

Now it's time for breakfast.
Mariko is happy – Mama
has made rice balls. She
can hardly wait to start
eating.

But Yumi, Mariko's middle
sister, is not happy. "I don't
want to eat my rice ball,"
she says.

"I'll eat it!" cries Mariko.

"Mariko-chan loves
rice balls," says Daddy.
"That's why she has
such big round cheeks!"

"If I loved tomatoes,"
she asks, "would I have
big red eyes?"

"No, Mariko-chan,"
says Oba-san, Mariko's
grandmother. "You
would have pretty black
eyes, just like you have
now."

Rise And Shine Mariko Chan:

Rise and Shine, Mariko-Chan , **Rise and Shine, Mariko-Chan!** Chiyoko Tomioka, 1992-01-01 Three little Japanese sisters discuss whether it's best to be biggest, littlest or in the middle **Beginnings & Beyond** Ann Miles Gordon, Kathryn Williams Browne, 2004 *Beginnings Beyond* is the tool students need to develop vital skills necessary to become successful teachers and caregivers. They will come to thoroughly understand the fundamentals of early childhood education through a discussion of the topic from an historical perspective, present day issues and future trends. In this sixth edition, the authors have emphasized multiculturalism and NAEYC's developmentally appropriate practice to support the viewpoint that there is more than one correct way to care for and educate young children *The Complete Resource Book* Pamela Byrne Schiller, Pam Schiller, Kay Hastings, 1998 A versatile sourcebook for planning classroom activities all year round

Children's Books from Other Countries Carl M. Tomlinson, 1998-01-15 Every child is entranced by the magic of story regardless of national boundaries. Many of the most memorable childhood stories have their origins in other countries. Exposing children to this multi-national body of literature introduces them to the great diversity of people and cultures that populate the world at a young age, enabling them to become more thoughtful and generous individuals. *Children's Books from Other Countries* is a complete and current guide to international children's literature. The concept of a bibliography of international children's literature is not new. In the past, many books have accomplished this task. The last two decades, however, have not yet produced a current reference source devoted to international children's books. *Children's Books from Other Countries* wonderfully rectifies this lack of attention. An introductory essay provides an overview of the field, including a discussion on the rationale of sharing international books with children, a brief history of the children's literature movement, related books and awards, and basic information about the International Board on Books for Young People (IBBY) and its American branch, the United States Board on Books for Young People (USBBY). An annotated bibliography contains over 700 titles from 29 different countries printed between 1950 and 1996. All titles are available in English; many have been translated, and others have originated in other English-speaking countries. The titles are organized by genre and have been selected for their high quality. They are primarily targeted for children ages 0-14, although a few outstanding young adult titles are included. Winners of the Mildred Batchelder Award and the Hans Christian Andersen Medal are listed in the appendix. Indexes include Author, Title, Index, Country of Origin, Index, and Subject Index. Affordable and readable, this timely resource is certainly a must for librarians and teachers and other professionals working with children. Sponsored by the United States
