieth century authors poets and critics including Rainer Maria Rilke T S Eliot and Czesław Miłosz actively engaged with the debates between modernist and neo scholastic theologians raging across Europe These debates contributed to developing new ways of thinking about the relationship between religion and literature and informed contemporary critical writings on aesthetics and poetics **The Death of Tolstoy** William S. Nickell, 2011-08-15 In the

middle of the night of October 28 1910 Leo Tolstoy the most famous man in Russia vanished A secular saint revered for his literary genius pacificism and dedication to the earth and the poor Tolstoy had left his home in secret to embark on a final journey His disappearance immediately became a national sensation Two days later he was located at a monastery but was soon gone again When he turned up next at Astapovo a small remote railway station all of Russia was following the story As he lay dying of pneumonia he became the hero of a national narrative of immense significance In *The Death of Tolstoy* William Nickell describes a Russia engaged in a war of words over how this story should be told The Orthodox Church which had excommunicated Tolstoy in 1901 first argued that he had returned to the fold and then came out against his beliefs more vehemently than ever Police spies sent by the state tracked his every move fearing that his death would embolden his millions of supporters among the young the peasantry and the intelligentsia Representatives of the press converged on the stationhouse at Astapovo where Tolstoy lay ill turning his death into a feverish media event that strikingly anticipated today's no limits coverage of celebrity lives and deaths Drawing on newspaper accounts personal correspondence police reports secret circulars telegrams letters and memoirs Nickell shows the public spectacle of Tolstoy's last days to be a vivid reflection of a fragile anxious empire on the eve of war and revolution **The Poetry and Poetics of Olga Sedakova**
