Film, Music, Memory Berthold Hoeckner, 2019-11-27 Film has shaped modern society in part by changing its cultures of memory Film Music Memory reveals that this change has rested in no small measure on the mnemonic powers of music As films were consumed by growing American and European audiences their soundtracks became an integral part of individual and collective memory Berthold Hoeckner analyzes three critical processes through which music influenced this new culture of memory storage retrieval and affect Films store memory through an archive of cinematic scores In turn a few bars from a soundtrack instantly recall the image that accompanied them and along with it the affective experience of the movie Hoeckner examines films that reflect directly on memory whether by featuring an amnesic character a traumatic event or a surge of nostalgia As the history of cinema unfolded movies even began to recall their own history through quotations remakes and stories about how cinema contributed to the soundtrack of people's lives Ultimately Film Music Memory

demonstrates that music has transformed not only what we remember about the cinematic experience but also how we relate to memory itself     The National Theatre Story Daniel Rosenthal, 2013-11-07 Winner of the STR Theatre Book Prize 2014

The party ain't over yet As long as that music keeps playing I'll keep dancing Raw rude and raucous Cherry Jezebel is a dazzling new drama Hilarious and heartbreaking it's a champagne blowout and the hangover from hell a spin under the glitterball that lands in the gutter The bass is pounding the audience are cheering and Cherry Brandy is blinking back tears Tonight's the night she's finally recognised as the Queen she is with the crown to prove it Is this the triumphant moment she's always dreamed of Behind the mascara the wigs and the six inch stiletto heels all that glitters isn't gold At least she's always got her best mate Heidi But growing up queer in Liverpool is grim and the queer family they've forged is about to slip through Cherry's nicotine stained fingers From the boudoirs to the bathrooms of Liverpool's gloriously gobby drag scene

Cherry Jezebel is a riot of lipstick and split lips of bitching and bruises It s a play that celebrates queerness while spilling the tea on the pain behind the polish      **The Oxford Handbook of the British Musical** Robert Gordon,Olaf Jubin,2016 The first comprehensive academic survey of British musical theatre from its origins The Oxford Handbook of the British Musical offers both a historical account of musical theatre from 1728 and a range of in depth critical analyses of key works and productions that illustrate its aesthetic values and sociocultural meanings
