Adolescent Pregnancy and Childbearing,1987 *Risking the Future* National Research Council Staff,1987 *Risking the Future; Adolescent Sexuality, Pregnancy, and Childbearing* National Research Childbearing,2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1987 02 edition Excerpt younger students use increased more the longer their exposure to the program suggesting that early risk can be reduced with early access to services Finally increased and prompt clinic attendance and increased use of contraception appear to have had a significant impact on pregnancy While conceptions increased dramatically in the control group schools during this period from 32 to 51 percent in the program schools conceptions dropped by 26 percent Zabinetal 1986 The Self Center model differs somewhat from the typical school based clinic Nevertheless if these results can be replicated in other settings they give solid support to the school based clinic movement This program suggests that the provision of free proximate contraceptive services that are linked to a strong education component may accelerate contraceptive behavior among sexually active teenagers without encouraging sexual intercourse among those who are not personally ready for such involvement Further efforts to test this model and compare it with the typical school based clinic model are needed Pregnancy Testing and Counseling Pregnancy testing is available to teenagers in public health centers hospitals family planning clinics and abortion clinics from private physicians and even at many drugstores This service is generally provided at little or no cost to the client In addition home pregnancy tests are becoming increasingly popular among teenagers as well as adult women because they afford an opportunity to detect a suspected pregnancy in privacy at relatively low cost Although they are not a substitute for laboratory testing and a pelvic exam home tests are generally an accurate indicator of pregnancy when properly used Teenagers

Sexuality in Adolescence Susan Moore,Doreen Rosenthal,1993 Susan Moore and Doreen Rosenthal review current work on adolescent sexual development including data from their own studies on sexual risk taking and the social contexts in which young people form their sexual beliefs **Adolescent Health** ,1991 **Adolescents at Risk** Joy G. Dryfoos,1991-08-29 Seven million youngsters one in four adolescents have only limited potential for becoming productive adults because they are at high risk for encountering serious problems at home in school or in their communities This is one of the disturbing findings in this unique overview of what is known about young people aged 10 to 17 growing up in the United States today The book explores four problem areas that are the subject of a great deal of public interest and social concern delinquency substance abuse teen pregnancy and school failure In examining these problem areas Dryfoos has three objectives to present a more cogent picture of adolescents who are at risk of problem behaviors and where they fit in society to synthesize the experience of programs that have been successful in changing various aspects of these behaviors and to propose strategies for using this knowledge base to implement more effective approaches to helping youngsters succeed Among the key concepts emerging from this study are the importance of intense individual attention social skills training

exposure to the world of work and packaging components in broad community wide interventions Schools are recognized as the focal institution in prevention not only in regard to helping children achieve academically but in giving young people access to social support and health programs The author also proposes comprehensive youth development initiatives at the local state and national level based on programs shown to be effective in real practice This landmark state of the art study represents an indispensable resource for anyone interested in the welfare and current problems of youth including psychologists sociologists school administrators state and federal officials policymakers and concerned parents *Beyond Rhetoric* DIANE Publishing Company,1995-10 Presents the Commission's findings conclusions and recommendations Part 1 focuses on the crisis facing the nation's children and families Part 2 presents the Commission's agenda for the 1990's organized into chapters focused on the broad policy areas that are most vital to children and families Part 3 summarizes the Commission's vision for a better society and their recommendations for building the necessary commitment to achieve it Photos and graphs *Emotion, Cognition, Health, and Development in Children and Adolescents (PLE: Emotion)* Elizabeth J. Susman,Lynne V. Feagans,William J. Ray,2014-11-20 Originally published in 1992 this title came out of a conference on emotion and cognition as antecedents and consequences of health and disease processes in children and adolescents The theoretical rationale for the conference was based on the assumption that the development of emotion cognition health and illness are processes that influence each other through the lifespan and that these reciprocal interactions begin in infancy The chapters discuss developmental theories research and implications for interventions as they relate to promoting health preventing disease and treating illness in children and adolescents Handbook of Youth and Young Adulthood Andy Furlong,2009-06-02 The parameters within which young people live their lives have changed radically Changes in education and the labour market have led to an increased complexity of the youth phase and to an overall protraction in dependency and transitions Written by leading academics from several countries this Handbook introduces up to date perspectives on a wide range of issues that affect and shape youth and young adulthood It provides an authoritative and multi disciplinary overview of a field of study that offers unique insight on social change in advanced societies and is aimed at academics students researchers and policy makers The Handbook introduces some of the key theoretical perspectives used within youth studies and sets out future research agendas Each of the ten sections covers an important area of research from education and the labour market to youth cultures health and crime whilst discussing change and continuity in the lives of young people This work introduces readers to some of the most important work in the field while highlighting the underlying perspectives that have been used to understand the complexity of modern youth and young adulthood *Promoting the Health of Adolescents* Susan G. Millstein,Anne C. Petersen,Elena O. Nightingale,1993 Foreword Health Promotion in Historical Perspective J B Richmond1 Adolescent Health Promotion Rationale Goals and Objectives S G Millstein A C Peterson and E O NightingalePART I THE ADOLESCENT HEALTH AND SOCIETY 2 Adolescent Development Health Risks and Opportunities
