Ring Ready Jena Janse, 2018-09-24 I knew that he wanted to marry me because when I put my expectations on the table he stayed at the table It s miraculous when someone with options selects you as their option Millennials aren t marrying at the rate of previous generations while Generation Y is marrying older or avoiding the altar altogether Regardless of Hollywood divorce and temporary trends commitment is an ultimate desire for millions of singles Ring Ready is written for every woman sick of the status quo and scared of the statistics This personal journey reminds you to get everything you want without compromising everything you are It teaches proven principles to make you more successful in love and shares insight on how to avoid the common habits that delay relationships from progressing But the lessons in this literature aren t solely about leading a lady down an aisle If you picked up this book in exchange for a white dress and expensive cake please put it down Each perfectly picked page prepares you to be the best version of yourself for yourself your peers your partner and your purpose Period Prepare a glass of wine and be willing to allow your heart mind and soul to be changed for eternity If you desire to marry don t dare close this book before saying I do If you re undecided you ve gotten this far so open up past the cover to the possibilities The only condition is this you must realize your boyfriend of ten years will still be your boyfriend in ten years The NBA is a great example of relationships most players without a ring in three to five years get released The ball might be in a man s court but you re the referee Regulate the game or be played Ring Ready *The Ready-reference Handbook of Diseases of the Skin* George Thomas Jackson, 1896 **The Keystone** , 1923 Kindergarten Guide Lois Bates, 1898 **Single, Ready to Mingle** Vladimir Savchuk, 2019-07-01 Dating and marriage are probably the most talked about topics among young people and even adults It makes sense since choosing a spouse is the second most important decision you will ever make in your life after your decision to follow Christ So let s open up the conversation and debunk some of the most common misconceptions about dating and marriage and begin to shed light on God s instructions regarding these matters In this book you will discover how to go about dating God s way and learn some key principles on successful relationships **The Diamonds of Kronos** Andrew Dequasie, 2000-09-21 Other books have been written about battles between humans and creatures from outer space So what s different about this one Well the aliens in this case know a great deal about planet Earth and its human population but their info is disastrously out of date It s a war in which tactics make all the difference and the aliens would have found peaceful cooperation a far more useful thing than the battle As a side issue these highly intelligent aliens have evolved on a planet where oxygen and water are rare Impossible Not at all The author s thesis on this point is that life can evolve anywhere there is an energy source the life form can use In each case the life form evolves so as to use the available energy source and therefore is very dependant on it just as we depend on oxygen and water
