As a penalty for her sins she's offered the dull job of escorting a former bio chemical warfare scientist to Washington D C to reunite with his daughter. Much to her displeasure the job of monitoring her assignment is given to Quinn. Quinn isn't thrilled with the situation either. He taught Eva everything he knew about secrets sex and lies but the biggest lie of all was the one he'd told himself that his missions for HRS were more important than anything including his relationship with Eva. Because now that they're working together again the urge to put his hands on her to feel her beneath him is killing him. Things only get worse when their current operation goes wrong and the scientist they're guarding is kidnapped mid air. Now Eva and Quinn have to work together to find him before he is forced to create a monstrous weapon that could destroy entire cities. A hard task made more difficult when they find themselves fighting both the enemy and their building desire for each other. Can they work together for the sake of the mission without reigniting the passion between them or will passion be the salvation of them all?

Goodreads on Greek Island Fling to Forever [Risking It All For The Love Of A Boss](#) Naya Morgan,2018-09-27 Chasity is the oldest daughter and side baby of multi millionaire Chaz Arrington She lives a much more lavish life than your average teenager staying laced in the latest designer clothes and flashiest jewelry She has everything she needs but she's still missing the one thing every girl longs for real love Even being raised in a million dollar mansion can't fill the void that comes with never knowing her mother Growing up in a house with her evil stepmother only makes her feel like an outcast even though she's the apple of her dad's eye Even so with her dad's frequent trips to see his long time mistress and her aunt living over 2 000 miles away Chasity often feels neglected

King Anderson is the definition of a young self made boss At only the age of 16 the death of his father forced him to take over the family advertising agency At the time the business was taking a spiral downhill and going broke King turned to the streets determined to make quick cash and launder it to look like the company was progressing and before he knew it business was booming Now at the age of 21 King is the owner of a million dollar legit business and a multi million dollar street business He's able to spoil his mother and younger siblings with anything they want and need so for him

everything is perfect Everything besides the constant nagging from his mom telling him to find someone to make him happy Everyone in Pennsylvania knows of King so women flocked to him The problem is King knows they re all the same looking to build a name and make a quick come up He refuses to be anybody s bank ride and honestly he s happy making his family happy At least that s what he thinks until he meets Chasity Chasity and King cross paths by accident and are instantly drawn to each other As if they were created for one another the chemistry between them is undeniable Even when chaos breaks out in their individual worlds they re still able to find peace together But when Chaz gets caught up on the street side of King s business he threatens to take the whole empire down leaving Chasity to pick a side Will Chasity help the two men in her life finally see eye to eye or will she risk it all for the love of a king
