economics culture and gender Supported by case studies online references further reading maps and illustrations *The Jews A History* provides students with a comprehensive and wide ranging grounding in Jewish history **Jews, Sovereignty, and International Law** Rotem Giladi, 2021-07-07 By departing from accounts of a universalist component in Israel's early foreign policy Rotem Giladi challenges prevalent assumptions on the cosmopolitan outlook of Jewish international law scholars and practitioners offers new vantage points on modern Jewish history and critiques orthodox interpretations of the Jewish aspect of Israel's foreign policy Drawing on archival sources the book reveals the patent ambivalence of two jurist diplomats Jacob Robinson and Shabtai Rosenne towards three international law reform projects the right of petition in the draft Human Rights Covenant the 1948 Genocide Convention and the 1951 Refugee Convention In all cases Rosenne and Robinson approached international law with disinterest aversion and hostility while nonetheless investing much time and toil in these post war reforms The book demonstrates that rather than the Middle East conflict Rosenne and Robinson's ambivalence towards international law was driven by ideological sensibilities predating Israel's establishment In so doing *Jews Sovereignty and International Law* disaggregates and reframes the perspectives offered by the growing scholarship on Jewish international lawyers providing new insights concerning the origins of human rights the remaking of postwar international law and the early years of the UN **Peter Between Jerusalem and Antioch** Jack J. Gibson, 2013 Why did Peter cease eating with the Gentile Christians at Antioch Gal 2 11-14 after defending his decision to eat with Cornelius before the entire Jerusalem church Acts 11 1-18 Beginning with a character study of Peter throughout the Gospels and Acts Jack Gibson demonstrates that Peter is consistently portrayed as being a faithful disciple whose pre Pentecost impetuosity is due to a lack of understanding of the message of Jesus and his post Pentecost boldness is due to his newly revealed understanding of this message The historical background to the Antioch incident is considered with special consideration given to the Jewish response to Roman rule Peter's relationship with James and Paul is analyzed culminating in an evaluation of Peter's motivations for ceasing to eat with the Gentiles *For the Nation* Nicholas R. Brown, 2016-09-29 The nature of the kingdom Jesus proclaims in the Gospels has long been a subject of intense theological debate More recently the lines of this debate have dramatically shifted as several leading historical Jesus scholars and Christian social ethicists have argued that Jesus kingdom proclamation most likely expresses a first century Jewish hope for Israel's restoration Yet while several are now sanguine that Jesus kingdom vision constitutes nothing less than a full throated restoration of Israel's nationality they are just as certain it rejects a restoration of Israel's land As such it has become increasingly fashionable to say that an authentic practice of the kingdom ethic that Jesus enunciates must necessarily be a territorial The purpose of this work is to respond to these arguments and show why this can and indeed should not be the case Through a careful and detailed process of historical investigation biblical exegesis theological exploration and ethical analysis we will come to see that not only is the kingdom that Jesus proclaims inextricably landed but also why such a kingdom is integral to articulating a Christian ethic of

territorial governance *The Books of the Maccabees: History, Theology, Ideology* Géza Xeravits, Jzsef Zsengell'r, 2007 The volume contains essays on various problems of the early Jewish works the Books of the Maccabees Authors include renowned international specialists in the literature and thinking of early Judaism *Handbook for the Study of the Historical Jesus (4 Vols)* Tom Holmén, Stanley E. Porter, 2011 V 1 How to study the historical Jesus v 2 The study of Jesus v 3 The historical Jesus v 4 Individual studies *Identity and Ethics in the Book of Ruth* Peter H. W. Lau, 2011 This study demonstrates the importance of including narrative ethics in a construction of Old Testament ethics as a correction for the current state of marginalisation of narrative in this discipline To this end the concept of identity is used as a lens through which to understand and derive ethics Since self conception in ancient Israel is generally held to be predominantly collectivist in orientation social identity theory is used to understand ancient Israelite identity Although collectivist sensitivities are important a social identity approach also incorporates an understanding of individuality This approach highlights the social emphases of a biblical text and consequently assists in understanding a text s original ethical message The book of Ruth is used as a test case employing a social identity approach for understanding the narrative but also to model the approach so that it can be implemented more widely in study of the Old Testament and narrative ethics Each of the protagonists in the book of Ruth is examined in regards to their personal and social self components This study reveals that the narrative functions to shape or reinforce the identity of an ancient Israelite implied reader Since behavioural norms are an aspect of identity narrative also influences behaviour A social identity approach can also highlight the social processes within a society The social processes taking place in the two most commonly proposed provenances for the book of Ruth are discussed the Monarchic and Persian Periods It is found that the social emphases of the book of Ruth most closely correspond to the social undercurrents of the Persian Period On this basis a composition for the book of Ruth in the Restoration period is proposed

Herod's Judaea Samuel Rocca, 2015-03-30 Samuel Rocca born in 1968 earned his PhD in 2006 Since 2000 he worked as a college and high school teacher at The Neri Bloomfield College of Design at the Talpiot College Tel Aviv since 2005 and at the Faculty of Architecture at the Judaea and Samaria College Ariel since 2006 *The Torah in 1Maccabees* Francis Borchardt, 2014-02-27 This volume addresses two pivotal questions surrounding the composition of 1Maccabees It sets out to discern the place and function of the torah within the community described by the book However before addressing the main problem the author must first determine the composition history of the text Given that the former orthodoxy of a unitary authorship seems to be breaking down and no consensus has taken its place a literary critical investigation occupies a necessary and lengthy portion of the work Once a recommendation for the book s composition history is reached attitudes toward the inherited Judean tradition are described in each of the strata discovered The resulting study reveals a wide variety of opinions on the Judean traditions and their function in society This contributes to the current trend in scholarship of the Hellenistic period questioning the dichotomy between Judaism and Hellenism by demonstrating the different attitudes

within even one text *Roots of Rabbinic Judaism* Boccaccini,2002 In a bold challenge to the long held scholarly notion that Rabbinic Judaism already was an established presence during the Second Temple period Boccaccini argues that Rabbinic Judaism was a daring reform movement that developed following the destruction of the Jerusalem temple and took shape in the first centuries of the common era The Origin Myths and Holy Places in the Old Testament Lukasz Niesiolowski-Spano,Jacek Laskowski,2016-04-08 Origin Myths and Holy Places in the Old Testament examines the biblical narratives which describe the origins of holy places It argues for the Hellenistic origin or redaction of most of these narratives Three central questions are addressed are there common features in biblical accounts about the foundation of places of worship are there elements in the aetiological stories that reveal the real mythology rituals of the sanctuary what were the circumstances of the creation of such narratives **Yiddish Paris** Nick Underwood,2022-03 Yiddish Paris explores how Yiddish speaking emigrants from Eastern Europe in Paris in the 1920s and 1930s created a Yiddish diaspora nation in Western Europe and how they presented that nation to themselves and to others in France In this meticulously researched and first full length study of interwar Yiddish culture in France author Nicholas Underwood argues that the emergence of a Yiddish Paris was depended on culture makers mostly left wing Jews from Socialist and Communist backgrounds who created cultural and scholarly organizations and institutions including the French branch of YIVO a research institution focused on East European Jews theater troupes choruses and a pavilion at the Paris World s Fair of 1937 Yiddish Paris examines how these left wing Yiddish speaking Jews insisted that even in France a country known for demanding the assimilation of immigrant and minority groups they could remain a distinct group part of a transnational Yiddish speaking Jewish nation Yet in the process they in fact created a French inflected version of Jewish diaspora nationalism finding allies among French intellectuals largely on the left **A Nation of Refugees** Assistant Professor of History and Jewish Studies Polly Zavadvivker,Polly Zavadvivker,2024-10-23 Though the Holocaust has been documented in depth historians and the public know very little about the experience of Eastern European Jews during the preceding world war A Nation of Refugees tells the story of how ordinary Jewish people in the Russian Empire survived World War I as refugees and civilians It focuses on the resilience and organized campaigns of humanitarian war relief that countered violence and victimization Above all it captures the voices and experiences of refugees at a time of upheaval and war through first hand accounts **Historiography and Identity (Re)formulation in Second Temple Historiographical Literature** Louis Jonker,2011-05-11 It is commonly accepted in various disciplines and contexts that history writing often if not always contribute to the process of identity re formation Using the past in order to find a renewed identity in new socio political and socio religious circumstances is something that we also witness in Hebrew Bible historiographies The so called Deuteronomistic History as well as the works of Chronicles and Ezra Nehemiah are often read from the perspective of a community trying to find a new identity in changed circumstances In the Historical Books section at the 2008 Auckland SBL International Meeting this perspective was

investigated further The papers presented included theoretical reflections on the relationship between historiography and identity re formation as well as illustrations from Hebrew Bible historiographies of the Exilic and Second Temple periods These papers together with a few responses to the papers are offered here to a wider scholarly audience Contributors include Jon Berquist Mark Brett Louis Jonker Mark Leuchter Christine Mitchell Klaas Spronk Gerrie Snyman Ray Person Armin Siedlecki and Jacob Wright *John and Postcolonialism* Musa W. Dube Shomanah,Jeffrey Staley,2002-09-19 An exciting collection of essays connecting postcolonialism and the Gospel of John written by a group of international scholars both established and new from Hispanic African Jewish Chinese Korean and African American backgrounds It explores important topics such as the appropriation of John in settler communities of the United States and Canada and the use of John in the colonisation of Africa Asia Latin America and New Zealand The interpreters represent communities of borderland dwellers women in colonised settings minority ethnic groups within colonised centres and others In an era of rapid globalisation increased travel rising diasporic communities and neo colonialism it is crucial that biblical scholars find ways to address this world with critical skill and sensitivity This book fills this need
