

RISE UP

Breaking Free into Anointed Living

A person is shown from behind, with their arms outstretched wide, standing in a field of vibrant, multi-colored grass or flowers. The colors transition from purple and blue on the left to yellow and green on the right. The person's arms and torso are also highlighted with these vibrant colors, creating a sense of being part of the landscape. The background is a soft, hazy sky with some light clouds.

Tradition Aaron Ellis,1853 Egyptian Wisdom in Other Jewish Writings Gerald Massey,2008-11-01 When the word Sheol in the Old Testament is rendered in English by the grave it is inadequate times out of number The Hebrew writers were not always speaking or thinking of the grave when they wrote of Sheol which has to be bottomed in Amenta the divine nether earth not simply in the tomb The grave is not identical with hell nor the pit hole with the bottomless pit The pangs and sorrows of Sheol like the purging pangs of the Romish purgatory have to be studied in the Egyptian Ritual from Egyptian Wisdom in other Jewish Writings It goes unappreciated by modern Egyptologists but it is embraced by those who savor the concept of a hidden history of humanity and those who approach all human knowledge from the perspective of the esoteric Gerard Massey s massive Ancient Egypt The Light of the World first published in 1907 and the crowning achievement of the self taught scholar redefines the roots of Christianity via Egypt proposing that Egyptian mythology was the basis for Jewish and Christian beliefs Here Cosimo proudly presents Book 8 of Ancient Egypt in which Massey connects the stories of the Egyptians with the tales and lessons of the Hebrew prophets likening David to Osiris and the King of Glory and Lord of Hosts that is Yahweh to the sun god of astronomical mythology With similar symbology of flocks

and shepherds light and darkness and immortality in an afterlife it is impossible Massey argues not to see deep connections to and influences of Egyptian wisdom in that of the Hebrews Peculiar and profound this work will intrigue and delight readers of history religion and mythology British author GERALD MASSEY 1828 1907 published works of poetry spiritualism Shakespearean criticism and theology but his best known works are in the realm of Egyptology including *A Book of the Beginnings* and *The Natural Genesis* *The Coming Captivity and Restoration of Israel* Rabbi Allan Moorhead, 2016-11-01 Messianic Rabbi Allan Moorhead explores and dissects the books of the Bible to expound on revelations concerning the captivity and restoration of Israel While many believe the famous 1948 Arab Israeli War was the complete fulfillment of the prophetic passages in Zechariah and Daniel Rabbi Allan exegetes through thought provoking evidences that there is more to take place before we see the restoration of the Israeli nation and poignantly correlates it to end time Bible prophecy End time Prophecies have proven to be an imperfect study since all has not been revealed to God's people yet We cannot understand prophecy in its entirety without understanding the history of Israel how it has affected many nations and brought us where we are today **Reformed Public Theology** Matthew Kaemingk, 2021-08-17 The Reformed tradition in the twenty first century is increasingly diverse dynamic and deeply engaged in a wide variety of global and public issues from the arts and business to immigration and race to poetry and politics This book brings together the insights of a diverse group of leading Reformed thinkers including Nicholas Wolterstorff Makoto Fujimura Bruce Ashford John Witvliet Ruben Rosario Rodriguez and James K A Smith to offer a contemporary vision of the depth and diversity of the Reformed faith and its global public impact **Supreme Secrets of Success** Lami Abayilo, Tells readers how they too can live a success filled life in every way not just personally and financially Even if life knocks you hard you can get back on your feet and become the success you were meant to be *Pleasures Evermore* Sam Storms, 2014-02-27 You know how to enjoy friends and family good food and good times but do you enjoy being a Christian Author Sam Storms presents a fresh and liberating perspective on why a relationship with God is not only possible but also irresistibly pleasurable Once you discover that God delights in your company your desire for Him will only be satisfied by drawing closer to His unquenchable love through a life of passionate service *Live Fear Free* Kenneth Copeland, 2025-08-05 With the return of Jesus rapidly approaching the devil is throwing his final fits on this earth stealing killing destroying and wreaking havoc wherever he can As a believer you're not subject to him When he tries to attack you and your family you can shut down his operations You can stop him from touching you and triumph over by putting your faith in God and refusing to fear When economies are reeling pandemics are looming and problems are piling up on every side you can live a fear free overcoming life In fact you can't afford to live any other way In this book you'll discover How fear opens the door to the devil just as faith opens the door to God How to identify fear in all its disguises How to live fearlessly 24/7 in the secret place of God's protection How to turn fear back on the devil to make him flee from you in terror Jesus said that before these last days are over and the end comes This gospel of the kingdom shall be

ten years old was unable to comprehend why Dad left her God's Angel of Death would visit my family inflicting the pain of sorrow and loss repeatedly and in the years to come I would lose my mother sister and two younger brothers I would later become estranged from my own family through divorce and relocation would sever relationships uprooting me from my career the old familiar places and faces plunging me back into sadness and loneliness grim reminders of loss from the not distant past In the middle of the storms I lost my auditory senses and had to adapt to an entirely new world that introduced fear and rejection and at one point of my life I became fearful of dying suddenly I realized too much later that I never really was ever alone God was always with me and he was keeping me here carrying guiding strengthening me through every storm giving my life direction again restoring me full circle to his purpose for me writing to tell of his love It took a while for me to understand God's grace how he led me through the years of stormy darkness to a relationship with him through love and mercy that is unsurpassed and while I am still working on life a great part of its purpose is to share my hope and faith and attest to God's love and grace but most of all to bear witness to the triumphant peaceful joy of walking talking with and listening to God along the valleys and mountaintops of life
