Rise Of Henry Morcar:

The Rise of Henry Morcar Phyllis Bentley, 2011-09-28 This is the final instalment of Bentley's famous Inheritance Trilogy. Filmed by Granada in 1967, the Inheritance trilogy is Phyllis Bentley's most widely acclaimed work. Set against the backdrop of the textile industry in the West Riding of Yorkshire, the trilogy chronicles the lives of several families over 153 trouble-torn years from the Luddite riots of 1812 to the death of Sir Winston Churchill in 1965. Vividly depicted and moving to the last, this trilogy is an example of regional fiction at its finest. Speaking of the reason for the work, Bentley wrote that it is a story of decency and integrity, courage and compassion passed down the generations; we are always the heirs of the past and begetters of the future ages. It will be seen that this thought is the meaning of the title Inheritance. It is not material wealth which is meant but a spiritual heritage. *The Rise of Henry Morcar* Phyllis Eleanor Bentley, 1948

[A Man of his Time](#) Phyllis Bentley, 2011-09-28 First published in 1966, *A Man of His Time* continues the chronicles of the Oldroyd and Morcar families which began with *Inheritance* and *The Rise of Henry Morcar* to complete an unforgettable trilogy of the West Riding. The years of change from 1958 to 1965 present Henry Morcar with the severest challenges and trickiest assignments of his life as he surmounts successive disasters only to find his life's work threatened. *A Man of his Time* is a story of conflict between age and youth, between Morcar and the younger generation around him. These descendants of Oldroyds, Bamforths, Morcars and Mellors are real and living, linked to the past but vibrantly imagined in their own time.

A Historical Dictionary of British Women Cathy Hartley, 2013-04-15 This reference book containing the biographies of more than 1,100 notable British women from Boudicca to Barbara Castle is an absorbing record of female achievement spanning some 2,000 years of British life. Most of the lives included are those of women whose work took them in some way before the public and who therefore played a direct and important role in broadening the horizons of women. Also included are women who influenced events in a more indirect way: the wives of kings and politicians, mistresses, ladies in waiting, and society hostesses. Originally published as *The Europa Biographical Dictionary of British Women*, this newly reworked edition includes key figures who have died in the last 20 years, such as The Queen Mother, Baroness Ryder of Warsaw, Elizabeth Jennings, and Christina Foyle.

Phyllis Bentley returns to the West Riding to tell tales of life love murder betrayal and friendship Amongst the familiar mills towns and rolling hills we find heart warming and sometimes heartbreaking characters brought to life with Bentley's charismatically authentic touch Broken into two parts Past Events and Present Occasions we visit first the West Riding of the late Victorian and early Edwardian Eras We witness a man lie cheat and kill for the object of his desire Friends are pulled apart by their own rivalry A child is punished for the crimes of her parents In the sometimes harsh reality of this period we still find companionship humour and hope In Present Occasions we return to the more modern West Riding of the 1970's Here although time has moved on we see the same salt of the earth characters But is there a place for the mills with their traditional ways of life in the modern world This charming collection of stories first published in 1974 is a wonderful example of Bentley's literary skill and a welcome return for her many fans to the West Riding Political and Social Issues in British Women's Fiction, 1928-1968 E.
