**Ripple** Michael J. Seminetta, III, 2024-08-30 Opiates, heroin, fentanyl, and the inevitable lives that are ruined, dreams that are destroyed, homes that are broken, strained relationships, soaring crime rates, and over a hundred thousand young men and women dead every year in America. This is the reality we all face together as a nation, whether you're afflicted by it or not. It is now rare these days to meet someone who does not know of someone personally who is struggling with addiction. Born into a loving, hardworking class family on the Southside of Chicago, Michael Seminetta has lived through, experienced, and overcome the battle that so many people are going through and fighting today. Dive deep into these vivid accounts from his childhood filled with joy, hilarity, excitement, and confusion, followed by twenty years of addiction, prison, a suicidal amount of heroin, coupled with an innate desire to get it right, become the man he was raised to be, and ultimately contribute to this epidemic we all face together as a people. Journey along through this graphic account of hard-core drug addiction, endurance, resilience, love, family, and gratitude. If you or someone you know and love is concerned with a substance abuse disorder, read this book with an open heart and mind. You'll be sure to relate to what Michael went through on a personal level and may find the help you're looking for in the following pages. He really gets it. If you're looking for an unfiltered view of the way it is in regard to substance abuse and addiction, you've purchased the right book. Gain genuine understanding, clarity, and most of all, hope in this gripping bio. It may just get you or an afflicted loved one one step closer to a solution.

**The Story Ripples of the Bible** Elisabeta Karp,2025-06-25 The Bible is more into showing than telling When it wants to teach important and prophetic truths it takes its time telling true stories And storytelling in Scripture works like a ripple effect It sets off a current of events and experiences that repeat expand connect develop and slowly move toward something or someone Bible stories build Bible prophecy The beloved stories readers grew up with like David and Goliath also contain frequent flashbacks to past stories so as to foreshadow the future As the grand narrative progresses from the Old to the New Testament these recycled stories and their developing patterns eventually shape into a silhouette ready for the Messiah to step into as the perfect match So like Jesus disciples on the road to Emmaus readers must take another listen to the biblical authors narrating their stories because through them they are making the greatest prophetic connections that will cause hearts to burn for truth As people discover how the Bible s stories ripple toward Messiah their own stories will too

*Beyond the Music* Harold D. Boyd,2025-01-09 The Worshipping Individual When it comes to worship there are a lot of different definitions philosophies and perspectives that different people artists hold on to However there are some foundational and biblical principles in which God shows us to make the complexity of worship simple to follow no matter what your background may be This is equally important for the unity of the team as well as the worshipping individual artist Some of the things that are covered in this book are The definition of worship and how that applies to one s life as an individual affects the way we show our love for God and how we serve each other Worship given to God out of a pure heart and life that is lived exclusively for Him results in effective and powerful results that change lives The Levitical Calling In the Bible it speaks of a remnant that is called out of the children of God called the Levites It was this tribe that God called out of the children of Israel to minister to God in the tabernacle as well as lead the armies into battle God promised this remnant of the children of Israel himself as their inheritance Every Levite was responsible for carrying their own weight and ministering to God as one
