RISING THUNDER. ,1937 Oudtestamentische Studiën Pieter Arie Hendrik De Boer,1943 **condor.net** James Grady,2011-11-22 A short story of conspiracy and mayhem by the author of Six Days of the Condor reimagining the classic spy thriller in our post 9 11 world In this chilling short story a CIA analyst codenamed Condor is caught in the grip of a conspiracy he can barely understand When he finds something strange linked to a covert operation in Afghanistan he makes the mistake of contacting his superiors Soon after a gunman attacks during an office coffee break killing all but Condor Alone and out of his depth Condor chases the conspiracy while on the run learning quickly that though the Cold War may be over espionage remains a dangerous game This heart pounding spy story continues the adventures of Condor James Grady s unforgettable character immortalized by Robert Redford in the classic film Three Days of the Condor and currently portrayed by Max Irons in the all new TV series Condor **Apalach Affair** Wayne Stinnett,2025-06-02 Jesse McDermitt is back just as he promised This time he is thrust into the heart of the Florida Panhandle s Tate s Hell State Forest where the tranquil surroundings belie a dangerous secret a network of clandestine meth labs hidden against the backdrop of the Forgotten Coast s natural beauty Jesse a retired Marine turned charter boat captain has brought his family to Apalachicola for the oysters But being who he is the leisurely cruise soon spins into a gripping quest to unravel the truth behind the illicit operations threatening the region As rumors swirl around the waterfront Jesse is propelled into a high stakes game of cat and mouse navigating through a maze of secrets and deception to expose the sinister forces at play With his trademark blend of resourcefulness and determination Jesse uncovers a web of intrigue that threatens to tear apart the fabric of the tight knit community **A Seller's Market** Wayne Stinnett,2023-09-29 Six months out of high school and just days after finishing Marine boot camp Jesse McDermitt is finally ready to unwind and have a little fun when he goes home on leave But everything Jesse remembers his friends his family the sparkling beaches and familiar waters of the Caloosahatchee River and Pine Island Sound even his faithful Lab Molly have all changed Only when he reunites with a boot camp buddy to explore the reefs of the Florida Keys and the oddly relaxing shallows of the backcountry does Jesse finally understand that it was he himself who had changed The two young men enjoying life in paradise while on boot camp leave soon find out that there are still pirates in those tropical waters Only their galleons and corsairs have been replaced with offshore racing boats and motorcycles **A Single Grand Victory** Ethan S. Rafuse,2002-04-01 More than 800 men lost their lives and 2 700 were wounded Confederate General Thomas J Jackson earned his legendary nickname Stonewall here as fellow Confederate General Barnard Bee later fatally wounded in the battle shouted Yonder stands Jackson like a stone wall Both the North and the South believed that a single victory in this first major battle would decide the war before it barely started Yet the first battle of Manassas or Bull Run has not received nearly the same attention as the other major clashes of the Civil War A Single Grand Victory is a highly readable concise comprehensive narrative by Ethan S Rafuse professor of history at the

United States Military Academy at West Point Rafuse worked as a park ranger at Bull Run where he gained great familiarity with the site and the literature on this battle His new book incorporates insights offered in recent scholarship on Civil War military political and cultural history The author describes the factors that led President Abraham Lincoln to order an offensive against Confederates at Manassas Junction at a time when his most prominent military men advised against it The war policies of both the Union and Confederate sides are explained Rafuse offers descriptions and analysis of the individuals involved and the circumstances that influenced the manner in which the campaign was conducted He covers the critical events and operational and tactical decisions that shaped the campaign s course and outcome In addition A Single Grand Victory provides insights into American life in the nineteenth century by examining what motivated men to fight in 1861 and describing what led both North and South to expect the war would be a short one Southerners had anticipated that one victory like Bull Run would persuade the North to abandon the effort to restore the Union by force Northerners believed support for the Confederate rebellion was so shallow that one battle would end the war Civil War buffs will enjoy this lively new book that expands our understanding of the conflict at Bull Run and gives a clear account of the military history of the confrontation
